BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The proposed Kid's Crossing Traffic Signal Improvements Project at Amador and Trinity and Church and Waldby Avenues will enhance the safety of both intersections for all users, including pedestrians, cyclists, and motorists who use these intersections every day by signaling both locations with complete traffic signal installations, including left-turn phasing and fully ADA-compliant audible pedestrian system (APS) with count-down heads, accessible ramps, and high-visibility crosswalks at both locations. Right-of-way acquisition, necessary for pedestrian infrastructure improvements, was completed by city staff.

This project is funded through with ATP grant funding and SB1 Road Maintenance and Rehabilitation Account (RMRA) revenue. There will be no impact to the General Fund.
