Re: The Notice of Action Granting Cannabis Conditional Use Permit Application No. P23-03086 at 4555 East Kings Canyon Road.

This notice acts as a written formal appeal from Fresno City Councilmember Luis Chavez, D5.

On January 9, 2024, the Planning and Development Director approved Cannabis Conditional Use Permit Application No. P23-03086 located in District 5. I appeal this decision for discussion among the Planning Commission to assess the net impact on the surrounding neighborhood and to allow the public and opportunity to comment.

Thank you for your consideration of this very important matter.

Sincerely,

Luis Chavez, Councilmember
City of Fresno
