

**EVALUATION OF BID  
PROPOSALS**

FOR: REBID Fresno Rapid Rectangular Flashing Beacons

Bid File No. 12402193-1  
Bid Opening: 08/20/2024

**BIDDERS**

**TOTAL NET BID AMOUNT**

1. PTM General Engineering Services, Inc. 5942 Acorn St. Riverside, CA 92504	\$994,049.00
--	--------------

Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, September 16, 2024 5:00 P.M.

The Engineer's Estimate/Budget Allocation for this expenditure is \$405,516.00. The contract price is 145% above the Engineer's Estimate/Budget Allocation. If the overage is greater than 10% or only one bid was received, give explanation:

The project has a comparatively small construction allocation, and this is reflected in the unit pricing since economy of scale does not factor into this project. The lack of bids from prospective bidders is likely due to the small construction value of the project, despite there being significant interest in the project during advertisement as evidenced by the distribution of specifications to twenty-eight (28) perspective bidders. This is the second unsuccessful attempt to competitively bid the project.

BACKGROUND OF PROJECT: The project will provide improved pedestrian safety at three existing school crossings. In addition to the installation of RRFBs, existing pedestrian ramps, crosswalk and lane striping, signage, curb and gutter, sidewalk and lighting will be reconstructed.

The project originally advertised on 5/1/24 and received zero (0) qualified bids. It was rebid on 7/19/24 and received one (1) qualified bid.

**DEPARTMENT CONCLUSIONS AND RECOMMENDATION:**

Award a contract in the amount of \$ \_\_\_\_\_  
to \_\_\_\_\_  
as the lowest responsive and responsible bidder.

Remarks:

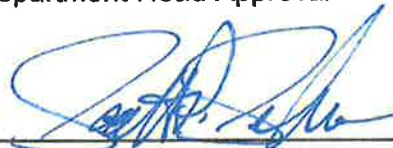

Reject all bids. Reason: Only one bid received. The lowest responsive and responsible bid is 145% over engineer's estimate.
