

## FIRST AMENDMENT TO AGREEMENT

THIS FIRST AMENDMENT TO AGREEMENT (Amendment) made and entered into as of this 2nd day of February, 2021, amends that certain Consultant Services Agreement entered into between the CITY OF FRESNO, a municipal corporation (City), and BKF Engineers, a California corporation (Consultant), dated January 22, 2018 (the Agreement).

### RECITALS

- A. City and Consultant entered into the Agreement for professional engineering services for the design of plans and general construction contract documents for the Mid-Town Trail, Segments 1 and 3.
- B. City has reviewed the Scope of Work associated with the Schematic Design Phase (Part 1) for both Segments 1 and 3 and has determined the need for changes to the Agreement. The Consultant's work occurred at a later date than anticipated and additional evaluation and submittals are required, resulting in increased costs.
- C. City now desires to modify the scope of work of the Agreement to address the increased project duration, additional Caltrans' Alternatives evaluation, and an increase in Consultant's rates. The City now desires to provide payment thereof in the amount of \$28,363.

### AGREEMENT

NOW, THEREFORE, in consideration of the above recitals, which recitals are contractual in nature, the mutual promises herein contained, and for other good and valuable consideration hereby acknowledge, the parties agree that the aforesaid Agreement be amended as follows:

- 1. Consultant shall provide additional services as described in **Attachment A**, attached hereto and incorporated herein by reference. Such additional services shall commence upon execution of this Amendment by both parties, and shall end upon termination of the Agreement.
- 2. Consultant's sole compensation for satisfactory performance of all services required or rendered pursuant to this Amendment shall be a total fee of \$28,363.
- 3. In the event of any conflict between the body of this Amendment and any Exhibit or Attachment hereto, the terms and conditions of the body of this Amendment shall control and take precedence over the terms and conditions expressed within the Exhibit or Attachment. Furthermore, any terms or conditions contained within any Exhibit or Attachment hereto which purport to modify the allocation of risk between the parties, provided for within the body of this Amendment, shall be null and void.
- 4. Except as otherwise provided herein, the Agreement entered into by City and Consultant, dated January 22, 2018, remains in full force and effect.
