

Grant Money For Solar Permitting

Expedite your solar permitting process! Reduce the time and resources needed to review and approve small residential solar installations in your community with money from the California Energy Commission. **Millions of dollars in grant funding** are available to all permitting jurisdictions in California for the adoption of an online, automated solar permitting platform such as SolarAPP+.

The **application window is open now** until May 1, 2023. Funding is reserved on a first-come, first-served basis while money is still available.

Program Highlights:

Quick and easy application with electronic submittal

Grants between \$40,000-\$100,000 based on population of jurisdiction

Grant activities can be reimbursed until May 1, 2027

The California Automated Permit Processing (CalAPP) Program is administered by the California Energy Commission. The program was funded with \$20 million from the California Budget Act of 2021 to support a grant program for California cities and counties to establish online solar permitting. Visit the CalAPP Program webpage at www.energy.ca.gov/calapp for more information.
