Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, March 31, 2025 5:00 P.M.

The Engineer's Estimate/Budget Allocation for this expenditure is \$2,245,901. The contract price is 21.7% above the Engineer's Estimate/Budget Allocation. If the overage is greater than 10% or only one bid was received, give explanation: The project received six bids and all six bids were above the Engineer's Estimate. The bid evaluation results highlighted that the majority of the bid amounts were within 10% an acceptable range. Furthermore, the construction industry is also experiencing significant cost increases for material and labor. Given the current bid results and the current market conditions, staff is recommending awarding the project since re-advertising the project will yield similar bid results while also delaying construction.

**BACKGROUND OF PROJECT** (To be completed by Evaluating Department/Division. Explain need for project/equipment): The project North Blackstone Overlay Minarets to Ness has pavement areas in need of repair. The project will rehabilitate existing pavement conditions with a .24' to .40' grind and overlay and fully reconstruct portions of the roadway. It will also support complete streets goals by reconstructing curb ramps, replacing an existing asphalt pathway with concrete sidewalk, installing a 7' Class II bike lane with striped buffers, and green visibility striping through conflict zones.

**DEPARTMENT CONCLUSIONS AND RECOMMENDATION:**

☒ Award a contract in the amount of \$2,732,629.00 to Yarbs Grading and Paving, Inc., as the lowest responsive and responsible bidder.
