DARIN DEVELOPMENT SERVICES
CITY OF FRESNO

To The Director of The development and Resource Management;

I am protesting approval of the project on the Southwest corner of East Olive Avenue and North Fisher Street, for the sale of beer and wine for consumption.

I have property on First and Olive next to the big grocery Market and there is a huge apartment building in back of my property and so many children in the apartment building and it would be so dangerous with the children and with men hanging around.

Thank you,

Cohaig Sahakian
