Briefly explain why are you interested in serving on this board or commission?

I am personally and professionally interested in the value of green space, nature play and the value of recreation and the arts as core constituents of equity, justice and quality of life within the urban space. As CEO of the Fresno Chaffee Zoo, I have the pleasure of leading a cultural institution that engages deeply with our city parks, outdoor recreation, and the value of nature.

Educational background, Schools Attended, Degrees and Certifications

B.A. Biology Humboldt State University, Arcata CA M.Arch Parsons School of Design, New York, NY

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

I have a long history of working with community and political groups around Parks Conservancy and Greenways protection. Additionally, I am an architect by training and understand many of the infrastructure and construction challenges facing our parks. I have served on the PARC Board for 2 years and I have enjoyed the work and learned a tremendous amount about the challenges and joys of recreational and cultural space use here in Fresno.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?☐ Yes ☒ No

Question applies to multiple boards

The Political Reform Act of 1974 prohibits public officials from using their official positions to influence governmental decisions in which they have a financial interest. The Board Members in the designed positions must disclose their financial interests as specified in the agency's conflict of interest code.

I agree that I have read the above and agree to file a Statement of Economic Interest Form should I be appointed to a Board, Commission, or similar body according to the adopted resolution.
