Subject: Appeal of Variance Application No. P24-01598 for the property located at 3028 South Cherry Avenue (APN: 329-190-21S)

Dear Jennier,

I hereby appeal to the Planning Commission, the Planning Director's decision on Variance Application No. P24-01598, authorizing the installation of 75' high flag pole on a 5.54 Acre parcel located at 3028 South Cherry Avenue.

I have been requested to appeal against the proposed project by the Sikh Temple Association. Nishan Sahib (same as Cross to Christians) that we are proposing for Sikh Temple (Temple same as Church) symbolizes the inherent values of the Sikh faith.

Its mandatory for all Sikh Temples. The proposed Nishan Sahib is approx. 150' from E. North Avenue and approx. 360' from S. Cherry Avenue. So, to make it more prominent, Nishan Sahib height should be sufficient from Intersection signifying the presence of the Sikh Temple in the neighborhood.

Therefore, I am appealing the Planning Director's decision.
