Dear Council,

I would like to voice my support for the Copper River project on the agenda for today. I look forward to the continued growth of Copper River and what that will mean for Fresno. Trails, homes, apartments, all needed in that area to accommodate Fresno's future growth.

COPPER RIVER RANCH DEVELOPMENT

I would like to write to support the development because it will provide the area more amenities. It will also provide more affordable housing which is desperately needed in this area.

If you would like further information please contact me at this email.

Thank you
