Fresno, CA 93730

Fresno City Planning Commission
2600 Fresno Street, Room 3065
Fresno, CA 93721

Dear Members of the Fresno City Planning Commission,

I am writing to you as a concerned homeowner at **10048 N Dearing Avenue** to express my **strong opposition** to the proposed multifamily housing project led by **Melanie Halajian of Land Development Services, Inc.**, which seeks to construct a **two-story, 48-unit apartment complex** at the northeast corner of **Chestnut and Behymer Avenues**, directly adjacent to **Kids Kare River Bluff daycare** and within a few feet of my backyard.

Our neighborhood is composed of **single-story, owner-occupied homes**, with a density of about **6–7 units per acre**. The proposed project would more than double this density to **14.9 units per acre**, disrupting the long-standing residential character and raising urgent concerns about traffic, infrastructure strain, public health, and safety.

As a directly impacted resident, my concerns are as follows:

1. Traffic Congestion and Pedestrian Safety

The addition of 48 units could result in **up to 100 additional vehicles**, significantly worsening congestion on **Chestnut Avenue**, which is already

a single-lane road heavily used by parents, students, and commuters accessing **Riverview Elementary, Clovis North High School, and Clovis Community College**. The nearby intersection is already a safety concern, and this development would only intensify the risk, particularly for young children and pedestrians.

2. **Loss of Backyard Privacy**

My home is **one of several directly behind the proposed complex**, meaning the **second-story balconies and windows** will have an **unobstructed view into our backyard**. The current landscaping plan calls for **small trees** along the border, which do **not provide adequate screening**. This will lead to a serious and irreversible loss of privacy for me and many of my neighbors.

3. **Inadequate Parking Capacity**

With only **88 parking spaces** planned, the development falls far short of the needs of 48 families. This will result in significant overflow parking on Chestnut and Behymer, worsening traffic, limiting visibility, and making street parking more difficult for current residents and visitors.

4. **Noise Pollution**

The proposed complex, with its increased density, will generate **considerable daytime and nighttime noise**—from traffic, communal activity, and parking turnover. As a nearby resident, this change will have an outsized impact on our previously quiet and peaceful environment.

5. **Overcrowding in Local Schools**

The schools serving this area are already **at or near capacity**. Additional families from the proposed development will strain existing resources, increase student-teacher ratios, and impact the quality of education for all children in the area.

6. **Health Impact from Increased Air Pollution**

Both my husband and I suffer from **chronic respiratory conditions**, and the proposed development would expose us to a higher concentration of vehicle emissions and dust from increased traffic. The health risks this presents to us—and to others with asthma, COPD, or similar conditions—are significant and unacceptable.

This is not the first time our community has come together in opposition to such a development. In **2019**, a petition opposing a similar proposal at this same

location received **support from over 272 residents (attached to this email):**

 <https://chng.it/ybF7pt6L74>

Today, our community stands united once again. A **new petition opposing the current project** is now underway and is rapidly gaining traction:

 <https://chng.it/SDBQJJNygS>

We expect this petition to receive **strong support from hundreds of residents** in the coming days, reflecting the widespread and deeply rooted concerns across District 6.

I urge you, as members of the Fresno City Planning Commission, to **reject this proposal in its current form**. We ask that any development at this location:

- Reflects the **scale and density** of the surrounding community,
- Protects our **health, privacy, and safety**,
- Ensures **adequate infrastructure and parking**, and
- Preserves the **residential character** of our neighborhood.

Thank you for your time and for listening to the concerns of those most affected by this decision.

Sincerely,

Surinder Kaur Sekhon

Homeowner

10048 N Dearing Ave

Fresno, CA 93730

VICINITY MAP

Project Area

**CITY OF FRESNO PLANNING AND DEVELOPMENT DEPARTMENT
NOTICE OF PUBLIC HEARING
PLAN AMENDMENT-REZONE APPLICATION NO. P20-00213, DEVELOPMENT PERMIT
APPLICATION NO. P22-03749, PLANNED DEVELOPMENT PERMIT APPLICATION NO. P23-
03173, AND RELATED ENVIRONMENTAL ASSESSMENT**

NOTICE IS HEREBY GIVEN that the Fresno City Planning Commission, in accordance with Sections 15-4903 and 15-5007 of the Fresno Municipal Code (FMC) and California Government Code Section 65854, will conduct a public hearing to consider the items below, filed by Melanie Halajian of Land Development Services, Inc., on behalf of B.J. Johal, pertaining to approximately 3.78 acres of property located on the west side of North Chestnut Avenue, between East Behymer and East International Avenues. At the hearing, the following will be considered:

1. **Environmental Assessment No. P20-00213/P22-03749/P23-03173** dated May 16, 2025, consideration of a Mitigated Negative Declaration of the proposed project pursuant to the California Environmental Act (CEQA) Guidelines.
2. **Plan Amendment Application No. P20-00213** consideration of a request to amend the Fresno General Plan and Woodward Park Community Plan to change the planned land use designation of the subject property from Employment – Office to Medium High Residential Density.
3. **Rezone Application No. P20-00213** consideration of a rezone of property from the O/UGM/cz (Office/Urban Growth Management/conditions of zoning) zone district to the RM-1/UGM/cz (Multi-Family Residential, Medium High Density/Urban Growth Management/conditions of zoning) zone district.
4. **Development Permit Application No. P22-03749** consideration of the construction of a 48-unit private multi-family residential development.
5. **Planned Development Permit Application No. P23-03173** consideration of the modification of development standards of the RM-1 zone district to allow for a reduced parking setback from back of sidewalk.

FRESNO CITY PLANNING COMMISSION

Date/Time: Wednesday, June 18, 2025, at 6:00 p.m. or thereafter

Place: City Hall Council Chamber, 2nd Floor, 2600 Fresno Street, Fresno, CA 93721; or, watch the live broadcast via the Zoom link located on the Planning Commission agenda found here: <https://fresno.legistar.com/Calendar.aspx>

Any interested person may also watch the meeting electronically during the public hearing through instructions provided on the Planning Commission Agenda, and present written testimony at least 24 hours in advance of the Planning Commission agenda item being heard, via e-comment or by email to PublicCommentsPlanning@fresno.gov (cc Robert.Holt@fresno.gov). All documents to be submitted to the Planning Commission for its consideration prior to or at the hearing shall be submitted to the Planning Commission at least 24 hours prior to the Commission agenda item being heard pursuant to the Planning Commission rules and procedures.

If you challenge the above applications in court, you may be limited to raising only those issues you, or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Development Services Division of the Planning and Development Department and/or Planning Commission at, or prior to, the public hearing. The Planning Commission action on the proposed above applications will be considered by the City Council.

This public hearing notice is being sent to surrounding property owners within 1,000 feet of the project site pursuant to the requirements of FMC Section 15-5007. All documents related to this project are available for public review at the Planning and Development Department at the address listed below or electronic copies may be requested by contacting the Planner at the number listed below. Documents are available for viewing at City Hall during normal business hours (Monday-Friday, 8 a.m.-5 p.m.) by appointment only. **Please contact the Planner listed below via e-mail or by phone to request electronic copies or schedule an appointment to view documents.**

For additional information, contact **Rob Holt**, Planning and Development Department, by telephone at (559) 621-8056, or via e-mail at Robert.Holt@fresno.gov. **Si necesita información en Español, comuníquese con Valeria Ramirez al teléfono (559) 621-8046.**

Subject: Public hearing rezoning of property on Chestnut between Behymer and International Ave
Date: Tuesday, June 17, 2025 3:16:24 PM

External Email: Use caution with links and attachments

Hello- I'm asking that the committee consider the fact that the apartment complex would NOT have enough parking spaces for the complex and there is NO street parking. Also, please consider that Clovis North High School and Granite Ridge students use Chestnut to travel to school. It is very chaotic in the mornings and after school on Chestnut as it is. Also, in the opposite corner of the apartment complex is an elementary school. When there are events at the school, families are parking along Chestnut and Behymer. Imagine the chaos.

In addition, when residents turn into the apartment complex, they would HOLD UP the traffic as cars would have to yield to oncoming traffic. From experience, teenage drivers don't have the patience to wait and some fly through the elementary parking lot to get around other cars waiting at the red light already.

Please take the parking and traffic in consideration when thinking of rezoning this property. I urge you to physically go out and see the traffic 7:30-8:10am and 2:30-3:30pm when school is back in session in August.

Thank you for your time.

Alison Liu
