Briefly explain why are you interested in serving on this board or commission?

I am interested in serving on the Women's Commission because I have a heart to serve my community. I strongly believe that women and girls of all ages, races, religion, ethnic, and cultural backgrounds deserve to be celebrated. I enjoy using my voice to advocate for our needs. As a Black woman, I understand the hardships that women of color face in their pursuit for higher education, adequate housing, career growth, etc. I'm overjoyed to do anything I can to help all women thrive. Disparities such as the gender pay gap, the "pink tax" and funding gaps for female entrepreneurs show that this Country has a long way to go to reach gender equality. My goal is to be a part of the solution by advising the City Council on "our" special needs. That is, the needs of all women and girls in our community.
