Conditional Use Permit Application No. P19-05984

Planner: Phillip Siegrist 559-621-8061

PROJECT DESCRIPTION

Conditional Use Permit Application No. P19-05984 was filed by Ken Vang, of Vang Incorporated Consulting Engineers, on behalf of Sterling Hartel Development Inc., and pertains to approximately ±0.34 acres of property located at 7995 North Cedar Avenue, located on the southwest corner of North Cedar and East Nees Avenues. Approval of this special permit authorizes an upgrade from an existing State of California Alcoholic Beverage Control (ABC) Type 20 alcohol license (Off-Sale Beer & Wine [Package Store] – sale of beer and wine for consumption on off the premises where sold) to a Type 21 alcohol license (Off-Sale General [Package Store] – sale of beer, wine, and distilled spirits for consumption on the licensed premises) for the existing Johnny Quik Food Store and Gas Station. No physical development is proposed under this special permit application.

APN: 404-200-02

ADDRESS: 7995 N CEDAR AVE

EXHIBITS: A, F-1, F-2, and E

ZONING: CC/UGM/cz (Commercial – Community/Urban Growth Management/conditions of zoning)

PART A - ITEMS TO BE COMPLETED

The following items are required prior to commencement of land activity:

Planner to check when completed	
<input type="checkbox"/>	Development shall take place in accordance with Exhibits A, F-1, F-2, and E dated 12/19/2019. Transfer all comments and conditions on Exhibits to the corrected exhibit(s) and submit to planner at least 15 days prior to issuance of building permits.
<input type="checkbox"/>	Project shall comply with comments and/or conditions from partner commenting departments and agencies included below.

PART B - OTHER AGENCY COMMENTS AND CONDITIONS

To be checked when completed where applicable	
<input type="checkbox"/>	1. Council District Committee: <i>Vote was 3-2 in favor of approval. Concerns were brought up during meeting that this would be the only off-sale license for a convenience store north of Herndon. The Committee was concerned for the probability of a chain reaction of other convenience stores in the immediate area to follow suit in obtaining a Type 21 ABC license.</i>
<input type="checkbox"/>	2. Fire Review: <i>Approved as submitted. No appointment or initial required. Approval of this plan does not authorize or approve any omission or deviation from applicable adopted codes and adopted standards. Final approval is subject to field inspection.</i>

<input type="checkbox"/>	<p>3. Fresno County Environmental Health: <i>Recommended Conditions of Approval:</i></p> <ul style="list-style-type: none"> • <i>Should the facility undergo remodel to accommodate the sales of distilled spirits, then prior to issuance of building permits, the applicant shall submit complete food facility plans and specifications to the Fresno County Department of Public Health, Environmental Health Division, for review and approval. Contact the Consumer Food Protection Program at (559) 600-3357 for more information.</i> • <i>Prior to distilled alcohol sales, the applicant shall first obtain their upgraded license to sell distilled alcoholic beverages. Contact the California Alcoholic Beverage Control Department at (559) 225-6334 for more information.</i> • <i>The proposed project has the potential to expose nearby residents to elevated noise levels. Consideration should be given to your City's municipal code.</i>
<input type="checkbox"/>	<p>4. Police Review:</p> <p><i>Comply with the comments and conditions in the memorandum from the Fresno Police Department dated December 24, 2019.</i></p> <p><i>Applicant shall return the completed security plan to the Northeast Police District POP Officer.</i></p>
<input type="checkbox"/>	<p>5. School District:</p> <p><i>No Comment</i></p>

PART C - PLANNING DEVELOPMENT CODE STANDARDS

- 1. Density and Intensity Standards** This section is not applicable.
- 2. General Site Regulations** This section is not applicable.
- 3. Site Design** This section is not applicable.
- 4. Parking and Loading** This Section is not applicable.
- 5. Landscaping** No general landscaping requirements apply.
- 6. Facade** This section is not applicable.
- 7. Fencing** This section is not applicable.
- 8. Special Use Requirements** This section is not applicable.

Operational Requirements

The Off Sale of Alcohol Proposed in Establishment of Less Than 10,000 Sq. Ft

- a. Trash and recycling receptacles shall be provided by public entrances and exits from the building.
- b. The owner or operator shall provide for daily removal of trash, litter, and debris from premises and on all abutting sidewalks within 20 feet of the premises.
- c. The owner or operator shall remove graffiti within 48 hours.
- d. Loitering and Other Nuisance Activities. The operation of the establishment shall not result in repeated nuisance activities on the property, which may include, but are not limited to, repeated disturbances of the peace, illegal drug activity, public drunkenness, drinking in public, alcoholic beverage and tobacco sales to minors, harassment of passerby, gambling, prostitution, sale of stolen goods, public urination, theft, assaults, batteries, acts of vandalism, loitering, excessive littering, graffiti, illegal parking,

excessive loud noises (especially in the late night or early morning hours), traffic violations, curfew violations, lewd conduct, or other violations of City, State, or federal laws, especially when contributing to a proportionally high rate of police reports and arrests to the area.

e. Training. The owners and all employees of the establishment who are involved in the sale of alcoholic beverages must complete approved course(s) in training of liquor sales and handling within sixty days after approval of the Conditional Use Permit becomes final, or for employees hired after the approval of the Conditional Use Permit, within sixty days from the date of hire. To satisfy this requirement, a certified program must meet the standards of the California Coordinating Council on Responsible Beverage Service (CCC/RBS) or other certifying or licensing body designated by the State of California.

f. Compliance with Laws. The establishment must remain in compliance with all local, State, and federal laws, regulations, and orders, as well as all conditions of approval imposed on the use. This includes compliance with annual City business license fees.

g. Posting of Conditions. A copy of all conditions of approval and training requirements shall either be posted in a conspicuous and unobstructed place near the entrance, cashier counter, or customer service area of the establishment or posted in an employee area and provided upon request (e.g. via flyer or brochure) to patrons and enforcement officials.

h. Prohibited Products. The sale or distribution of one or more of the following shall be prohibited.

1. Wine in containers of less than 750 milliliters.
2. Single containers of beer, malt liquor, wine coolers, and similar alcoholic beverages not in original factory packages of four-packs or greater.
3. Distilled spirits in containers of less than 375 milliliters.
4. Paper or plastic cups in quantities less than their usual and customary packaging.

i. Additional Requirements.

1. The Director may require the applicant to submit additional information, of such type and in such form as the Director may specify, as the Director may deem relevant to the application, including, but not limited to, an operational statement, floor plans, architectural renderings, and technical studies, as appropriate.

2. The Director may refer the application to other City departments to determine whether the establishment's location will comply with building, health, zoning, and fire ordinances or other applicable ordinances or laws. City departments may conduct an inspection of the premises to determine compliance with the ordinances and other laws they administer, and may subsequently prepare reports summarizing their inspections and recommend whether to approve or deny the application based on their inspections.

3. Additional and/or security measures such as reduced hours of operation, security guards, door monitors, and burglar alarm systems may be required if harm, nuisance, or related problems are demonstrated to occur as a result of business practices or operations. This will be determined on a case-by-case basis upon review by the Police Department.

PART D - PLANNING - OTHER REQUIREMENTS

1. Development shall take place in accordance with the policies of the Fresno General plan, Woodward Park Community Plan, and with the Commercial - Community planned land use designation.
2. Development shall take place in accordance with the CC (*Commercial – Community*) zone district and all other applicable sections of the Citywide Development Code, Chapter 15 of the Fresno Municipal Code (FMC).
3. Comply with the operational statement submitted for the proposed project dated 12/19/2019.
4. Comply with all applicable mitigation measures detailed in the attached Master Environmental Impact Report (MEIR) Mitigation Monitoring Checklist for the Fresno General Plan and any applicable project specific mitigation measures contained in the environmental assessment adopted

for the project.

5. Development shall comply with all prior special permits on the property, specifically Conditional Use Permit Applications No. C-94-86 and C-7698 and any applicable conditions of zoning, (attached).
6. Property development standards and operational conditions are contained in Articles [14](#), [20](#), [23](#), [24](#) and [25](#). Any project revisions, development and operation must comply with these property development standards and operational conditions.

PART E - MISCELLANEOUS AND GENERAL NOTES AND REQUIREMENTS

Not all notes and requirements listed below are applicable to all projects.

1. Approval of this special permit may become null and void in the event that development is not completed in accordance with all the conditions and requirements imposed on this special permit, the Zoning Ordinance, and all Public Works Standards and Specifications. *This special permit is granted, and the conditions imposed, based upon the Operation Statement provided by the applicant. The Operation Statement is material to the issuance of this special permit. Unless the conditions of approval specifically require operation inconsistent with the Operation Statement, a new or revised special permit is required if the operation of this establishment changes or becomes inconsistent with the Operation Statement.* Failure to operate in accordance with the conditions and requirements imposed may result in revocation of the special permit or any other enforcement remedy available under the law. The Development and Resource Management Department shall not assume responsibility for any deletions or omissions resulting from the special permit review process or for additions or alterations to construction plans not specifically submitted and reviewed and approved pursuant to this special permit or subsequent amendments or revisions.
2. Approval of this special permit shall be considered null and void in the event of failure by the applicant and/or the authorized representative, architect, engineer, or designer to disclose and delineate all facts and information relating to the subject property and the proposed development including, but not limited to, the following:
 - a) All existing and proposed improvements including but not limited to buildings and structures, signs and their uses, trees, walls, driveways, outdoor storage, and open land use areas on the subject property and all of the preceding which are located on adjoining property and may encroach on the subject property;
 - b) All public and private easements, rights-of-way and any actual or potential prescriptive easements or uses of the subject property; and,
 - c) Existing and proposed grade differentials between the subject property and adjoining property zoned or planned for residential use.
3. No land shall be used, and no structure shall be constructed, occupied, enlarged, altered, demolished, or moved in any zoning district, except in accordance with the provisions of this Code. Specific uses of land, buildings, and structures listed as prohibited in any zoning district are hereby declared to be detrimental to the public health, safety, and welfare.
4. Development shall take place in accordance with the Standards, Specifications, and Standard Drawings of the City of Fresno Public Works Department; [Click Here](#)
5. Development shall take place in accordance with all city, county, state and federal laws and regulations.
6. Owners and persons having ownership interest in businesses operating in the City of Fresno (including leasing out any commercial or industrial property, or renting out four or more dwelling units) are required by the Fresno Municipal Code to obtain a Business Tax Certificate. Contact the City of Fresno Finance Department's Business Tax Division at (559) 621-6880 for more information. Information and an application form is available at the following website: [Click Here](#)

7. All proposed building(s) or structure(s) constructed on the property must comply with the prevailing California Building Code Standards.
8. Any building modifications and/or additions not included with this application are not approved with this special permit and would be subject to a new special permit.
9. A permit granted under this Code shall automatically expire if it is not exercised or extended within three years of its issuance. Refer to section 15-5013, Expiration of Planning Entitlements, for more information about the exercise of rights.

FENCES/WALLS, LANDSCAPING, PARKING

10. Nothing in this Development Code shall be deemed to prohibit the erection of temporary fencing around construction sites in compliance with the Building Code and other applicable provisions of the Fresno Municipal Code.
11. Future fences shall be reviewed and approved by the Development and Resource Management Department prior to installation.
12. Fences, hedges, and walls shall be maintained in good repair, including painting, if required, and shall be kept free of litter or advertising. Where hedges are used as screening, trimming or pruning shall be employed as necessary to maintain the maximum allowed height. Fences shall be maintained and shall stand upright and shall not lean.
13. All planting and other landscape elements shall be permanently maintained in good growing condition. Such maintenance shall include, where appropriate, pruning, mowing, weeding, cleaning, fertilizing, and regular watering. Wherever necessary, plantings shall be replaced with other plant materials to insure continued compliance with applicable landscaping requirements. Yards shall be maintained free of refuse, debris, rubbish, or other accumulated matter and/or materials, and shall be maintained clean. Grass shall not exceed six inches in height.
14. Trees shall be maintained by property owners to be free from physical damage or injury arising from lack of water, chemical damage, accidents, vandalism, insects, and disease. Any tree showing such damage shall be replaced with another tree.
15. No tree for which a Tree Removal Permit is required shall be removed until all conditions of the permit have been satisfied and the decision has become final. In addition, tree(s) approved for removal in conjunction with a development application shall not be removed before the issuance of a Building Permit or unless all of the conditions of approval of the development applications are satisfied.
16. The review authority shall issue a Tree Removal Permit if any of the following general criteria is met:
 - a) The tree(s) is irreparably diseased or presents a danger of falling that cannot be controlled or remedied through reasonable preservation and/or preventative procedures and practices so that the public health or safety requires its removal.
 - b) The tree(s) can potentially cause substantial damage to existing or proposed main structure(s) (e.g. dwellings, other main structures, or public infrastructure) or interfere with utility services and cannot be controlled or remedied through reasonable relocation or modification of the structure or utility services.
 - c) The retention of the tree(s) restricts the economic enjoyment of the property or creates an unusual hardship for the property owner by severely limiting the use of the property in a manner not typically experienced by owners of similarly zoned and situated properties, and the applicant has demonstrated to the satisfaction of the Review Authority that there are no reasonable alternatives to preserve the tree(s).
17. Future tenant improvements shall be reviewed and approved by the Development and Resource Management Department to ensure that adequate off-street parking is provided.

18. The number of trees required for parking lot shading are in addition to trees required elsewhere on the site as prescribed in other sections of this Code
19. Parking lots, including landscaped areas, driveways, and loading areas, shall be maintained free of refuse, debris, or other accumulated matter and shall be kept in good repair at all times.
20. A minimum number of accessible parking stalls are required for the proposed project per State of California Building Code, "Development Requirements for Handicapped Accessibility."
21. All accessible stalls shall be marked with the international symbol of spaces and a warning that vehicles in violation of Section 10-1017 of the Municipal Code shall be towed away. The international symbol and tow-away warning shall be posted conspicuously on seven-foot poles. **(Include this note on the site plan.)**
22. Applicants are encouraged to provide shared vehicle and pedestrian access between adjacent properties for convenience, safety, and efficient circulation. A joint access covenant shall be required. **(Include this note on the site plan.)**
23. All general standards of Section 15-2015 of the FMC shall apply when lighting is provided to illuminate parking, sales or display areas. **Depict all proposed lights on the site plan.**
24. Bicycle parking spaces shall be supplied according to Table 15-2429-D: Required On-Site Bicycle Parking Spaces of the Fresno Municipal Code (FMC). Each bicycle parking space shall be a minimum of 30 inches in width and eight feet in length and shall be accessible without moving another bicycle. At least 30 inches of clearance shall be provided between bicycle parking spaces and adjacent walls, poles, landscaping, street furniture, drive aisles, and pedestrian ways and at least five feet from vehicle parking spaces to allow for the maneuvering of bikes. Overhead clearance shall be a minimum of seven feet. A minimum five foot aisle between each row of bicycle parking shall be provided for bicycle maneuvering beside or between each row, when multiple rows are proposed. Bicycle parking spaces shall not encroach into pedestrian ways, landscaped areas, or other required open spaces, and shall be located proximal to structures.
25. All general provisions of Section 15-2403 of the FMC shall apply to all parking areas.

SIGNAGE

26. All future signs shall be architecturally compatible with the proposed building(s). Provide a set of drawings, with descriptive information, including, materials, design and colors to allow for a preliminary assessment of the future signage. It is recommended that you provide a copy of the signage early in the project process to allow for staff comment.
27. Signs, other than directional signs, if applicable, are not approved for installation as part of this special permit. **(Include this note on the site plan.)**
28. All proposed signs shall conform to the current sign ordinance. Applications for a sign permit and requirements for submittal are available at the Development and Resource Management Department's Public Front Counter or online at: [Click Here](#)
29. Window signs limited to the hours of operation, address, occupancy, and emergency information, subject to the following standards:
 - a) Operational windows signs shall not be mounted or placed on windows higher than the second story.
 - b) The maximum area of exempt window signage shall not exceed three square feet in area.
30. Banners, streamers, moving signs, and inflatables (including air dancers, balloons, and similar objects) are allowed subject to Temporary Use Permit approval for establishments within Non-Residential Districts. Signs of this type do not count toward total maximum sign area. No sign per this section shall be displayed for more than 30 days, and a period of 30 must lapse before displaying another sign. Signs shall not be displayed for more than 60 total days during a calendar

year.

31. Every sign displayed within the city, including exempt signs, shall be maintained in good physical condition and shall comply with adopted regulations. All defective or broken parts shall be replaced. Exposed surfaces shall be kept clean, in good repair, and painted where paint is required.

MISCELLANEOUS

32. Noise levels shall not exceed the decibel levels described in Section 15-2506 of the FMC at anytime, measured at the nearest subject property line.
33. No vibration shall be produced that is transmitted through the ground and is discernible without the aid of instruments by a reasonable person at the lot lines of the site. Vibrations from temporary construction, demolition, and vehicles that enter and leave the subject parcel (e.g., construction equipment, trains, trucks, etc.) are exempt from this standard.
34. Lights shall be placed to deflect light away from adjacent properties and public streets, and to prevent adverse interference with the normal operation or enjoyment of surrounding properties. Direct or sky-reflected glare from floodlights shall not be directed into any other property or street. Except for public street lights and stadium lights, no light, combination of lights, or activity shall cast light onto a residentially zoned property, or any property containing residential uses, exceeding one-half foot-candle.
35. No use shall be operated such that significant, direct glare, incidental to the operation of the use is visible beyond the boundaries of the lot where the use is located. Windows shall not cause glare that may disrupt adjoining properties, traffic on adjacent streets, etc. Glare or heat reflected from building materials shall be mitigated so as to not disrupt surrounding properties.
36. The address listed in the conditions of approval is the 'Official Address' given to the building. If you would like separate suite or unit numbers for a building, provide a floor plan and contact the City of Fresno Development and Resource Management Department for 'Official Addresses'. **Only those addresses assigned by the City of Fresno will be recognized as 'Official Addresses'**. The United States Post Office will only recognize addresses assigned by the City of Fresno. If a non-official address is given to a building and or/separate suites, the City of Fresno has the authority to charge a fee and have those addresses corrected. In addition, the United States Post Office will cease mail delivery to those addresses that are not 'Official Addresses'.
37. All projects, including projects that involve less than one acre of property, are required to comply with the City of Fresno's Urban Storm Water Quality Management and Discharge Control Ordinance, FMC Chapter 6, Article 7 (FMC Sections 6-701 *et seq.*)

When a project involves one acre or more of construction activity (including, but not limited to, grading) the developer is required to obtain a stormwater discharge permit for construction, with a Notice of Intent (NOI) filed **prior to** commencement of any grading construction activity. Contact the Fresno office of the California Regional Water Quality Control Board at 559-445-6281 regarding the required NOI and stormwater discharge permit. Additional information on California's construction stormwater regulation may be obtained from the Water Board via the internet:

www.waterboards.ca.gov/water_issues/programs/stormwater/construction.shtml

Helpful information for preparing and implementing stormwater pollution prevention plans may also be obtained from the California Stormwater Quality Association via its website, www.casqa.org

When a project involves specified nonresidential activities (certain commercial and industrial activities), an ongoing industrial stormwater discharge permit is also required. Contact the Fresno office of the California Regional Water Quality Control Board at 559-445-6281 to find out whether your project/business requires an industrial stormwater discharge permit, and to obtain details on

securing this permit. Additional information on industrial stormwater regulations may be obtained from the following website:

www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.shtml,

The California Stormwater Quality Association has additional information on preparing stormwater pollution prevention plans for industrial activities (www.casqa.org).

38. Screen all roof-mounted equipment from the view of public rights-of-way. **Depict all mechanical equipment on site plan and elevations.**
39. If archaeological and/or animal fossil material is encountered during project surveying, grading, excavating, or construction, work shall stop immediately. **(Include this note on the site plan.)**
40. If there are suspected human remains, the Fresno County Coroner shall be immediately contacted. If the remains or other archaeological material is possibly Native American in origin, the Native American Heritage Commission (Phone: (916) 653-4082) shall be immediately contacted, and the California Archaeological Inventory/Southern San Joaquin Valley Information Center (Phone: (805) 644-2289) shall be contacted to obtain a referral list of recognized archaeologists. An archeological assessment shall be conducted for the project, the site shall be formally recorded, and recommendations made to the City as to any further site investigation or site avoidance/preservation. **(Include this note on the site plan.)**
41. If animal fossils are uncovered, the Museum of Paleontology, U.C. Berkeley shall be contacted to obtain a referral list of recognized paleontologists. An assessment shall be conducted by a paleontologist and, if the paleontologist determines the material to be significant, it shall be preserved. **(Include this note on the site plan.)**
42. Connection to a municipal water system is required unless approved measures are included in the project conditions of approval for an alternative water supply.
43. Connection to a municipal City of Fresno sewer system is required unless approved measures are included in the project conditions for alternative wastewater treatment facilities
44. City of Fresno water and sewer connection charge obligations applicable to this project will be computed during the building construction plan check process and shall be payable at time of issuance of building permit unless other arrangements have been approved to defer such payments to a later date. For information relating to water and sewer service requirements and connection charges, contact Frank Saburit at (559) 621-8277.
45. Open street cuts are not permitted; all utility connections must be bored.
46. **CROSS-CONNECTION CONTROL.** A backflow prevention device may be required on the water service. Contact the Department of Public Utilities, Water Division (559) 621-5300 for requirements relating to approved devices, locations, testing and acceptance. This requirement must be satisfied prior to final occupancy.
47. This project was reviewed by the Fire Department only for requirements related to water supply, fire hydrants, and fire apparatus access to the building(s) on site. Review for compliance with fire and life safety requirements for the building interior and its intended use are reviewed by both the Fire Department and the Building and Safety Section of the Development and Resource Management when a submittal for building plan review is made as required by the California Building Code by the architect or engineer of record for the building.
48. Open storage (outside an enclosed building) shall be limited to vehicles, boats, recreational vehicles, and trailers. Outdoor storages areas shall be screened from public view by building façades or solid fences. At the discretion of the Review Authority, the treatment of the ground surface of the open storage area may be gravel or other materials as prescribed by the San Joaquin Valley Air Pollution Control District, the Public Works Department, the Fire Department, and the Fresno Metropolitan Flood Control District. All open storage must be depicted on the site plan and described in operational statement. If it is not, it is not allowed on the site.

49. If video surveillance cameras are required or installed, provide signs under the surveillance cameras which notify the public that the subject property is monitored by video surveillance.

FEES

(Not all fees will be applicable to all projects)

50. **NOTICE TO PROJECT APPLICANT:** In accordance with the provisions of Government Code Section 66020(d)(1), the imposition of fees, dedication, reservations or exactions for this project are subject to protest by the project applicant at the time of approval or conditional approval of the development or within 90 days after the date of imposition of fees, dedications, reservation, or exactions imposed on the development project. This notice does not apply to those fees, dedications, reservations, or exactions which were previously imposed and duly noticed; or, where no notice was previously required under the provisions of Government Code Section 66020(d)(1) in effect before January 1, 1997.
51. **CITYWIDE DEVELOPMENT IMPACT FEES**
- a) Traffic Signal Charge (FMC Section 12-4.1101 to 12-4.1103) This project shall pay its Traffic Signal Mitigation Impact Fee at the time of building permit based on the trip generation rate(s) as set forth in the latest edition of the ITE Generation Manual. Refer to the adopted Master Fee Schedule for fee rate. This fee shall be paid at time of building permit.
 - b) Fire Facilities Fee (FMC Section 12-4.901 to 12-4.906) (based on building square footage, or residential units)
 - c) Police Facilities Fee (FMC Section 12-4.801 to 12-4.806) (based on building square footage, or residential units)
 - d) Parks Facilities Fee (FMC Section 12-4.701 to 12-4.706) (based on the number of residential units)
52. **CITYWIDE REGIONAL AND NEW GROWTH MAJOR STREET IMPACT FEES (FMC Section 12-4.1006)**
- a) Street Impact Fees shall be due and payable at the time of building permit issuance unless otherwise required by State law.
 - b) Street Impact Fees will be a condition on all development entitlements granted.
 - c) New construction on vacant parcels shall be calculated on a net acreage (adjusted acre basis) of the entire property subject to the development entitlement based upon planned land use. Notwithstanding, fees shall be based upon actual land use for developments in the C-M zone district and for development projects developed inconsistent with the plan land use.
 - d) New construction on property that is partially developed, Street Impact Fees will be applied to the incremental increase proportionate to the respective floor to area ratios (25% for commercial and 40% for industrial). In no case shall anyone pay more than the amount of the total net acreage of the parcel multiplied by the applicable fee rate.
 - e) Reuse being more intensive than the original use, the developer shall be required to pay the difference between the current amount of the Street Impact Fee obligation for the old use and the current amount of the Street impact Fee obligation for the new use.
53. **FRESNO COUNTY FACILITY IMPACT FEE**
Fresno County adopted a Facilities Impact Fee, but the requirement to pay this fee was subsequently suspended by Fresno County. If the fee has been reinstated at the time of issuance of building permits for this project, or an alternative fee system has been adopted by Fresno County, proof of payment or payment of this fee will be required for issuance of building permits.
54. **REGIONAL TRANSPORTATION MITIGATION FEE (RTMF)**
Pay the RTMF fee to the Joint Powers Agency located at 2035 Tulare Street, Suite 201, Fresno, CA

93721; (559) 233-4148, ext. 200; www.fresnocog.org. Provide proof of payment or exemption prior to issuance of certificate of occupancy.

55. SCHOOL FEES

School fees must be paid, if required, prior to the issuance of building permits. Contact Central Unified School District. Provide proof of payment (or no fee required) prior to the issuance of building permits.

56. FRESNO METROPOLITAN FLOOD CONTROL DISTRICT (FMFCD) FEES

57. SEWER CONNECTION CHARGES (FMC Section 6-304(a)). The following sewer connection charges may be required and will be payable at the fee rate listed in the Master Fee Schedule at the time payment is due. New sewer connection charges adopted by the Council prior to the issuance of building permits may also be applied.

a) Lateral Sewer Charge (based on property frontage to a depth of 100')

b) Oversize Sewer Charge (based on property frontage to a depth of 100')

Effective January 9, 1999, Ordinance No. 98-97 also amended certain sewer connection charges. Fresno Municipal Code Article 15, Section 12 provides property owners the incentives and deletes certain sewer connection charges pursuant to the Simple Tiered Equity Program (STEP) and the Employment Development Program (EDP). For additional information on the STEP and EDP, contact the Department of Public Utilities, Administration Division at (559) 621-8600.

58. WATER CONNECTION CHARGES: (FMC Sections 6-507 to 6-513). The following water connection charges may be required and will be payable at the fee rate listed in the Master Fee Schedule at the time payment is due. New water connection charges adopted by the Council **prior to** issuance of building permits may also be applied.

a) Frontage Charge (based on property frontage)

b) Transmission Grid Main Charge (based on acreage)

c) Transmission Grid Main Bond Debt Services Charge (based on acreage)

d) UGM Water Supply Fee (based on living units, living unit equivalents or acreage)

e) Wellhead Treatment Fee (based on living units or living unit equivalents)

f) Recharge Fee (based on living units or living unit equivalents)

g) 1994 Bond Debt Service Charge (based on living units or living unit equivalents)

h) Service Charges (based on service size required by applicant)

i) Meter Charges (based on service need)

59. Deferment of the payment of Citywide development impact fees for Fire, Police, Parks, Streets, and Traffic Signals is available for projects located within the Downtown Priority Areas in accordance with the provisions of City of Fresno Resolutions Nos. 2009-265 and 2010-19.
