Respected Fresno Mayor/City Council Members,

We are writing to oppose 1.-K ID 23-575 the permanent affordable housing proposed at 6051 N Thesta Street Fresno, CA 93710.

The city has failed to notify us in the neighborhood about the proposed changes where they plan to rapidly expand housing for people experiencing homelessness or at risk of homelessness.

We request City Council members to hold this Agenda until the neighborhood businesses receive more information for this project. This is the collective voice from all medical offices, restaurants, Surgical Hospitals and hotel in the immediate neighborhood.

We thank you for hearing our concerns and hope you can help protect our businesses, employees, future guests/customers and millions of dollars worth of equipment which could be at stake.

## New eComment for City Council on 2023-04-20 9:00 AM - Regular Meeting

M P submitted a new eComment.

Meeting: City Council on 2023-04-20 9:00 AM - Regular Meeting

Item: 1.-L. ID 23-576 Actions pertaining to the State of California's Homekey 3 Program and development of permanent affordable housing at 6507 North Polk Avenue (506-130-04) (District 2): 1. \*\*\*RESOLUTION - Authorizing joint application to and participation in the State of California's Homekey 3 Program to sustain and rapidly expand housing for persons experiencing homelessness or at risk of homelessness and authorizing the City Manager or designee to sign all required implementing documents. (Subject to Mayor's Veto). 2. \*\*\*RESOLUTION - In support of future City Contribution of Funds for construction and development expenses associated with the project in an amount not to exceed \$2,800,000 upon full award of Homekey 3 funding for the ACTS Foundation project. (Subject to Mayor's Veto).

eComment: We strongly oppose A.C.T.S. Foundation aka Lifebridge receiving any additional funding. There has NOT been an accountability with their previous funding. They already have 3 additional profit making businesses. We believe that there are already well established ministries in Fresno more well deserving of this funding ie: Rescue Mission, Salvation Army and Poverello House to name a few.

Hello,

I was just informed that the city want to convert the Quality Inn Fresno hotel into housing. I firmly oppose to it. Our Business will go down. There will be a lot of garbage in the neighborhood. There will a lot of car break ins. neighborhood will feel unsafe.

We do not need this in our business neighborhood.

Hello,

We just were informed that the Quality Hotel is being considered a housing unit for the homeless. We are not in favor of this decision due to the possibility that our business could be affected in a negative way. There could be garbage throughout the area, homeless wondering around, cars could be broken into and we don't want our employees to feel unsafe or approached by them when leaving the office.

Respected Fresno City Council

My name is Fidencio Marquez I work at Country Inn and Suites Fresno North and I am emailing you because I just became aware that the city is planning on buying the property next to where I work the Quality Inn on Thesta street. As I per my understanding the plans is to turn the property into low income housing for people experiencing homelessness or at risk of homelessness. I'm not opposed to helping the needy I do think it would be quite beneficial for the us the employees of Country Inn and Suites and the surrounding businesses to be aware of the city complete plans. we are already having plenty of issues with the homeless population around the area. My hotel has lost client because of he current situation, car break-ins, people sleeping on the side walks our guest and employees no longer feel safe and i feel that turning that property into a low income housing its only going to add to the problem. I would like to know if i need to start looking for work somewhere else.

Thank you for hearing my concerns and my fellow coworkers.

Fidencio Marquez
