Briefly explain why are you interested in serving on this board or commission?

Request to serve one more year. As a liaison between brokers, developers, legal teams, municipalities, architects, construction team, and the public, seeing our community prosper and our Historic resources are preserved and adaptively reused is a big deal to me. Fresno has a wonderfully vast history in which future generations need to know. I am passionate about my family, my community, and making a positive difference in the lives of others....and continuing on in my Commission duties, should Council allow. Additionally, I own a side small business, amongst many of these great resources and area districts.

Educational background, Schools Attended, Degrees and Certifications

Clovis High Graduate, a Biblical Studies degree at California Christian College, and I am a US Green Building Council LEED Accredited Professional (LEED AP BD+C), Program Manager and Client Sector Lead for CEI Engineering with 24 years of experience of land development.

The Board Members in the designed positions must disclose their financial interests as specified in the agency's conflict of interest code.

I agree that I have read the above and agree to file a Statement of Economic Interest Form should I be appointed to a Board, Commission, or similar body according to the adopted resolution.
