BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

This project is located within the Sierra Sky Park neighborhood, which is a former County water district in the vicinity of North Blythe Avenue, North Gentry Avenue and West Herndon Avenue. Some of the existing water mains in the neighborhood are located in easements at the rear or side of private properties with limited access. Additionally, due to the age of the existing mains, numerous water main failures have occurred interrupting water service to customers. Under the proposed project, the new water mains and services will be placed in the street right-of-way improving access for City maintenance staff.

DEPARTMENT CONCLUSIONS AND RECOMMENDATION:

☒ Award a contract in the amount of \$ 2,137,962
to Dawson-Mauldin Construction, Inc.
as the lowest responsive and responsible bidder.
