COUNCILMEMBER REPORTS AND COMMENTS

Councilmember Perea Reports and Comments. The District 1 office hosted its first ever “Senior Dance Under the Stars” at Trolley Park and expressed appreciation to the community members who attended. Plans are underway to host the event again in the future. Thanked the PARCS Department for its support in coordinating the first annual “Soccer Camp and Health Fair” at Inspiration Park. The event was organized in partnership with Binational of Central California, and featured free health screenings for families and soccer instruction from professional footballer Paulo Cesar Chavez. Acknowledged Beautify Fresno for its partnership in a recent neighborhood cleanup at Shields and Weber, where volunteers successfully collected over 2,000 pounds of trash. Thanked Christine Rose and Fil Fiesta 559 for the invitation to celebrate Fresno’s vibrant Filipino community. The event showcased Filipino food, arts, crafts, music, and dance, and was recognized as a meaningful celebration of cultural heritage.

Councilmember Vang Reports and Comments. Thanked Beautify Fresno and community partners for their collaboration on two recent cleanup events. The first took place around Roosevelt High School, where 98 volunteers, primarily Roosevelt High School students, collected over 1,700 pounds of trash. The second cleanup was held at Winchell Elementary School in Southeast Fresno, with over 125 volunteers, including Fresno State students, collecting approximately 3,300 pounds of trash. Announced a successful “Adult Wellness and Resource Fair” at the Career Technical Education Center in partnership with Dr. Joaquin Arambula and the Fresno

County Office of Education, provided health screenings, flu shots, and food distribution to community members. Noted receiving his annual flu shot at the event. Participated in Fiestas Patrias at Winchell School, where they helped provide local resources to nearly 150 residents. Expressed appreciation to Councilmember Esparza for the invitation to attend the ribbon-cutting ceremony for Burlington in Southeast Fresno. Highlighted the grand opening of the largest Target in Fresno County at the Fancher Creek Town Center in Southeast Fresno and has created over 200 new jobs. Thanked Target and City staff for their efforts in making the project a reality and looks forward to additional ribbon-cutting ceremonies for new stores in the area. Announced the successful sponsorship of extended trolley services to the Big Fresno Fair with a total of 1,186 passenger trips, with over 1,000 of those trips either originating from or going to the fairgrounds. Invited the public to attend the Southeast Fresno Police Department's Trunk and Treat event.

Councilmember Richardson Reports and Comments. Thanked East Fresno Rotary for the opportunity to speak at a recent gathering and congratulated Clovis Community College on the groundbreaking of their new Life Diamond Sports Complex in Northeast Fresno, which will offer expanded athletic opportunities for students and participants from the Life Institute and Life Academy. Congratulated Sequoia Brewing on their grand reopening and expressed appreciation for having a beer named in his honor. Recognized Big Brothers Big Sisters for launching their "10,000 on 10/10" male mentorship program, emphasizing the importance of positive role models for young men. Thanked residents of the Copper and Maple neighborhood for meeting with him to discuss a proposed car wash and acknowledged his staff for providing coffee and donuts to veterans waiting outside the Veteran Services Office. Thanked the Copper River neighborhood residents for discussing the need for a bathroom in their local park, noting the urgency of the issue from personal experience. Welcomed students from Mr. Ivanov's AP Government class at Clovis West High School and expressed enthusiasm for their interest in local government. Congratulated the United States Navy on its 250th birthday and noted that another military branch will celebrate its own 250th anniversary next month. Thanked the Emiratesar Club of Fresno for hosting the Kabaddi Cup and naming him a guest of honor, recognizing the sport's cultural significance. Commended city

employees Justin McCallough and Wendy Cornelius for their exceptional customer service in water conservation, which prompted a handwritten letter of appreciation from a constituent. Thanked the Public Works landscaping team for their beautification work on Nees Avenue between Fresno Street and First Street, noting the project was completed quickly and under budget.

Councilmember Esparza Reports and Comments. Invited District 7 residents to attend the upcoming “Trunk or Treat” event at Manchester Center. The office will participate with candy and candy apples, and attendees are encouraged to wear costumes. Announced that McKinley Avenue between Peach Avenue and Clovis Avenue has been repaved, and thanked city crews for their work on this project. Reported the District 7 team joined Beautify Fresno and community volunteers for a neighborhood blitz in the Mayfair area. The effort included graffiti removal, sidewalk repairs, pothole patching, and curb painting, significantly revitalizing the neighborhood. Highlighted the fifth annual “Indigenous Peoples Celebration” held at City Hall, where the Fresno American Indian Health Project was recognized for its contributions to indigenous communities and its ongoing partnership in promoting wellness. Thanked the UCSF Fresno Mobile Heal Team and Dr. Kenny Bond for providing flu vaccines to his staff and himself at a recent clinic. Encouraged residents to get vaccinated and announced two upcoming flu clinics in District 7: one at the Fresno Center in Southeast Fresno, and another at American Legion Post 509 in Central Fresno. Noted that his own vaccination was filmed for a promotional video to encourage public health. Attended the Economic Development Corporation’s annual investors meeting, which featured a performance by Tom Arnold and was attended by the City Manager and Mayor. Congratulated the EDC on a successful event. Joined the Fresno Chaffee Zoo in celebrating the 10th Anniversary of the African Adventure exhibit, praising the Zoo’s contributions to education and wildlife conservation over the past decade. Thanked Fire Station No. 5 for hosting a well-attended open house, which allowed community members to tour the station and engage with local firefighters. Expressed appreciation for the department’s commitment to safety and community outreach and looked forward to future open house events across the city.

Vice President Arias Reports and Comments. Thanked attendees of the

recent event at San Pablo Park, which featured author Edward Dennis and was held in partnership with Fresno Unified. Announced a future movie night will be hosted at the same park. Addressed “Proposition 50”, responding to opposition voiced by the Board of Supervisors and the Clovis City Council. Noted their argument, that “Prop 50” would split the City of Clovis into three congressional districts, was inconsistent with their own actions, as both bodies previously approved county boundary maps that split the city of Fresno into five supervisor districts. Emphasized that this division diluted the influence of Fresno residents on county matters and contributed to a six-year delay in reaching a tax rate agreement. Criticized the Clovis City Council and Board of Supervisors for supporting redistricting efforts in Texas that disenfranchised minority voters without public approval. Commended California’s approach of seeking voter input and encouraged residents to exercise their right to vote as they see fit. Urged local officials to focus on practical issues such as street and park improvements rather than engaging in misleading political arguments. Thanked Supervisor Pacheco and Councilmember Lynne Ashbeck for refraining from participating in what he described as false narratives. Expressed appreciation to the City Attorney for ensuring that Fresno’s taxpayer-funded airport remains compliant with federal, state, and city laws and is not used as a platform for political propaganda.

Council President Karbassi Reports and Comments. Thanked residents who hosted two recent block parties in District 2, including the West Browning neighborhood near Logan Park, and expressed appreciation for the opportunity to connect with community members. Highlighted a flag-raising ceremony held at Eaton Plaza in honor of the Persian community, celebrating the birthday of the Persian Queen. Extended gratitude to the Persian-American community for attending the event and conveyed birthday wishes to Her Majesty. Attended the annual “Fly-in” event at Sierra Sky Park which featured vendors, pilots, and activities for children. Noted the excitement of the event and reminded the public that Sierra Sky Park includes an operational airport and landing zone in northwest Fresno. Addressed public requests for a new crosswalk in front of the Mexican Consulate on Ingram Avenue, and clarified that the request had been reviewed previously and emphasized that pedestrian safety is a top priority. Explained that a signalized four-way intersection with crosswalks already

exists approximately 250 feet from the requested location, and that safety standards prohibit unprotected crosswalks within a certain distance of such intersections. Noted that a bus stop is located directly in front of the consulate, allowing bus riders to access the facility without crossing the street. Urged residents to avoid jaywalking and to use the existing signalized crosswalk for their safety. Attended a memorial service for former Fresno County Sheriff Steve McGaren, the first Armenian-American to serve in that role. Reflected on Sheriff McGaren's efforts to modernize the department and his leadership during high-profile cases. Extended his condolences to Sheriff McGaren's family and acknowledged his contributions to the community. Allowed Jaredyn Kim to address council regarding bus transportation. Acknowledged the recent passing of Charles Patrick Seley, a retired Marine and father of Council Staff Member Michael Seley. Expressed heartfelt condolences and noted that Michael, a valued member of the council team, would be offering a few words in honor of his father.

MAYOR/MANAGER REPORTS AND COMMENTS

City Manager White Reports and Comments. Began with a heartfelt acknowledgment of Michael Seley's tribute to his father, expressing admiration and humorously reflecting on her own aspirations. Commend several City employees, Terry Cox, Eric Frampton, and Eric Young from the Planning and Development Department, for their instrumental efforts in facilitating the successful opening of the new Target store in Southeast Fresno. Noted their dedication and the broader team's contributions in making the project a reality. Highlighted upcoming Fire Department open houses, at Station 14 (6239 North Polk), at Station 13 (815 East Nees), and at Station 6 (4343 East Gettysburg), emphasizing their popularity and the community engagement they foster. Praised the Fire Department for their openness in welcoming the public into facilities that serve both as community assets and firefighter residences. Mentioned that the Mayor was attending a panel at Fresno State and humorously suggested that the Council Vice President might deliver the Mayor's report in his absence, referencing the Mayor's typically extensive list of weekly engagements.

9:15 A.M. #1

[ID 25-1248](#) HEARING to consider adoption of a resolution designating a property to the Local Register of Historic Resources.

1. RESOLUTION - Designating the Property Located at 1844 S Cherry Avenue to the Local Register of Historic Resources (Council District 3)

The above item was called to order at 10:36 A.M. and was presented to Council by Planning and Development Assistant Director Atkinson. Upon call, no members of the public addressed Council. Public comment closed at 10:51 A.M.

Council discussion included: which renovations require input from the Historic Preservation Commission; the role of the Historic Preservation Commission; the property owner's opposition to the historic designation and whether he would have purchased the property in 2024 had he know it would be added the Local Register of Historic Resources; the history of the building; the proposed climate control systems; the suggested artificial exterior window treatments to preserve the building's historic appearance; confirmation that historic designation would not halt storage facility operations or prevent the proposed renovations; the compatibility of preservation and modernization; the importance of preserving Fresno's historical assets while allowing for adaptive reuse, and; desire to support preservation that maintains historical value without limiting utility.

RESOLUTION 2025-281 ADOPTED

On motion of Vice President Arias, seconded by Councilmember Perea, that the above Action Item be ADOPTED. The motion carried by the following vote:

Aye: 6 - Karbassi, Arias, Perea, Maxwell, Vang and Esparza

- a. ADOPT the Findings of Fact and Statement of Overriding Considerations pursuant to CEQA Guidelines Section 15091; and
 - b. ADOPT the Mitigation Monitoring and Reporting Program (MMRP) pursuant to CEQA Guidelines Section 15097; and
2. ***RESOLUTION - Adopting a Vehicle Miles Traveled Nexus Study, Reduction Program, and Capital Improvement Plan as described in the Vehicle Miles Traveled Reduction Program and Nexus Study document dated September 2025, prepared pursuant to the requirements of California Public Resources Code Section 21099, CEQA Guidelines Sections 15064.3(B), 15064.7, and 15126.4, and the Mitigation Fee Act (Subject to Mayor's Veto)
- a. ADOPT the Nexus Study based on the Council's determination that the Vehicle Miles Reduction Program and Nexus Study was prepared in compliance with the Mitigation Fee Act and meets all requirements for a nexus study
 - b. ADOPT the Capital Improvement Plan (CIP) based on the Council's determination that the CIP was prepared pursuant to the requirements of the Mitigation Fee Act.
 - c. ADOPT the Program inclusive of the VMT Mitigation Fee based on the Council's determination that the public facilities, services, and amenities contemplated are individually and collectively necessary to contribute to the reduction of VMT Citywide, and that the VMT Mitigation Fee is in compliance with the Mitigation Fee Act and is supported by the Nexus Study.
3. BILL (for Introduction) - Adding Article 4.17 to Chapter 12 of the Fresno Municipal Code, relating to the Vehicle Miles Traveled Mitigation Fee
4. ***RESOLUTION - Adopting the 593rd Amendment to the Master Fee Schedule Resolution No. 80-420 to add a Vehicle Miles Traveled Mitigation Fee in the Planning Section for Planning and Development Department (Subject to Mayor's Veto)

During approval of the agenda, City Clerk Stermer announced parts 1, 2, and 4 were being continued to October 30, 2025. Part 3, the introduction of the bill would remain on the agenda.

The above item was called to order at 10:52A.M. and was presented to Council by Planning Manager Pagoulatos. Upon call, the following members of the public addressed Council: Darren Rose, Corine Demetrios, Walter Diamond, Zackh Gomes, and Darius Assemi. Public comment closed

at 11:16 A.M.

Council discussion included: the local impact and increased home prices caused by the State-mandated VMT policy; the raising costs for starter and single-family homes; developer support and concerns for the policy; passing the West Area Plan by year-end to restart stalled housing projects and attract services west of Highway 99; properly addressing concerns to avoid future developer backlash over hindered development; consideration of whether the current policy was optimal or if cost-reducing alternatives, like on-site mitigation, could ease the burden on homebuyers; the purpose of the VMT Mitigation Fund; support for housing streamlining; frustration over limited City Council input, with most projects selected by COG and city administration; calls for a new nexus study to align VMT fees with Council-identified projects and constituent needs; flexibility in developer mitigation options; uncertainty over whether developers could truly mitigate on-site or are forced to pay into the fund; concerns about inconsistencies between policy language and developer experiences; transparency and accountability in project selection; representation and equity in fee allocation; state mandate and urban planning; if isolated, vacant parcels in West Fresno may skew fee assessments and disadvantage redevelopment; need for a workshop and Council prioritization; interest in applying fees to missing sidewalks and pedestrian safety in underserved areas, though fees are limited to new development impacts; the definition of High-Quality Transit Stops; whether increased home prices would be fully passed to buyers or if market conditions will determine the absorption; exploring new approaches, noting that commuting patterns—not housing design—drive VMT; Urban Design Calculator and Income-Based Differentiation; Master-Planned Communities and VMT Mitigation; city staff engagement with master planners, and; the need for a transparent and predictable process to help developers plan mitigation strategies when investing in community infrastructure.

[ID 25-1174](#) HEARING to consider the adoption of the West Area Neighborhoods Specific Plan and Final Environmental Impact Report (FEIR), State Clearinghouse (SCH No. 2019069117), and related actions:

1. RESOLUTION - Certifying Final Environmental Impact Report (SCH No. 2019069117), as related to the West Area Neighborhoods Specific Plan, related Plan Amendments P22-01351, P22-01352, P22-01353, and related Rezone P22-01353 as related to the Adoption of the West Area Neighborhoods Specific Plan, related plan amendment, and related rezones.
 - a. ADOPT Findings of Fact as required by Public Resources Code Section 21081(A) and CEQA Guidelines, Section 15091; and,
 - b. APPROVE a Mitigation Monitoring and Reporting Program as required by Public Resources Code Section 21081.6 and CEQA Guidelines Section 15097; and,
 - c. ADOPT the Findings of Fact and Statement of Overriding Considerations as required by Public Resources Code, Section 21081(B) and CEQA Guidelines, Section 15093.
2. RESOLUTION - to Repeal the West Area Community Plan and a Portion of the Highway City Neighborhood Specific Plan (Plan Amendment Application P22-01351)
3. RESOLUTION - to Adopt the West Area Neighborhoods Specific Plan (Plan Amendment Application No. P22-01352)
4. RESOLUTION - Updating the Land Use Map (Figure LU-1) and Dual Designation Diagram (Figure LU-2) of the Fresno General Plan and Incorporate the West Area Neighborhoods Specific Plan (Plan Amendment P22-01353)
5. BILL - (For Introduction) to Approve Rezone Application P22-01353 to Amend the Official Zoning Map to Rezone Approximately 958 Acres of Property within the West Area Neighborhoods Specific Plan Area to be Consistent with the Adopted Specific Plan Planned Land Use Map.

The above item was called to order at 2:22 P.M. and was presented to Council by Supervising Planner Lauderdale. Upon call, the following members of the public addressed Council: Darren Rose, April Henry, Peter Giovannotto, Nabil Kerfan, Mark Chlelpegian, Alisia Yang, Rhonda Dueck, Maria Spera, Mayra Campa, Jeff Roberts, Napdee Kaur, Harmon Singh, Daniel Brannick, Craig Schriel, and Alex Jovenoto. Public comment closed at 3:16 P.M.

Council discussion included: the importance of the West Areas Neighborhood Specific Plan (WANSP); transportation, parks, and retail

identified as key guiding principles; the need for more local businesses to address food and service deserts; the strong community engagement efforts; zoning flexibility, including dual designations and the absence of heavy industrial zoning, raising concerns about future distribution center locations; concerns about zoning equity and industrial rezoning in South Fresno; public and stakeholder requests; the complexity of the planning process when dealing with thousands of individually owned parcels; opening of Veterans Boulevard as a catalyst for growth; the importance of avoiding land use misunderstandings, particularly for property owners unaware of zoning changes; the role of large parcel owners in funding amenities through impact fees, and their engagement in the planning process; the WANSPs potential to reduce Vehicle Miles Traveled (VMT), and whether it would lower housing costs and align with recent state housing laws; clarification on how many housing units the plan would yield, and how it would impact the City's housing supply; park space planning, including interest in expanding existing sites and identifying undeveloped parcels north and south of Shaw Avenue; regional park site and dual designations; two triangular parcels near Highway 99 and Grantland identified for further consideration, and acreage details; alternative regional park sites (A, B, C, and D), and concerns raised about Site D being split by Shaw Avenue; feasibility of a pedestrian bridge to connect Site D, due to high costs and long timelines; confirmation Site C was originally recommended based on scoring, while Site D was proposed due to land use constraints under utility lines; Site C remains viable and safer, as it lies entirely on one side of the street and is connected by a canal trail; confirmation Council has authority to select an alternative site, such as A, B, or C, instead of the currently proposed Site D; compromise to distribute park space across the West Area, and a combination of Site A and part of Site D to ensure adequate and accessible green space throughout the region.

1. ADOPT - Environmental Assessment No. P21-00989 dated October 16, 2025, affirming that the proposed project is statutorily

exempt from the California Environmental Quality Act (CEQA) pursuant to Public Resources Code Section 21080.66 (Assembly Bill (AB) 130).

2. APPROVE - Development Permit Application No. P21-00989, including the conditions of approval for the development permit application dated October 16, 2025.

The above item was called to order at 4:11 P.M. and was presented to Council by Planning Manager Trejo. Upon call, the following members of the public addressed Council: David Immersion, Dennis Nard, Debbie Nard, Susan Griffin, and Bruce Kalashian. Public comment closed at 4:40 P.M.

Council discussion included: historical context of the parcels; the land use change made during the 2014–2016 General Plan update; the level of public engagement; the legal basis for the project returning to Council after a prior rejection, and potential legal and financial consequences of approving or denying the item; concern that the push for increased housing density bypassed transparency and community engagement; residents concern the project would negatively impact the neighborhood due to reduced parking and green space standards under state law; inconsistencies in the rezoning process and the lack of outreach by the developer; appreciation for the community's continued advocacy, and the legal constraints imposed by the court ruling, which may allow the project to proceed despite opposition; the difficult position of balancing legal risk to the City with community sentiment, and; the limitations placed upon Councilmembers for quasi-judicial proceedings.
