Briefly explain why are you interested in serving on this board or commission?

Hello, I, Julie Federico, am an administrator/Director of Education at Federico College, Inc. which has been located here in the Valley for 78 years. Although my background is largely education-related, it is also very preservation-related. I majored in Archaeology at UC Berkeley in 2000, and participated in many internships and paid positions at this time. After graduation, I went directly to Oregon State University for a Master's in Historical Archaeology. Since then I have had several full-time and seasonal jobs in archaeology and preservation. My background is definitely filled with much schooling and work in managing historical register properties, at the national, state, and local levels. I already have a great job that I have been working at for a very long time, however, I also feel like something is missing--historic preservation. I love Fresno's history and want to preserve what should be preserved for many generations to come. I also believe in creating one-Fresno, which is the vision of Mayor Dyer.

Educational background, Schools Attended, Degrees and Certifications

1992-1996 San Joaquin Memorial High School Diploma, 1996-2000 UC Berkeley Bachelor of Arts Archaeology, 2000-2004 Oregon State University Mater's in Historical Archaeology, Physical Anthropology, and Adult Education. Plus more graduate studies in Education.

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

I am very qualified for several reasons to serve as a Historic Preservation Commissioner. First of all, I have a lot of experience with the National, California, and Fresno Registers of Historic Places. I am used to voting extensively in all elections. I love being present at the meetings in person whenever possible. I know a lot, and am continuing to learn about Fresno's fantastic history. I know one of the commissioners, Christopher Rocha, and he has noted that my enthusiasm and passion for Fresno History would be well-suited for the Historical Preservation Commission. I get along with all types of people, and enjoy coming together for the common good. I love educating the public and future generations on Fresno's history. I have known Karana Drayton for quite a few years now, and we share a common love for historic preservation and our undergraduate institutions--UC Berkeley. I have volunteered with the Fresno Historical Society and loved it. I am very passionate and excited about working with Fresno's History and other people who share my love of history.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?

Yes No

Question applies to multiple boards

I declare under penalty of perjury the above information is true and correct.

Yes No

Question applies to multiple boards

The Political Reform Act of 1974 prohibits public officials from using their official positions to influence governmental decisions in which they have a financial interest. The Board Members in the designed positions must disclose their financial interests as specified in the agency's conflict of interest code.

I agree that I have read the above and agree to file a Statement of Economic Interest Form should I be appointed to a Board, Commission, or similar body according to the adopted resolution.

I Agree

Julie Federico

Objective

To be a Commissioner for the Historic Preservation Commission here in Fresno, CA.
