FRESNO CITY COLLEGE & CITY OF FRESNO POLICE DEPARTMENT

This Agreement is made and entered into between Fresno City College (FCC), a college of the State Center Community College District (SCCCD), and **Fresno Police Department (FPD)**, together known as “the parties”.

WITNESSETH

WHEREAS, FCC is authorized by the California Education Code (“Education Code”) and Title 5 of the California Code of Regulations (“Title 5”), to conduct Contract Instruction, Assessment and Counseling Services to serve community needs; and

WHEREAS **FPD** desires to contract with FCC to provide educational services to its in-service personnel as set forth herein; and

WHEREAS the parties mutually desire cooperation of the parties to provide quality instruction and training to meet community needs, as set forth herein.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and of the covenants, conditions, and promises hereinafter contained to be kept and performed by the respective parties, FCC and **FPD** mutually agree as follows:

Section 1. RESPONSIBILITIES OF FCC

- a. FCC shall offer approved courses to meet educational needs and requirements of the **FPD** in-service personnel (all class participants are in-service personnel and shall hereafter be referred to as “students”). Such courses shall be approved by **FPD**.
- b. FCC shall provide a faculty coordinator to work with **FPD**. Said faculty coordinator shall act as the **FPD** co-instructor for all FCC affiliated educational courses. Under no circumstances, however, shall the faculty coordinator have authority over the remaining operations of **FPD**, including but not limited to, personnel issues concerning **FPD** employees, operational budget, or the use, maintenance, or scheduling of **FPD** facilities.
- c. FCC and **FPD** will mutually ensure ancillary and support services are provided for the students (e.g. Counseling, Guidance, & Placement Assistance).
- d. FCC shall assist **FPD** in registration and other support services to students to adequately manage and control the college’s course offerings.
- e. FCC shall approve selection of instructors and evaluate the quality of instruction to ensure that it meets the needs of the students and the accreditation requirements of FCC. FCC shall have the primary right to control and direct the instructional activities of all instructors.
- f. FCC shall ensure that course offerings meet all appropriate requirements of the Education Code and Title 5.
- g. FCC shall consult **FPD** on any revisions to existing FCC courses designed for the **FPD** program, initiation of new courses, or any other changes, to ensure the quality of educational services and to meet the needs of **FPD**.
- h. FCC shall provide the use of its facilities and equipment free of charge for use by the **FPD** on an as-needed, space available basis for Instructional Service Agreement (ISA) partner programs. FCC shall attempt to provide use of said facilities and equipment during normal business hours.

- i. FCC shall demonstrate control and direction through such actions as: providing the instructor of record an orientation, instructor's manual, Title 5 course outlines, curriculum materials, testing and grading procedures and any other materials and services it would provide its adjunct instructors on campus.
- j. By signing this Agreement, FCC certifies it does not receive full compensation for direct education costs of the course from any public or private agency, individual or group.
- k. FCC has the primary right and responsibility to control and direct the activities of the instructors furnished by **FPD** while they are performing services under the term of this Agreement.

Section 2. RESPONSIBILITIES OF FPD

- a. **FPD** shall provide classroom space for use as off-campus sites by FCC, free of charge for Instructional Service Agreement (ISA) courses.
- b. **FPD** shall provide instructors, equipment, materials, day-to-day management support, and all other related overhead necessary to conduct FCC's ISA courses.
- c. **FPD** shall cooperate with FCC to ensure all personnel, equipment, and materials used in carrying out its responsibilities under this Agreement conform to Education Code and Title 5 mandated standards governing instructional programs, including minimum qualifications for instructors.
- d. **FPD** shall use the money received as compensation for services under this Agreement for educational and training related purposes as they relate to public safety training programs.
- e. A tuition fee of \$46/unit for all **FPD** students enrolled in ISA courses shall be deducted from the gross revenue amount.
- f. An off-site health fee of \$13 per semester will be waived if students are covered by workers' compensation insurance through their employment with **FPD**. The off-site health fee will be deducted from the gross revenue for all **FPD** students if **FPD** fails to provide evidence of workers' compensation coverage. **FPD** affirms that their workers' compensation coverage is current, active, and will be maintained throughout the term of this agreement. Prior to the commencement of each annual term of this agreement, **FPD** shall deliver to the District Representative a Certificate of Insurance evidencing workers' compensation coverage.
- g. Records of student attendance and registration shall be submitted by **FPD** to FCC regularly and then maintained by FCC. Records will always be open for review by officials of the college and submitted on a schedule developed by FCC, no later than July 1st annually (see Appendix A).
- h. By signing this Agreement, **FPD** certifies the training facility is open to the public and the instructional activities agreed upon herein will not be fully funded by other sources.

Section 3. PAYMENT FOR SERVICES

- a. In consideration of the services provided herein, FCC shall pay **FPD** 60% each academic year (July 1st through June 30th) of the state apportionment earned due to eligible instructional Full-Time Equivalent Student (FTES) hours (see Appendix B).
- b. Above hours shall not exceed 50,000 Student Instructional Hours (contact hours) per academic year during academic years when the California Community College Chancellor's Office (CCCCO) implements apportionment caps for its colleges. Notice will be provided to **FPD** no later than October 30th annually if CCCCCO apportionment caps are in place for the upcoming academic year.

c. **FPD** shall submit to FCC an invoice for all mutually agreed upon instructional FTES hours provided under this Agreement. FCC shall pay **FPD** the agreed contract price within the agreed upon timeline for the fiscal year, to be established by no later than July 1st annually (see Appendix C). Any adjustments to the fiscal year timeline must be presented a minimum of forty-five (45) days prior to the end of any given course section.

d. Instructional FTES hours are defined as those hours reported on SCCCD's CCFS-320 Report, California Community Colleges Apportionment Attendance Reports, which are subject to audit by SCCCD's independent auditor and the California Community Colleges Chancellor's Office.

Section 4. INDEMNIFICATION

a. FCC agrees to indemnify, save, hold harmless, and at **FPD** request, defend **FPD**, its officers, agents, and employees from any and all costs and expenses, damages, liabilities, claims, and losses occurring or resulting to **FPD** in connection with the performance, or failure to perform, by FCC, its officers, agents, or employees under this Agreement, and from any and all costs and expenses, damages, liabilities, claims, and losses occurring or resulting to any person, firm, or corporation who may be injured or damaged by the performance, or failure to perform, of FCC, its officers, agents, or employees under this Agreement.

b. **FPD** agrees to indemnify, save, hold harmless, and at FCC'S request, defend the FCC, its officers, agents, and employees from any and all costs and expenses, damages, liabilities, claims, and losses occurring or resulting to FCC in connection with the performance, or failure to perform, by **FPD**, its officers, agents, or employees under this Agreement, and from any and all costs and expenses, damages, liabilities, claims, and losses occurring or resulting to any person, firm, or corporation who may be injured or damaged by the performance, or failure to perform, of **FPD**, its officers, agents, or employees under this Agreement.

c. In the event of concurrent negligence on the part of FCC or any of its officers, officials, employees, agents or volunteers, and **FPD** or any of its officers, officials, employees, agents or volunteers, the liability for any and all such claims, demands and actions in law or equity for such losses, fines, penalties, forfeitures, costs and damages shall be apportioned under the State of California's theory of comparative negligence as presently established or as may be modified hereafter.

d. This section shall survive expiration or termination of this Agreement.

Section 5. INDEPENDENT CONTRACTOR

a. In performance of the work, duties, and obligations assumed by FCC under this Agreement, it is mutually understood and agreed that FCC, including all of FCC's officers, agents, and employees will always be acting and performing as an independent contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee, joint venturer, partner, or associate of **FPD**. Furthermore, **FPD** shall have no right to control or supervise or direct the manner or method by which FCC shall perform its work and function. However, **FPD** shall retain the right to administer this Agreement to verify that FCC is performing its obligations in accordance with the terms and conditions thereof.

b. FCC and **FPD** shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

c. Because of its status as an independent contractor, FCC shall have no right to employment rights and benefits available to **FPD** employees. FCC shall be solely liable and responsible for providing to, or on behalf of, its employees with all legally required employee benefits. In addition, FCC shall be solely responsible and save **FPD** harmless from all matters relating to payment of FCC's employees, including compliance with Social Security withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, FCC may be providing services to others unrelated to **FPD** or to this Agreement.

Section 6. INSURANCE

a. Each party shall insure its activities in connection with this Agreement and always maintain insurance with coverage and limit amounts reasonably necessary to protect itself against injuries and damages arising from the acts or omissions caused by each party, their respective Boards, officers, employees, and agents in the performance of this Agreement. This insurance requirement may be satisfied through a program of self-insurance, or insurance coverage afforded to public entities through a Joint Powers Authority (JPA) risk pool.

b. Without limiting the **FPD** right to obtain indemnification from FCC or any third parties, FCC, at its sole expense, shall maintain in full force and effect, the following insurance policies, or a program of self-insurance, including but not limited to, an insurance pooling arrangement or Joint Powers Agreement (JPA) throughout the term of the Agreement:

I. Commercial General Liability - Commercial General Liability Insurance with limits of not less than Two Million Dollars (\$2,000,000.00) per occurrence and an annual aggregate of Four Million Dollars (\$4,000,000.00). This policy shall be issued on a per occurrence basis. **FPD** may require specific coverages including completed operations, products liability, contractual liability, Explosion-Collapse-Underground, fire legal liability, or any other liability insurance deemed necessary because of the nature of this Agreement.

II. Automobile Liability - Comprehensive Automobile Liability Insurance with limits of not less than One Million Dollars (\$1,000,000.00) per accident for bodily injury and for property damage. Coverage should include any auto used in connection with this Agreement.

III. Professional Liability - If FCC employs licensed professional staff, (e.g., Ph.D., R.N., L.C.S.W., M.F.C.C.) in providing services, Professional Liability Insurance with limits of not less than One Million Dollars (\$1,000,000.00) per occurrence, Three Million Dollars (\$3,000,000.00) annual aggregate. FCC agrees that it shall maintain, at its sole expense, in full force and effect for a period of three (3) years following the termination of this Agreement, one or more policies of professional liability insurance with limits of coverage as specified herein.

IV. Worker's Compensation - A policy of Worker's Compensation insurance as may be required by the California Labor Code.

V. Molestation - Sexual abuse / molestation liability insurance with limits of not less than One Million Dollars (\$1,000,000.00) per occurrence, Two Million Dollars (\$2,000,000.00) annual aggregate. This policy shall be issued on a per occurrence basis.

c. Additional Requirements Relating to Insurance

FCC shall obtain endorsements to the Commercial General Liability insurance naming the **FPD**, its officers, agents, and employees, individually and collectively, as additional insured, but only insofar as the operations under this Agreement are concerned. Such coverage for additional insured shall apply as primary insurance and any other insurance, or self-insurance, maintained by **FPD**, its officers, agents, and employees shall be excess only and not contributing with insurance provided under FCC's policies herein. This insurance shall not be cancelled or changed without a minimum of thirty (30) days' advance written notice given to **FPD**.

FCC hereby waives its right to recover from **FPD**, its officers, agents, and employees any amounts paid by the policy of worker's compensation insurance required by this Agreement. FCC is solely responsible to obtain any endorsement to such policy that may be necessary to accomplish such waiver of subrogation, but FCC's waiver of subrogation under this paragraph is effective whether FCC obtains such an endorsement.

Within thirty (30) days from the date FCC signs and executes this Agreement, FCC shall provide certificates of insurance and endorsement as stated above for all of the foregoing policies, as required herein, to the **FPD**, stating that such insurance coverage have been obtained and are in full force; that the **FPD**, its officers, agents and employees will not

be responsible for any premiums on the policies; that such Commercial General Liability insurance names the **FPD**, its officers, agents and employees, individually and collectively, as additional insured, but only insofar as the operations under this Agreement are concerned; that such coverage for additional insured shall apply as primary insurance and any other insurance, or self-insurance, maintained by **FPD**, its officers, agents and employees, shall be excess only and not contributing with insurance provided under FCC's policies herein; and that this insurance shall not be cancelled or changed without a minimum of thirty (30) days advance, written notice given to **FPD**.

In the event FCC fails to always keep in effect insurance coverage as herein provided, **FPD** may, in addition to other remedies it may have, suspend or terminate this Agreement upon the occurrence of such an event.

All policies shall be issued by admitted insurers licensed to do business in the State of California, and such insurance shall be purchased from companies possessing a current A.M. Best, Inc. rating of A FSC VII or better.

Section 7. MISCELLANEOUS PROVISIONS

a. If any provisions of this Agreement are found to be, or become, contrary to applicable law or regulations, or court decisions, FCC and **FPD** agree that the Agreement shall be renegotiated as it relates to said provision, and the remainder of the Agreement shall remain in full force and effect.

b. **Term and Termination.** The term of this Agreement shall start on May 1, 2024, or upon date of full execution of the agreement if it is after May 1, 2024, and terminate on April 30, 2029. Notwithstanding the foregoing, this Agreement may be terminated at any time, with or without cause, upon written notice given to the other party at least thirty (30) days prior to the end of the term in which classes are currently in session. In the event of such termination, each party shall fully pay and discharge all obligations accruing to the other party up to and including the date of termination. Neither party shall incur any additional liability to the other by reason of such termination.

c. Either party hereto maintains the right to cancel services prior to the beginning of each course at no cost to either party to this Agreement.

d. **Nondiscrimination.** To the extent required by controlling federal, state and local law, the parties shall not employ discriminatory practices in the provision of services, course instruction, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era.

e. This Agreement supersedes all other agreements, oral or written, between the parties hereto with respect to the use of the aforesaid facilities or services and contains all covenants and agreements between the parties with respect hereto. Each party to this Agreement acknowledges that no representations, inducements, promises or agreements, oral or otherwise, have been made by any party, or by anyone acting on behalf of any parties, which are not embodied herein, and that no other agreement, statement, or promise not contained herein shall be valid or binding. Any modification to this Agreement shall be effective only if it is in writing and signed by the **FPD** and FCC in the form of an Amendment to this Agreement.

f. **Compliance with Law.** In providing the services required under this Agreement, FCC shall always comply with all applicable laws of the United States, the State of California, the County of Fresno, and with all applicable regulations promulgated by federal, state, regional, or local administrative and regulatory agencies, now in force and as they may be enacted, issued, or amended during the term of this Agreement.

g. **Governing Law and Venue.** This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, excluding, however, any conflict of laws rule which would apply the law of another jurisdiction. Venue for purposes of the filing of any action regarding the enforcement or interpretation of this Agreement and any rights and duties hereunder shall be Fresno, California.

h. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

i. No Third-Party Beneficiaries. The rights, interests, duties, and obligations defined within this Agreement are intended for the specific parties hereto as identified in the preamble of this Agreement. Notwithstanding anything stated to the contrary in this Agreement, it is not intended that any rights or interests in this Agreement benefit or flow to the interest of any third parties.

j. Attorney's Fees. If either party is required to commence any proceeding or legal action to enforce or interpret any term, covenant, or condition of this Agreement, the prevailing party in such proceeding or action shall be entitled to recover from the other party its reasonable attorney's fees and legal expenses.

k. Notice or correspondence required by this Agreement shall be delivered personally or by United States mail as follows:

Fresno City College, First Responder Campus	City of Fresno Police Department
Director Gary Fief	Lt. David Madrigal
3300 East North Avenue	2326 Fresno Street
Fresno, CA 93725	Fresno, CA 93721

l. The specific course(s) covered under this Agreement are described in the attached Appendix D and are incorporated herein by this reference.

m. FPD shall provide FCC with a request to add existing course(s) or sections with a minimum of 45 days advanced notice to FCC prior to the class start date. Each additional course of instruction shall require a written agreement to offer the course signed by **Lt. David Madrigal** or his or her designee as well as the FCC Vice President of Instruction or designee. The course details must be set forth in writing as with the course(s) listed in Appendix D and will become attachments to this Agreement.

n. Electronic Signatures – The parties agree that this Agreement may be executed by electronic signature as provided in this section. An “electronic signature” means any symbol or process intended by an individual signing this Agreement to represent their signature, including but not limited to (1) a digital signature; (2) a faxed version of an original handwritten signature; or (3) an electronically scanned and transmitted (for example, PDF document) of a handwritten signature. Each electronic signature affixed or attached to this Agreement (1) is deemed equivalent to a valid original handwritten signature of the person signing this Agreement for all purposes, including but not limited to evidentiary proof in any administrative or judicial proceeding, and (2) has the same force and effect as the valid original requirements of Civil Code section 1633.5, subdivision (b), in the Uniform Electronic Transaction Act (Civil Code, Division 3, Part 2, Title 2.5, beginning with section 1633.1). Each party using a digital signature represents that it has undertaken and satisfied the requirements of Government Code section 16.5, subdivision (a), paragraphs (1) through (5), and agrees that each other party may rely upon that representation. This Agreement is not conditioned upon the parties conducting the transactions under it by electronic means and either party may sign this Agreement with an original handwritten signature.

o. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement, binding on the parties according to its terms and conditions.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in Fresno, California to be effective upon the date of full execution of the contract.

APPENDIX B - FCC Payment Split with Agency

Police Agencies - Payment is based on the number of units completed by students taking ISA courses. Each ISA course has a unit value. Units are converted into contact hours, and contact hours are converted to FTES. One unit equals 54 contact hours, and there are 525 contact hours in one FTES.

Police Agency Example:

Total Agency Training Units	Training Units to Contact Hours	Contact Hours to FTES	FTES to Apportionment
100	$100 \times 54 = 5400$	$5400 / 525 = 10.28$	$10.28 \times (\$4840 \times 60\%) = \$29,853.12$ (gross revenue)

Units to Registration Fees	Gross Revenue – Registration Fees = Net Revenue
$100 \times \$46.00 = \$4,600$	$\$29,853.12 - \$4,600 = \$25,253.12$

The apportionment amount changes annually and is based on the state budget. The amount is available on the California Community College Chancellor's Office website.
