To: City Clerk:

I commend the diligent work that 33 members did in developing recommendations that hopefully will lead to better community trust between the whole community in particular west of Shaw Avenue. In my opinion for too many years those areas have received less services and have been forgotten. Trust is not based on whether one is wealthy or poor but on respecting the rights of all human beings.

I support all resolutions approved by 33 member commission. I believe this could lead to better and clearer transparency. Where those sector of the community such as southwest Fresno, West Fresno and surrounding areas can have a voice. I believe all politicians including the law enforcement should be accountable to the whole community. Hopeful New Mayor Jerry Dyer will continue supporting one of his campaign promises that is 'Fresno is One'.

Lastly, I support the creation of ongoing committee to oversee implementation. The makeup of the committee should include all sector of Fresno with an equal voice.

Respectfully

Eduardo Castro Jr.

Comment for Nov 19th City Council Meeting ID 20-001560

From Reverend Tim Kutzmark (*pronounced Cuts-Mark*), Minister of the Unitarian Universalist Church of Fresno:

I urge the City Council to accept and approve the full recommendations from the Police Reform Commission. The collective wisdom of the Commission have provided a path forward for Fresno to create the needed change that will protect ALL citizens of Fresno. Fresno must join other visionary cities, such as Boston, MA, and without reservation accept and approve the recommendations as submitted. Black Lives Matter!

*"May the long time sun shine upon you,
All love surround you,
And the pure light within you
Guide your way on."*
