1798505	Water Conservation	Broken sprinkler water everywhere.	67 S1 Fresno, CA, United States	Customer Service - Water Conservation	None	Submitted	August 3, 2016 10:18 am	September 2, 2016

SR gets routed to Respective Department

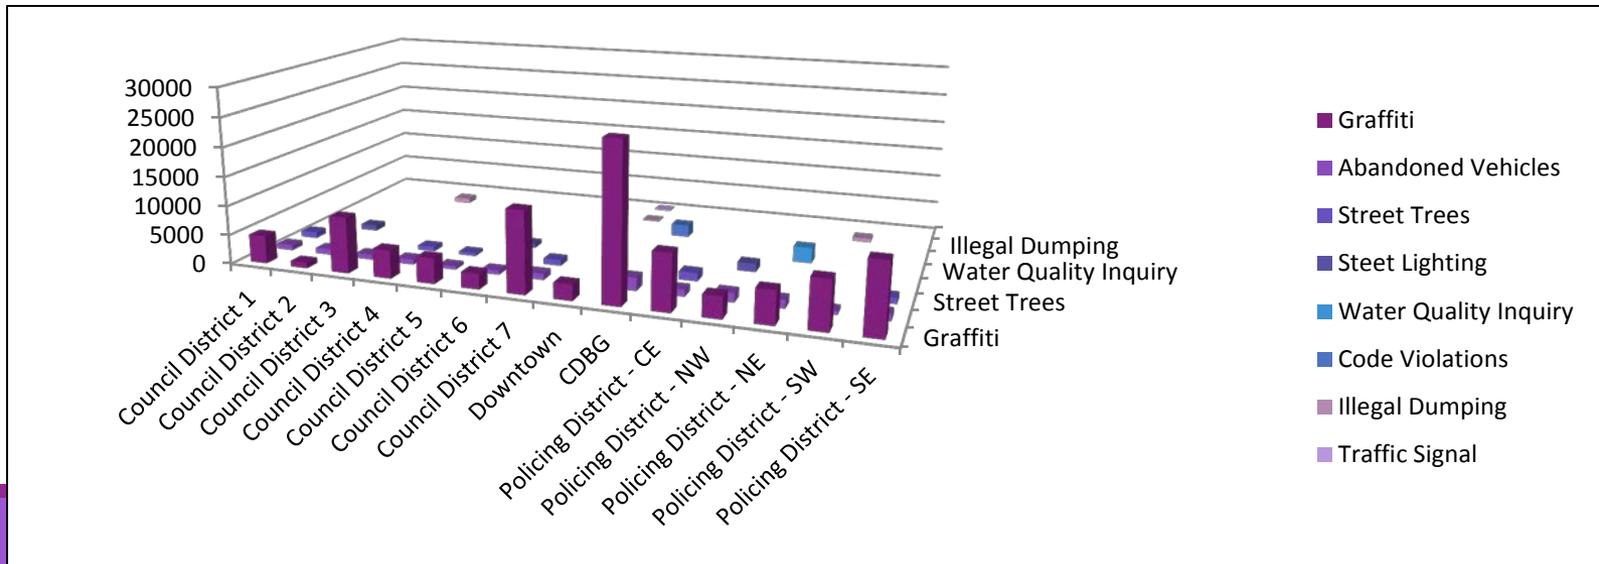

Reporting

City is receiving useful data

- Track incoming request from a single repository
- Track/monitor overdue requests
- Identifying issues/resource shortages
- Track/audit service levels
- Identify trends, seasonal issues, opportunities, etc.
