All deposits will be returned when the Contract(s) has been executed for all items awarded, or if all proposals are rejected.

The City of Fresno reserves the right to accept or reject any proposals, and to negotiate with any qualified source, or to cancel in part or in its entirety this Request for Proposals. It may accept the proposal(s) that it considers to be in the interest of the City of Fresno, with or without negotiation.

Any proposal which is incomplete, conditional, obscure, or which contains irregularities of any kind, may be cause for rejection.

Local Preference

10. Fresno Municipal Code Section 4-109, LOCAL PREFERENCE IN CONTRACTING FOR SERVICES, provides for a local preference. Portions pertinent to this Contract are paraphrased as follows:

Except for those contracts funded by the federal or state government when such funding would be jeopardized because of this preference, the City of Fresno shall, in contracting for professional services, other than consulting service, extend a five percent (5%) preference for a local firm in evaluating proposals for award. The amount of the preference shall be equal to the amount of the percentage applied to the lowest proposal price from a firm other than a local firm, if the Proposer submitting the lowest proposal price is not a local firm. The Proposer shall certify, under penalty of perjury, that the Proposer qualifies as a local firm. The preference is waived if the certification does not appear on the proposal.

"Local firm" shall mean a firm with a fixed primary or branch office within a twenty-five mile radius of Fresno City Hall, located at 2600 Fresno Street in the City of Fresno, and a majority of the work on the project will be performed by employees who are permanently assigned to such office prior to the city requesting proposals for the project and whose regular duties would include local work on other than city projects.

Proposers shall submit the form CERTIFICATION FOR LOCAL PREFERENCE with their proposal if they seek the benefit of local preference.

Public Records

11. The proposals received shall become the property of the City of Fresno and are subject to public disclosure. Those parts of a proposal which are defined by the Proposer as business or trade secrets as that term is defined in California Evidence Code, Section 3426.1, and are reasonably marked "Trade Secrets", "Confidential", or "Proprietary", and placed in a separate envelope shall only be disclosed to the public if such disclosure is required or permitted under the California Public Records Act or otherwise by law. Proposers who indiscriminately and without justification identify most, or all, of their proposal as exempt from disclosure may be deemed non-responsive. Proposals, excluding confidential information, will be available for review after posting of staff recommendation.

Selection Process and Evaluation Criteria

12. Proposal Evaluation

The Selection Committee will review and evaluate all proposals after formal receipt. To receive proper consideration, the proposal must meet the requirements of these Specifications. In other words, advantages which are not stated will not be considered in the evaluation process.

Proposers whose proposals include a failure to comply with or take exception to these Specifications may be considered nonresponsive and dropped from the evaluation process.

The Selection Committee will include at least one representative from a Department with no direct interest in the service(s) being requested by this Request for Proposals and a representative from the Purchasing Division. A member of the City of Fresno Finance Department will be responsible to review the Proposer's Financial Statements and the Selection Committee will be provided a copy of the report generated by that review. The Committee may also include a representative from outside the City organization. It will be the responsibility of this committee to make recommendations advisory to City Manager and in accordance with the award criteria enumerated below.

The City reserves the right to accept or reject any or all proposals and may select, and negotiate with, one or more Proposers concurrently, and enter into a Contract with such Proposer who is determined, by the City, to provide the services which are in the interest of the City or contracts. The City may agree to such terms and conditions as it may determine to be in its interest.

13. The Selection Committee reserves the right to request additional information from Proposers, to negotiate terms and conditions of the Contract, to visit sites, to request demonstrations or oral presentations, or ask Proposers to appear before the Selection Committee to clarify points of their proposal.

14. Selection will be based on qualitative analysis and cost. Any award shall be on the basis of the criteria specified and made to the Proposer whose proposal is judged as providing the best value in meeting the interest of the City and the objectives of the project.

15. The City reserves the right to make the selection of a Proposer based on any or all factors of value, whether quantitatively identifiable or not, including, but not limited to, the anticipated initiative and ability of the Proposer to perform the services set forth herein.

Time to Award

16. The Proposer agrees that the City may have 120 days to accept or reject proposals. It is further understood that, if the Proposer to whom any award is made fails to enter into a Contract as provided in the Specifications, award may be made to another Proposer, who shall be bound to perform as if she/he had received the award in the first instance.
