6.2 Tenant, on termination of this Lease, shall execute and deliver any and all deeds, bills of sale, assignments, and other documents which in Landlord's sole judgment may be necessary or appropriate to transfer, to evidence or to vest in

Landlord clear title to any of the property described in the foregoing subsection 6.1 located on the Premises at the time of such termination.

6.3 Tenant, in addition, shall deliver to Landlord on termination of this Lease originals or certified copies of any plans, reports, surveys, contracts or other items relating to the ownership or operation of the Premises.

6.4 Upon the termination of this Lease, Landlord reserves the right to require Tenant to demolish and clear the site of any buildings, structures or improvements made by Tenant, at Tenant's expense.

7. Permits, Licenses, etc. When requested by Tenant, Landlord will from time to time during the Term execute and deliver all applications for permits, licenses or other authorizations relating to the Premises required by any municipal, county, state, or Federal authorities, or required in connection with the construction, reconstruction, repair or alteration of any buildings or improvements now or hereafter constituting a part of the Premises. When requested by Tenant, Landlord will from time to time during the Term execute, acknowledge and deliver any and all instruments required to grant rights-of-way and easements in favor of municipal and other governmental authorities or public utility companies incident to the installation of water lines, fire hydrants, sewers, electricity, telephone, gas, and other facilities and utilities reasonably required for the use and occupancy of the Premises. Tenant shall reimburse Landlord for any sum paid by Landlord in respect of the matters specified in this Section 7, including reasonable attorney fees.

8. Maintenance, Repairs, Governmental Regulations and Waste.

8.1 Tenant shall, during the Term, at its own cost and expense and without any cost or expense to Landlord:

8.1.1 Assume all maintenance, security, repair, landscaping, and associated costs for the Premises. This includes but is not limited to keeping and maintaining all buildings and improvements now or hereafter located on the Premises and all appurtenances thereto in good and neat order and repair and shall allow no nuisances to exist or be maintained therein. Tenant shall likewise keep and maintain the grounds, sidewalks, roads and parking and landscaped areas on the Premises in good and neat order and repair. Landlord shall not be obligated to make any repairs, replacements or renewals of any kind, nature or description whatsoever to the Premises or any buildings or improvements now or hereafter located thereon, and Tenant hereby expressly waives all right to make repairs at Landlord's expense under sections 1941 and 1942 of the California Civil Code, or any amendments thereof; and

8.1.2 Comply with and abide by all federal, state, county, municipal and other governmental statutes, ordinances, laws and regulations, including without limitation, the Americans with Disabilities Act, affecting the Premises, all buildings and improvements now or hereafter located thereon, or any activity or condition on or in the Premises.

8.2 The Premises has not undergone inspection by a Certified Access Specialist (CASP).

8.3 Tenant agrees it will not commit or permit waste upon the Premises.

9. Improvements, Changes, Alterations, Demolition and Replacement.

9.1 Tenant shall have the right at any time and from time to time during the Term to make such improvements to the Premises and such changes and alterations, structural or otherwise, to any buildings, improvements, fixtures and equipment now or hereafter located on the Property as Tenant shall deem necessary or desirable.

9.2 Following the Effective Date, Tenant shall proceed with due diligence and dispatch to complete the construction on the Premises of the following: (i) new construction of a 120-150 space parking lot at the north end of the Premises, as indicated on Exhibit A; (ii) remove the existing backstop at the southern end of the Premises and newly construct one grass soccer field where indicated on Exhibit A, with irrigation, turf, goals, and striping; (iii) construct a walkway from the parking lot to the field and all necessary security and access fencing, gates, etc. (collectively, the "Capital Improvements"). Capital Improvements shall be valued at \$400,000, and Tenant shall complete construction of such improvements not later than one year from the Effective Date.

9.3 Any demolition activity and all improvements, changes and alterations (other than changes or alterations of movable trade fixtures and equipment, or improvements, changes or alterations involving costs less than \$10,000 shall be undertaken in all cases subject to the following additional conditions which Tenant covenants to observe and perform:

9.3.1 No improvement, change or alteration, and no demolition and replacements shall be undertaken until Tenant shall have procured and paid for, so far as the same may be required from time to time, all municipal and other governmental permits and authorizations of the various municipal departments and governmental subdivisions having jurisdiction. When requested by Tenant, Landlord agrees to join in the application for such permits or authorizations whenever such action is necessary.

9.3.2 All work done in connection with any improvement, change, alteration or demolition and replacement shall be done promptly and in a good and workmanlike manner and in compliance with all laws, ordinances, orders, rules, regulations and requirements of all Federal, state and municipal governments and the appropriate departments, commissions, boards and officers thereof. All such work shall be at the sole cost and expense of Tenant. Any improvement or repair shall be constructed by a contractor licensed and bonded by the California Contractor's State License Board. Tenant may be subject to Conditional Use Permit approval. Certain planning, land use, zoning, conditional use permits, and public actions required in connection with any Tenant improvement project may be discretionary government actions. Nothing in this Lease obligates City or any other governmental entity to grant final approval of any matter described herein. Such actions are legislative, quasi-judicial, or otherwise discretionary in nature. City shall not be liable, in law or equity, to Tenant or any of its executors, administrators, transferees, successors-in-

interest, or assigns for any failure of any governmental entity to grant approval on any matter subject to discretionary approval.

9.3.3 Tenant shall be solely responsible for determining whether payment of prevailing wage is required. Tenant shall indemnify, hold harmless, and defend (with counsel reasonably acceptable to Landlord) the Landlord against any claim for damages, compensation, fines, penalties or other amounts arising out of the failure or alleged failure of any person or entity (including Tenant, its contractors and subcontractors) to pay prevailing wages as required by law or to comply with the other applicable provisions of Labor Code Sections 1720 et seq., and the implementing regulations of the Department of Industrial Relations.

9.3.4 Tenant will notify Landlord at least seven days prior to the commencement of any construction. Landlord shall have the right to post and keep posted on the Premises, and record, a Notice of Non-responsibility. Tenant shall keep the Premises free from any and all liens and encumbrances arising out of or in any way connected with the work performed, materials furnished or obligations incurred by Tenant in connection with any alteration, addition or improvement to the Premises.

9.3.5 Tenant shall prepare a work plan and cost estimate which describes in detail and with specificity the nature, scope, location, estimated costs and purpose of all of Tenant's improvements and activities to be performed on the Premises, including, without limitation, the specific areas in which Tenant and Tenant's representatives may have access and may conduct Tenant's activities and a schedule of Tenant's activities (the "Work Plan"). The Work Plan will be submitted to Landlord for preliminary approval, care of the City Manager, 2600 Fresno Street, Fresno, California 93721. Tenant acknowledges and agrees Landlord's review of the Work Plan is solely for the purpose of protecting Landlord's interests, and shall not be deemed to create any liability of any kind on the part of Landlord, or to constitute a representation on the part of Landlord that the Work Plan is adequate or appropriate for any purpose, or complies with applicable legal requirements. Tenant and Tenant's representatives shall not commence activities associated with Tenant's improvements on the Premises without the prior written consent of Landlord to the Work Plan as set forth above, which consent shall not be unreasonably withheld. Tenant agrees and covenants all of Tenant's activities shall be performed in strict compliance to the approved Work Plan. Tenant shall not modify the Work Plan without the prior written approval of Landlord.

9.3.6 Tenant covenants and agrees Tenant shall conduct Tenant's activities in compliance with the Work Plan approved by Landlord and in such a manner so as to protect the Premises, the Property, the environment and human health and safety. Except as may be expressly provided in such Work Plan, Tenant shall not cause or permit any Hazardous Substances, as defined herein, to be brought upon, produced, stored, used, discharged or disposed of on, or in the vicinity of, the Premises. In the event Landlord determines Tenant's activities in any way endanger the Premises, the Property, the environment, or human health and safety, Landlord may, at Landlord's sole discretion, require Tenant

halt Tenant's activities until appropriate protective measures may be taken to eliminate such endangerment to Landlord's satisfaction. Tenant shall hold Landlord harmless for any claims in any way resulting from any delay under this section. Landlord's right to halt activities under this section shall not in any way alter or affect Tenant's insurance or indemnity obligations under this Lease, nor shall it relieve Tenant from any of Tenant's obligations hereunder that pertain to health, safety, or the protection of the environment.

9.3.7 Landlord reserves the right to restrict access to the Premises in the event of fire, earthquake, storm, riot, civil disturbance, or other casualty or emergency, or in connection with City's response thereto, or if emergency repairs or maintenance are required to City facilities within or in the vicinity of the Premises, or otherwise when Landlord deems it advisable to do so.

9.4 If construction of the Capital Improvements is not completed within one year of the Effective Date, Landlord reserves the right to reenter the Premises, so long as Tenant is compensated for the fair market value of improvements that have been completed. Landlord reserves the right to demolish incomplete improvements at Tenant's expense, rather than completing construction of improvements.

9.5 Tenant is prohibited from demolishing or removing any improvements without the prior written consent of Landlord.

9.6 Construction of all improvements shall be done in such a manner as to reduce interference to the Property and other licensees on the Property.

10. Damage or Destruction. No loss or damage by fire or other cause required to be insured against hereunder resulting in either partial or total destruction of any building, structure, or other improvement on the Property, shall operate to terminate this Lease, or to relieve or discharge Tenant and/or Landlord from the payment of rents or amounts payable as rent as they become due and payable, or from the performance and observance of any of the agreements, covenants and conditions herein contained on the part of Tenant and/or Landlord to be performed and observed. Tenant and Landlord hereby waive the provisions of subsection 2 of section 1932 and subsection 4 of section 1933 of the California Civil Code, as amended from time to time.

11. Assignment and Subletting. Tenant shall not assign its interest under this Lease, or sublet any portion of the Premises, without the prior written consent of Landlord.

12. Insurance.

12.1 Throughout the life of this Lease, Tenant and each of its contractors and subcontractors shall pay for and maintain in full force and effect all insurance as required in the attached Exhibit "B" or as may be authorized or required in writing by Landlord's Risk Manager or his/her designee at any time and in his/her sole discretion.

12.2 If at any time during the life of this Lease or any extension, Tenant or any of its contractors or subcontractors fail to maintain any required insurance in full force and effect, all Tenant's activities under this Lease shall be discontinued immediately, until notice is received by Landlord that the required insurance has been restored to full force and effect and that the premiums therefor have been paid for a period satisfactory to Landlord. Any failure to maintain the required insurance shall be sufficient cause for

Landlord to terminate this Lease. No action taken by Landlord pursuant to this section shall in any way relieve Tenant of its responsibilities under this Lease. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by Landlord that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating insurer is insolvent.

12.3 The fact that insurance is obtained by Tenant shall not be deemed to release or diminish the liability of Tenant, including, without limitation, liability under the indemnity provisions of this Lease. The duty to indemnify indemnitees (as defined in this Lease) shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Tenant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Tenant, or its contractors or subcontractors.

12.4 Upon request of Landlord, Tenant shall immediately furnish Landlord with a complete copy of any insurance policy required under this Lease, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Lease.

12.5 Tenant is also responsible for the compliance of Tenant's consultants, contractors and subcontractors with the insurance requirements in this section, except any required certificates and applicable endorsements shall be on file with Tenant and Landlord prior to the commencement of any work or services by the respective contractor or subcontractor.

13. Mechanics' and Other Liens. Tenant shall promptly discharge or remove by bond or otherwise prior to foreclosure thereof any and all mechanics', materialmen's and other liens for work or labor done, services performed, materials, appliances, teams or power contributed, used or furnished to be used in or about the Premises for or in connection with any operations of Tenant, any alterations, improvements, repairs or additions which Tenant may make or permit or cause to be made, or any work or construction by, for or permitted by Tenant on or about the Premises, and to save and hold Landlord and all of the Premises and all buildings and improvements thereon free and harmless of and from any and all such liens and claims of liens and suits or other proceedings pertaining thereto. Tenant covenants and agrees to give Landlord written notice not less than twenty days in advance of the commencement of any construction, alteration, addition, improvement or repair costing in excess of \$25,000 in order that Landlord may post appropriate notices of Landlord's non-responsibility.

14. Indemnity.

14.1 To the furthest extent allowed by law, Tenant shall indemnify, hold harmless and defend Landlord and its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage, including damage by fire or other casualty) incurred by Landlord, Tenant or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation

expenses), arising or alleged to have arisen directly or indirectly out of Tenant's: (i) occupancy, maintenance, use, renovation and/or improvement of the Property; or (ii) performance of, or failure to perform, this Lease. Tenant's obligations under the preceding sentence shall not apply to the active negligence of Landlord, and shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused by the sole negligence or willful misconduct, of Landlord.

14.2 If Tenant should contract any work on the Property or subcontract any of its obligations under this Lease, Tenant shall require each consultant, contractor and subcontractor to indemnify, hold harmless and defend Landlord and its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

14.3 Tenant's occupancy, maintenance, use, renovation and improvement of the Property shall be at Tenant's sole risk and expense. Tenant accepts all risk relating to Tenant's: (i) occupancy, maintenance, use, renovation and/or improvement of the Property; and (ii) the performance of, or failure to perform, this Lease. Landlord shall not be liable to Tenant or Tenant's insurer(s) for, and Tenant and his insurer(s) hereby waives and releases Landlord from, any and all loss, liability, fines, penalties, forfeitures, costs or damages resulting from or attributable to an occurrence on or about the Property in any way related to the Tenant's operations and activities. Tenant shall immediately notify Landlord of any occurrence on the Property resulting in injury or death to any person or damage to property of any person.

14.4 The provisions of this Section shall survive the expiration or termination of this Lease.

15. Eminent Domain.

15.1 If the whole of the Premises should be taken by any public or quasi-public authority under the power or threat of eminent domain during the Term, or if a substantial portion of the Premises should be taken so as to materially impair the use of the Premises contemplated by Tenant, and thereby frustrate Tenant's purpose in entering into this Lease, then, in either of such events, this Lease shall terminate at the time of such taking. In such event, of the compensation and damages payable for or on account of the Property, exclusive of the buildings and improvements thereon, Tenant shall receive a sum equal to the worth at the time of the compensation award of the amount by which the fair rental value of the Premises exceeds the rental payable pursuant to the terms of this Lease for the balance of the Term; the balance of such compensation and damages shall be payable to and be the sole property of Landlord. All compensation and damages payable for or on account of the buildings and improvements located on the Property and constituting a part of the Premises shall be divided among Landlord and Tenant as follows:

15.1.1 All compensation and damages payable for or on account of buildings and improvements having a remaining useful life less than the remaining Term as of the date of such taking shall be payable to and be the sole property of Tenant; and

15.1.2 A proportionate share of all compensation and damages payable for or on account of buildings and improvements having a remaining useful life greater than the remaining Term as of the date of such taking, determined by the ratio that the then remaining Term bears to the then remaining useful life of such buildings and improvements, shall be payable to and be the sole property of Tenant, and the remaining share thereof shall be payable to and be the sole property of Landlord.

15.2 If less than the whole of the Premises should be taken by any public or quasi-public authority under the power or threat of eminent domain during the Term and this Lease is not terminated as provided in subsection (15.1) above, Tenant shall promptly reconstruct and restore the Premises, with respect to the portion of the Premises not so taken, as an integral unit of the same quality and character as existed prior to such taking. The Minimum Rent payable by Tenant following such taking shall be equitably reduced by agreement of Landlord and Tenant in accordance with the reduced economic return to Tenant, if any, which will occur by reason of such taking. The compensation and damages payable for, or on account of, such taking shall be applied to the reconstruction and restoration of the Premises by Tenant pursuant to this subsection (15.2) by application, first, of any sums payable for or on account of the buildings and improvements situated on the Property, and second, of any sums payable for or on account of the Property exclusive of such buildings and improvements. The remainder, if any, after reconstruction and restoration shall be divided among Landlord and Tenant in the manner provided in subsection (15.1) above.

15.3 No taking of any leasehold interest in the Premises or any part thereof shall terminate or give Tenant the right to surrender this Lease, nor excuse Tenant from full performance of its covenants for the payment of rent and other charges or any other obligations hereunder capable of performance by Tenant after any such taking, but in such case all compensation and damages payable for or on account of such taking shall be payable to and be the sole property of Tenant.

16. Landlord's Right of Inspection. Landlord may, at any reasonable time and from time to time during the Term, enter upon the Premises for the purpose of inspecting the buildings or improvements now or hereafter located thereon and for such other purposes as may be necessary or proper for the reasonable protection of its interests.

17. Tenant's Defaults and Landlord's Remedies. It shall be an event of default hereunder (each an "Event of Default") if (i) Tenant defaults in the punctual payment of any rent or other moneys due hereunder and shall continue for a period of ten days after written notice thereof to Tenant; (ii) Tenant defaults on its obligations under the Service Agreement per the terms thereof; (iii) Tenant defaults in the performance or observance of any of the other agreements, covenants or conditions of this Lease on the part of Tenant to be performed and observed and such default shall continue for a period of thirty days after written notice thereof to Tenant, or, in the case of a default which cannot be cured by the payment of money and cannot be cured within thirty days, shall continue for an unreasonable period after such written notice; (iv) Tenant abandons the Premises; or (v) Tenant files for protection under federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against Tenant:

17.1 The right to terminate this Lease, in which event Tenant shall immediately surrender possession of the Premises, and pay to Landlord all rent and all other amounts payable by Tenant hereunder to the date of such termination;

17.2 The right to immediate repayment of the entire unearned Fee as defined in Section 3 of the Service Agreement, less the depreciated value of the Capital Improvements, which shall be valued at \$400,000 and depreciated at a rate of 1/20th per year.

17.3 The remedies described in California Civil Code Section 1951.4, including, without limitation, the right to collect, by suit or otherwise, each installment of rent or other sums that become due hereunder, or to enforce, by suit or otherwise, performance or observance of any agreement, covenant or condition hereof on the part of Tenant to be performed or observed; or

17.4 The right to cause a receiver to be appointed in any action against Tenant to take possession of the Premises or to collect the rents or profits therefrom. Neither appointment of such receiver nor any other action taken by Landlord shall constitute an election on the part of Landlord to terminate this Lease unless written notice of termination is given to Tenant.

17.5 Landlord's remedies contained in subsections 17.1 through and including 17.4 shall be subject to any stay order issued by a bankruptcy court.

18. Nonwaiver. If any action or proceeding is instituted or if any other steps are taken by Landlord or Tenant, and a compromise part payment or settlement thereof shall be made, either before or after judgment, the same shall not constitute or operate as a waiver by Landlord or Tenant of any agreement, covenant or condition of this Lease or of any subsequent breach thereof. No waiver of any default under this Lease shall constitute or operate as a waiver of any subsequent default hereunder, and no delay, failure or omission in exercising or enforcing any right, privilege, or option under this Lease shall constitute a waiver, abandonment or relinquishment thereof or prohibit or prevent any election under or enforcement or exercise of any right, privilege, or option hereunder. No waiver of any provision hereof by Landlord or Tenant shall be deemed to have been made unless and until such waiver shall have been reduced to writing and signed by Landlord or Tenant, as the case may be. The receipt by Landlord of rent with knowledge of any default under this Lease shall not constitute or operate as a waiver of such default. Payment by Tenant or receipt by Landlord of a lesser amount than the stipulated rent or other sums due Landlord shall operate only as a payment on account of such rent or other sums. No endorsement or statement on any check or other remittance or in any communication accompanying or relating to such payment shall operate as a compromise or accord and satisfaction unless the same is approved in writing by Landlord, and Landlord may accept such check, remittance or payment without prejudice to its right to recover the balance of any rent or other sums due by Tenant and pursue any remedy provided under this Lease or by law.

19. No Merger.

19.1 There shall be no merger of the leasehold estate created by this Lease with any other estate in the Premises, including the fee estate, by reason of the fact the

same person may own or hold the leasehold estate created by this Lease, or an interest in such leasehold estate, and such other estate in the Premises, including the fee estate, or any interest in such other estate.

19.2 No termination of this Lease shall cause a merger of the estates of Landlord and Tenant, unless Landlord so elects and any such termination shall, at the option of Landlord, either work a termination of any sublease in effect or act as an assignment to Landlord of Tenant's interest in any such sublease.

20. No Partnership. It is expressly understood and agreed Landlord does not, in any way or for any purpose by executing this Lease, become a partner of Tenant in the conduct of Tenant's business, or otherwise, or a joint venturer or a member of a joint enterprise with Tenant. Design, construction and site preparation for improvements and repairs at the Premises as well as ongoing operations and staffing will be at Tenant's sole cost and expense. Landlord may assist Tenant with grant opportunities which from time to time become available.

21. Covenants Run With Land.

21.1 The agreements, covenants and conditions in this Lease contained are and shall be deemed to be covenants running with the land and the reversion and shall be binding upon and shall inure to the benefit of Landlord and Tenant and their respective successors and assigns and all subsequent Landlords and Tenants respectively hereunder.

21.2 All references in this Lease to "Tenant" or "Landlord" shall be deemed to refer to and include successors and assigns of Tenant or Landlord, respectively, without specific mention of such successors or assigns.

22. Notices. Except as otherwise provided hereunder; any notice or communication to Landlord or Tenant shall be in writing and be mailed by certified mail, postage prepaid. Notices or communications shall be addressed to Landlord at:

City of Fresno
2600 Fresno Street
Fresno, California 93721
Attention: City Manager

or such other address or addresses as Landlord shall from time to time designate, or to such agent of Landlord as it may from time to time designate, by notice in writing to Tenant. Notices or communications shall be addressed to Tenant at:

Fresno, CA 93729
Attention: League President

Any notice mailed in the manner above set forth shall be deemed to have been received unless returned to the sender by the post office.

23. Limitation of Landlord's Liability. In the event of any transfer of Landlord's interest in this Lease, the Landlord herein named (and in case of any subsequent transfer, the then transferor) shall be automatically freed and relieved from and after the date of such transfer of all personal liability for the performance of any covenants or obligations on the part of Landlord contained in this Lease thereafter to be performed; provided, however, that any funds in the hands of Landlord or the then transferor at the time of such transfer, in which Tenant has an interest shall be turned over to the transferee and any amount then due and payable to Tenant by Landlord or the then transferor under any provision of this Lease shall be paid to Tenant; and provided, further, that upon any such transfer, the transferee shall expressly assume, subject to the limitations of this Section, all of the agreements, covenants and conditions in this Lease to be performed on the part of Landlord, it being intended hereby that the covenants and obligations contained in this Lease on the part of Landlord shall, subject as aforesaid, be binding on each Landlord, its successors and assigns, only during its period of ownership.

24. Holding Over. This Lease shall terminate without further notice upon the expiration of the Term, and any holding over by Tenant after the expiration of the Term shall not constitute a renewal hereof or give Tenant any rights hereunder or in or to the Premises, except as otherwise herein provided, it being understood and agreed that this Lease cannot be renewed, extended or in any manner modified except in writing signed by Landlord and Tenant.

25. Severability. In case any one or more of the provisions contained in this Lease shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Lease, but this Lease shall be construed as if such invalid, illegal, or unenforceable provisions had not been contained herein.

26. Time of the Essence. Time is of the essence of each and all of the agreements, covenants, and conditions of this Lease.

27. Attorney Fees. In the event of any action or proceeding at law or in equity between Landlord and Tenant to enforce any provision of this Lease or to protect or establish any right or remedy of either party hereunder, the unsuccessful party to such litigation shall pay to the prevailing party all costs and expenses, including reasonable attorney fees, incurred therein by such prevailing party, and if such prevailing party shall recover judgment in any such action or proceeding, such costs, expenses and attorney fees shall be included in and as a part of such judgment.

28. Integration. This instrument constitutes the entire agreement between Landlord and Tenant with respect to the subject matter hereof and supersedes all prior offers and negotiations, oral or written. This Lease may not be amended or modified in any respect whatsoever except by an instrument in writing signed by Landlord and Tenant.

29. Amendments. This Lease may be modified only in writing and only if signed by the parties at the time of the modification.

1. MINIMUM SCOPE OF INSURANCE

Coverage shall be at least as broad as:

The Commercial General Liability policy shall be written on an occurrence form and shall provide coverage for "bodily injury," "property damage" and "personal and advertising injury" with coverage for premises and operations (including the use of owned and non-owned equipment), products and completed operations, and contractual liability (including, without limitation, indemnity obligations under the Agreement) with limits of liability not less than those set forth under "Minimum Limits of Insurance."
2. Professional Liability (Errors and Omissions) insurance appropriate to RPLL's profession. Architect's and engineer's coverage is to be endorsed to include contractual liability.

MINIMUM LIMITS OF INSURANCE

RPLL, or any party the RPLL subcontracts with, shall maintain limits of liability of not less than those set forth below. However, insurance limits available to CITY, its officers, officials, employees, agents and volunteers as additional insureds, shall be the greater of the minimum limits specified herein or the full limit of any insurance proceeds available to the named insured:

1. COMMERCIAL GENERAL LIABILITY:

- (i) \$1,000,000 per occurrence for bodily injury and property damage;
- (ii) \$1,000,000 per occurrence for personal and advertising injury;
- (iii) \$2,000,000 aggregate for products and completed operations; and,
- (iv) \$2,000,000 general aggregate applying separately to the work performed under the Agreement.

2. **COMMERCIAL AUTOMOBILE LIABILITY:**

\$1,000,000 per accident for bodily injury and property damage.

OR*

3. **EMPLOYER'S LIABILITY:**

- (i) \$1,000,000 each accident for bodily injury;
- (ii) \$1,000,000 disease each employee; and,
- (iii) \$1,000,000 disease policy limit.

4. **PROFESSIONAL LIABILITY** (Errors and Omissions):

- (i) \$1,000,000 per claim/occurrence; and,
- (ii) \$2,000,000 policy aggregate.

UMBRELLA OR EXCESS INSURANCE

In the event RPLL purchases an Umbrella or Excess insurance policy(ies) to meet the "Minimum Limits of Insurance," this insurance policy(ies) shall "follow form" and afford no less coverage than the primary insurance policy(ies). In addition, such Umbrella or Excess insurance policy(ies) shall also apply on a primary and non-contributory basis for the benefit of the CITY, its officers, officials, employees, agents and volunteers.

DEDUCTIBLES AND SELF-INSURED RETENTIONS

RPLL shall be responsible for payment of any deductibles contained in any insurance policy(ies) required herein and RPLL shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared on the Certificate of Insurance, and approved by, the CITY'S Risk Manager or his/her designee. At the option of the CITY'S Risk Manager or his/her designee, either:

- (i) The insurer shall reduce or eliminate such deductibles or self-insured retentions as respects CITY, its officers, officials, employees, agents and volunteers; or
- (ii) RPLL shall provide a financial guarantee, satisfactory to CITY'S Risk Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall CITY be responsible for the payment of any deductibles or self-insured retentions.

OTHER INSURANCE PROVISIONS/ENDORSEMENTS

If the *Professional Liability (Errors and Omissions) insurance policy* is written on a claims-made form:

1. The retroactive date must be shown, and must be before the effective date of the Agreement or the commencement of work by RPLL.
2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the Agreement work or termination of the Agreement, whichever occurs first, or, in the alternative, the policy shall be endorsed to provide not less than a five (5) year discovery period.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement or the commencement of work by RPLL, RPLL must purchase "extended reporting" coverage for a minimum of five (5) years after completion of the Agreement work or termination of the Agreement, whichever occurs first.
4. A copy of the claims reporting requirements must be submitted to CITY for review.
5. These requirements shall survive expiration or termination of the Agreement.

All policies of insurance required herein shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after thirty (30) calendar days written notice by certified mail, return receipt requested, has been given to CITY. RPLL is also responsible for providing written notice to the CITY under the same terms and conditions. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, RPLL shall furnish CITY with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for CITY, RPLL shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than fifteen (15) calendar days prior to the expiration date of the expiring policy.

VERIFICATION OF COVERAGE

RPLL shall furnish CITY with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the CITY'S Risk Manager or his/her designee prior to CITY'S execution of the Agreement and before work commences. All non-ISO endorsements amending policy coverage shall be executed by a licensed and authorized agent or

broker. Upon request of CITY, RPLL shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.
