ADDENDUM TO ADOPT A PARK APPLICATION-Jan. 19, 2018

APPLICANT: Southeast Fresno Regional Park and Soccer Complex Joint Powers Authority (JPA).

TARGETED LOCATION: 2155 S. PEACH AVENUE, FRESNO, CA 93727.

Work to be performed under the Adopt-A-Park Program will initially concentrate on the 18 acres located on the northern segment of the site as outlined in Exhibit A. Tasks to be performed by the JPA will begin February 1, 2018 and will continue through June 30, 2019, with all work coordinated with the City of Fresno PARCS staff. During this period, City of Fresno will continue to fund existing property related expenses, including but not limited to, insurance coverage and all applicable utilities.

General Site Clean Up.

The current conditions at this site includes dry grass, weeds, trash and other debris that could cause a fire on this site which could potentially damage existing structures and/or adjacent neighboring homes. The JPA will regularly schedule monthly clean up events within the boundaries of the 49-acre site as well as adjacent streets. The JPA will be responsible for the removal of tall grass, weeds, trash and debris to ensure mitigate potential fire hazard conditions are removed from this park site.

Beginning, on February 17, 2018 through the end of March, 2018, JPA will conduct weekly JPA clean up events at the site every Saturday between the hours of 10:00 am to 2:00 pm. The JPA will conduct, at a

minimum, subsequent clean up events every month over the remaining term of this Agreement. The JPA may facilitate additional clean up events in order to ensure that the parcel(s) are clean, beautiful and in safe condition.

2. Pruning of Existing Shrubs and Trees

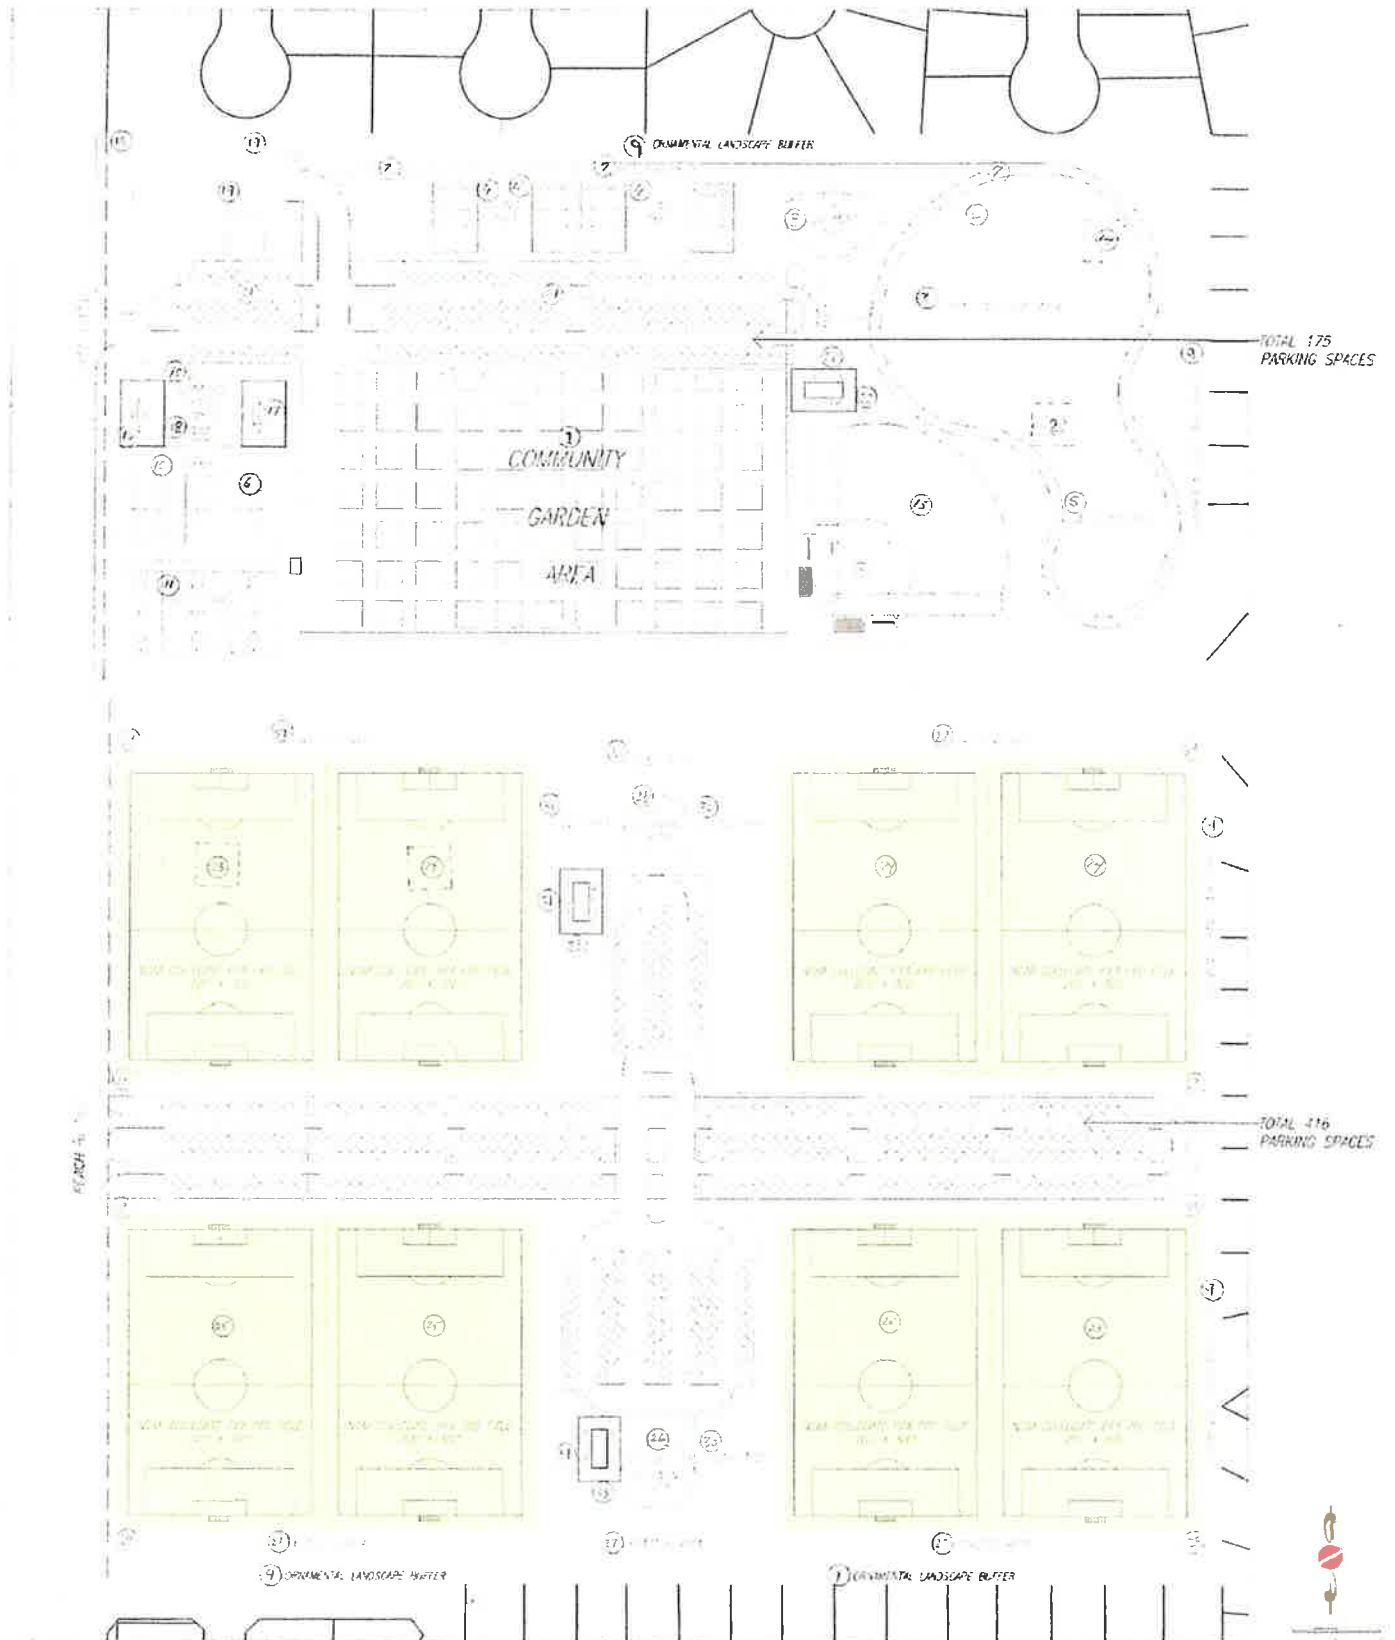

This work will be performed by a more specialized team of volunteers with pruning experience. This work will take place the same days the clean-up events are scheduled. Volunteers without pruning experience will be provided training before they can participate in any pruning work.

3. Tree Planting.

Planting of new shrubs, 120 trees and 60,000 square feet of turf as well as the installation of a new irrigation and supporting drainage systems; if so warranted. The City will provide technical support; including but not limited to, review and approval of the type of materials and plantings that will occur on the site as well as the proposed irrigation plans and installation.
