**Project:** East-Bound Jensen Ave Overlay Project  
**Subject:** Subcontractor Substitution

AS Dezign Inc. is requesting permission to make a substitution per Cal. Pub. Contr. Code Section 4107 (A-3). The subcontractor refuses to perform his work and is unable to mobilize on the jobsite due to scheduling & personnel issues therefore, we have obtained the services of J. Mack Enterprises, Inc. to finish the grinding on Jensen Ave.

Please call me with any additional questions you may have.

Sincerely,

Dan Soto
