## 2.0 INTRODUCTION AND BACKGROUND

### 2.01 INTRODUCTION

Oregon State University (OSU) Procurement and Contract Services (PaCS) is seeking Responsive Responsible Proposers to submit Proposals for the provision of Office and Educational Supplies for all OSU on-campus and off-campus departments and locations. OSU will consider all Proposals and award Contract(s) to the Proposer(s) who best meet(s) the requirements, qualifications and needs of OSU as determined through the evaluation process. OSU may make single or multiple Contract awards as deemed to be in the best interest of OSU as deemed by OSU.

The initial term of the expected contract will be for 1 year, with potential renewals not to exceed a 12 year total service timeframe. The initial contract term is anticipated to begin on September 1, 2011.

### 2.02 BACKGROUND:

OSU competitively solicited for a stockless office supply program in 2002 and awarded contracts to two Contractors. Both contracts are due to expire in August, 2011 and the Contract(s) resulting from this RFP will replace the existing contracts upon the date of final contract signature, but no later than date of the current contract expiration.

The contracts are non-mandated and departments may choose any vendor for office supplies, however the contracts are heavily used due to the aggressive pricing and next-day delivery.

Historically most departmental personnel order office supplies utilizing an on-line ordering tool on the Contractor(s) website which displays OSU contract pricing. Delivery is next-day and provided Monday through Friday during normal business hours of 8:00 AM – 5:00 PM.

The current Stockless Office Supply Program has averaged over \$6,000,000 in purchases annually over the last 3 calendar years (January 1 – December 31). Annual expenditures include both purchase volumes from OSU and other public agencies throughout the state of Oregon. This figure is given only as a guideline for preparing an offer and should not be construed as representing actual or guaranteed purchases under any new contract.

The historical category breakout is displayed below:

OFFICE SUPPLIES	PAPER	TONER/INK	FURNITURE	TECHNOLOGY	K-12
34%	27%	22%	5%	4%	8%

### 2.03 OREGON STATE UNIVERSITY:

Founded in 1868, Oregon State University is a comprehensive, research-extensive, public university located in Corvallis. OSU is a member of the Oregon University System and one of only two American universities to hold the Land Grant, Sea Grant, Space Grant and Sun Grant designations. OSU is also the only Oregon institution to hold the Carnegie Foundation's top ranking for research universities, a recognition of the depth and quality of OSU's graduate education and research programs.

Through its centers, institutes, Extension offices and Experiment Stations, OSU has a presence in almost every one of Oregon's 36 counties, including its main campus in Corvallis, the Hatfield Marine Sciences Center in Newport and OSU-Cascades Campus in Bend. OSU offers undergraduate, master's and doctoral degrees through 12 academic colleges enrolling more than 20,000 students from every county in Oregon, every state in the country and more than 90 nations.

**3.0 SAMPLE CONTRACT/SCOPE OF WORK**

**3.01 SAMPLE CONTRACT:**

A sample Contract containing the statement of work and contractual terms and conditions is included at Attachment A.

**4.0 PROPOSER QUALIFICATIONS**

**4.01 MINIMUM QUALIFICATIONS:**

In order to qualify as a Responsive Proposer, the Proposer needs to meet the minimum qualifications below. After verification that the minimum qualifications have been met, OSU will award points based on the level of the Proposer's qualifications.

- i. Experience in providing office and educational supplies to multiple facilities on a statewide basis.
- ii. At least ten (10) years experience as an office supply company or in lieu of ten (10) years experience Proposer must show documented proof of providing service to similarly diverse customers. Capable of providing delivery within 24 hours from time of order, Monday – Friday 8:00 a.m. – 5:00pm.
- iii. Online ordering tool which can be customized and uploaded with contract pricing
- iv. Live customer service assistance during normal business hours

**4.02 PREFERRED QUALIFICATIONS:**

OSU will award additional points for Proposers able to meet the preferred qualifications below.

- i. Provide a customized online ordering tool to allow Core items to be the primary display when accessing Contractor's web based ordering portal as well as the primary search display when generic search terms are input, i.e. pens, pencils, etc. This specialized catalog will display and then allow a link exit to the general catalog if the desired items are not displayed.
- ii. Online ordering tool with the capability of allowing multiple shoppers to add to a single cart and then one authorizer to approve the entire cart for order processing.
- iii. Same day delivery
- iv. OSU in-store purchase program with the ability to charge directly to departmental index and account codes, after verification of user's qualifications as OSU staff, to qualify for the Auto Pay program.
- v. Pricing equivalent or lower than best pricing offered through retail advertisements.
- vi. Provide an additional quantity discount for one time delivery of large single orders.
- vii. Toner cartridge recycling program.

Terms and conditions within the sample contract that are unrelated to the statement of work or Contract price may be negotiated after award, but before legal sufficiency review or execution of the Contract.

### 6.03 EVALUATION CRITERIA:

Points will be given in each criteria and a total score will be determined. The maximum points available for each criteria are identified below.

<u>Evaluation Criteria:</u>	<u>Points:</u>
Proposal relative to the requirements outlined in the sample contract	40
Proposers qualifications relative to the minimum qualifications	20
Proposers qualifications relative to the preferred qualifications	10
Price of the goods or services (based on category analysis)*	30
<b>Total</b>	<b>100</b>

\* Price category analysis: Pricing will be evaluated for total overall cost. Section 2.02 outlines 6 categories of goods with the corresponding percentage of the average annual Office and Supply spend. This percentage will be multiplied by the average annual spend of \$6,000,000 and then multiplied by the discount quoted by the Contractor for that category. This process will be completed for each of the 6 categories and then added together to create the total overall cost. The Proposer providing the lowest total overall cost will be awarded full points allowed. The subsequent Proposers will be awarded points based on the % over the lowest total. I.e. if the lowest total is \$5,000,000 and the next proposer is at \$5,500,000, this would be a 10% differential which would decrease the points awarded by that same value or 27 points.

### 6.04 INVESTIGATION OF REFERENCES:

OSU reserves the right to investigate and to consider the references and the past performance of any Proposer with respect to such things as its performance or provision of similar goods or services, compliance with specifications and contractual obligations, and its lawful payment of suppliers, subcontractors, and workers. OSU further reserves the right to consider past performance, historical information and facts, whether gained from the Proposal, Proposer interviews, references, OSU or any other source in the evaluation process. OSU may postpone the award or execution of the Contract after the announcement of the notice of intent to award in order to complete its investigation.

### 6.01 EVALUATION:

The stages of review and evaluation are as follows:

- a. Determination of Responsiveness:
 

OSU will first review all Proposals to determine Responsiveness. Proposals that do not comply with the instructions or are incomplete may be deemed non-Responsive. b. First Stage Evaluation:

Those Proposals determined to be Responsive will be evaluated using the required submittals. Proposals will be scored based on the evaluation criteria listed below in section 6.03. Scores will be used to determine Proposer's within a competitive range. The competitive range will be made of Proposers whose individual scores, when viewed together, form a group of the highest ranked Proposers above a natural break in the scores.

OSU may award after the first stage evaluation to the highest ranked Proposer without moving on to the second stage evaluation. If this option is selected, Written notice of intent to award the Contract to the highest ranked Proposer will be provided to all Responsive Proposers.

  - Otherwise allowing Proposers to develop revised Proposals that will allow OSU to obtain the best Proposal based on the requirements set forth in this Request for Proposal.

The conditions, terms, or price of the Proposal may be altered or otherwise changed during the course of the discussions provided the changes are within the scope of the Request for Proposal. Best and final Proposals will be scored based on the evaluation criteria listed below in section 6.03.

Points awarded in the first stage evaluation will not be carried to the second stage evaluation. Contract will be awarded to the Proposer who in OSU's opinion, best meets the requirements and qualifications of the RFP and OSU's needs.

D. PRICING:

The price structure for all items, excluding Paper and Core items (as defined below), will be a discount off manufacturer's list price for each of the separate categories outlined in the Wholesaler Catalog. The discount structure is documented in Exhibit 2. Manufacturer's list price is the price listed in the Wholesaler Catalog or if the item is a generic item (e.g., private label), then the Contractor is considered the product manufacturer and their established, reasonable list price as outlined in their Vendor Specific Catalog shall be utilized. The chosen Wholesaler and Vendor Specific Catalog will serve as reference during the entire term of the Contract. Contractor shall not change the Wholesaler Catalog without prior written approval from the Contract Administrator. Any Contractor request to change catalogs must correspond with quarterly reviews and contain proof that a change in catalog will not adversely affect OSU's pricing.

Catalogs:

- Contractor shall select one of the two Wholesalers Catalogs: SP Richards or United Stationers.
- Contractor may offer its own Vendor Specific Catalog, provided the catalog contains at least 5,000 items and is offered to the Contract Administrator prior to execution of this Contract.

Contractor agrees to keep the discount offered in all categories the same throughout the term of the Contract, including any renewals. Contractor will ensure that all pricing will be verifiable and auditable from the date of the Contract award. At a minimum, the Contractor will hold the manufacturers' list price firm for the first 6 months after the Contract award. After the 6-month anniversary of the Contract award, the Contractor may submit updated price lists for review. Reviews will be done by OSU on a quarterly basis on January 1, April 1, July 1, October 1, of each calendar year. OSU has 30 days to review and approve or deny the requested price update lists and may request supporting documentation for any price changes. If Contractor is unable to provide sufficient support documentation for any price update, the update will be rejected and price profiles will remain consistent with the last contract amendment. Supporting documentation can include, but not be limited to, current list price for Wholesaler Catalog or the product manufacturers. Contractor agrees that there will be no retroactive price increases.

**Core Items:**

Core items are products that represent approximately 65% of the historic purchase volume. Core items will be discounted deeper than standard category discount profiles. The Core discount structure is documented in Exhibit 2. Core items are defined as items that have met a minimum annual spend threshold of \$5,000, or unit volume in excess of 1,000.

Contractor will submit all pricing in the following format:

- Paper and magnetic media price lists must contain the following:
  - Manufacturer part number
  - Vendor part number (if different from manufacturer part number)
  - Product description
  - Pack Configuration
  - Pack Size
  - Manufacturer's List Price
  - Discounted Price to OSU
- Electronic price lists (CD's or USB Drives) must clearly be identified/labeled to include the vendor name, effective date of pricing and date of publication. The files must be in Microsoft Excel format and placed in a plastic protective pouch.

Contractor will promptly lower the cost of any product following a reduction in the manufacturer's list price and will send notification to the Contract Administrator. Contractor's price reduction in this case will correspond to the reduction in the manufacturer's list price.

In addition to decreasing prices for the balance of the Contract term due to a change in manufacturer's list price as specified above, a Contractor may conduct sales promotions involving price reductions for a specified lesser period. A Contractor shall submit to the Contract Administrator documentation identifying the proposed (1) starting and ending dates of the promotion, (2) products involved, and (3) promotional prices compared to the then-approved prices. Promotional prices shall be available to all Approved Users, as defined below. Upon approval, the Contractor shall provide conspicuous notice of the promotion to all Approved Users.

Contractor agrees to the following additional Contract price stipulations:

- a) Pricing shall be consistent for all ordering venues, internet, phone or in store.
- b) Pricing shall be transparent to customers.
- c) Pricing shall be lower than standard retail pricing and the same or lower than retail sale pricing.
- d) Unit price for any and all Core items shall be exactly the same, regardless of the packaging configuration.
- e) Contract website and hard copy catalogs shall include both retail pricing and contract pricing.
- f) A fuel surcharge will not be established or allowed during the term of the contract.
- g) No restocking fees
- h) All pricing to be delivered – FOB Destination, prepaid.

Upon each quarterly review, non-core items in each category that have met a minimum annual spend threshold of \$5,000, or unit volume in excess of 1,000 will be added to the Core items list and the list price will be lowered immediately to the Core item discount profile. If the Contract is awarded to multiple Contractors, OSU will calculate the collective spend of items across all Contractors and evaluate against the \$ 5,000 threshold. Items will then be added to the Core list of items for all Contractors.

All OSU employees and employees of other Oregon public agencies utilizing this Contract shall be deemed "Approved Users". Approved Users may seek to negotiate additional price concessions from Contractor on purchases of any products offered under this Contract.

**E. PAPER PROGRAM:**

The pricing for paper will follow the same outline as all other items with the following exception:

Contractor may seek to adjust paper prices for the category one time in any given calendar quarter. Contractor may only request an adjustment if the RISI (Resource Information Systems Inc. Table 6 Uncoated Freesheet Papers, Std. No. 4 92 Bright Xerographic) index for such products has changed from the date of the Proposal or from the date of the last approved price adjustment, whichever is later. Price adjustments will occur only when the RICl has moved an aggregate of \$15 during the evaluation period. The time of the price adjustment notice within the quarter is at the Contractor's discretion. Contractor will submit price adjustment requests to the Contract Administrator for approval, and those approvals (if granted) will take effect no earlier than 30 days after receipt and on the first day of any given month. Price adjustments must be accompanied by supporting documentation and copies of the RICl publication documenting market movement.

**CONTRACT AMENDMENT #6  
CONTRACT # JP156810  
OFFICE AND EDUCATIONAL SUPPLIES**

This Contract Amendment #6 (this "**Amendment 6**") is made and entered into as of the 1st day of January, 2016 (the "**Amendment 6 Effective Date**"), by and between OfficeMax North America, Inc. ("**Contractor**"), and Oregon State University ("**OSU**").

**WHEREAS**, OfficeMax Incorporated and OSU entered into that certain Contract for the Purchase of Office and Educational Supplies Contract Number JP156810, dated as of January 1, 2012, as amended, and which incorporated the Oregon State University Contract for the Purchase of Classroom, Commercial/Residential, Educational Furniture, Filing Equipment, Related Products and Support Services Contract Number JF162271P (collectively, the "**Contract**"); and

**WHEREAS**, OfficeMax Incorporated assigned substantially all of its assets to its wholly-owned subsidiary, OfficeMax North America, Inc., including the Contract; and

**WHEREAS**, the parties desire to amend the Contract, on the terms and conditions as provided herein; and

**WHEREAS**, Contractor and OSU desire to grant OSU and all public sector customers and all higher education customers in the continental United States permission to use the Oregon State University's Contract for the Purchase of Office and Educational Supplies Contract Number JP156810 (the "**OSU Program**").

**NOW, THEREFORE**, in consideration of the mutual covenants set forth herein, the parties agree as follows:

1. The parties hereto agree that the Contract is amended as stated herein and that this Amendment 6 shall be incorporated into the Contract and made a part thereof.
2. OSU acknowledges that substantially all of the assets of the contract division of OfficeMax Incorporated were assigned to its wholly-owned subsidiary, OfficeMax North America, Inc., which assumed the related liabilities and responsibilities, including the Contract, and OSU hereby consents to such assignment, without affecting OSU's rights in Section 5.B., Assignment/Subcontracts/Successors.
3. Section 1.A. Contract Term is revised as follows. The Contract is extended through December 31, 2019. Thereafter, the Contract will be subject to one (1) four (4) year renewal, subject to mutual written agreement of the parties, and subject to earlier termination provisions as provided in the Contract.
4. Section 5(Q) of the Contract shall be deleted in its entirety and replaced with the following:

"5 Q. Contractor may extend the Contract to, and the Contract may be used by, all public sector and higher education customers throughout the United States ("**Participating Entity**"), and as determined by Contractor in its sole discretion, provided that each Participating Entity delivers written confirmation of its agreement to Contractor (including via email) to participate in the OSU Program under the Contract. In the event products are sold outside of the contiguous United States (including, but not limited to, Puerto Rico, Hawaii, Alaska and Canada), product assortment, pricing terms, and delivery terms available under the Contract may change and be subject to Contractor approval and agreed upon in writing by the Participating Entity (including via email)."

OSU makes no representation or warranty as to whether or not Participating Entity can use this Contract. Participating Entity is solely responsible for determining its ability to use the Contract under its rules and regulations and appropriateness of the contract to meet Participating Entity's needs. Participating Entity should be aware that the Copy, Print and Design ("CPD") program was not part of the original Request for Proposal and a competitive procurement method was not used to add this convenience commodity to this amendment. OSU is not a party to the agreement between Participating Entity and Contractor.

5. **Pricing.** Any and all references to pricing for products or services in the Contract, including, but not limited to, Section 2 D - Pricing and Exhibit II - Scope of Contractor's Services, shall be deleted in their entirety and replaced with the following:

**"ORDERING PLATFORM & PRICING."**

NOTE: Contractor and Office Depot, Inc. merged in 2013 and the combined company is operating under the name Office Depot, Inc.; Contractor is a wholly owned subsidiary of Office Depot, Inc. The parties acknowledge that as a result of the merger, Contractor is consolidating the ordering and billing platforms of the two companies into one, but that, as of the Amendment 6 Effective Date, consolidation is not yet complete, and there may be some price differences between the "Maxi Catalog" and the "BSD Catalog", including the list prices on the two platforms as described herein. Contractor shall work diligently to complete the consolidation of the ordering and billing platforms for Participating Entities. As of the Amendment 6 Effective Date, the "North Core List" and the "South Core List" are priced the same, and the "North Catalog-Match Items" and "South Catalog-Match Items" are priced the same, both subject to proportional adjustments for any differing unit of measure. OSU specifically acknowledges that similar items may be categorized differently within each system until such time as the consolidation has been completed.

OSU and those customers that are Participating Entities as of the Amendment 6 Effective Date will continue to utilize and purchase from the OfficeMax ordering system ("**Office Depot North System**"), until such time as they are transitioned to the Office Depot ordering system ("**Office Depot South System**"). The Office Depot North System will not be available to OSU or the Participating Entities after December 1, 2016; therefore, OSU and all Participating Entities purchasing from the Office Depot North System must be transitioned to the Office Depot South System no later than December 1, 2016. The exact timing of the transition prior to December 31, 2016 to the Office Depot South System will be mutually agreed upon by Contractor and each Participating Entity. Each transition will be subject to Participating Entities' ability to transition, its coordination of the transition, and completion of any actions or documentation necessary to be completed. Once a Participating Entity has been transitioned to the Office Depot South System, the Office Depot North System for the Participating Entity shall cease to be used for processing of new orders, credit lines will be removed, and the account will be shut down. Failure to provide necessary account information may result in a delay in the transition of such Participating Entity to the Office Depot South System.

Those customers that become Participating Entities following the Amendment Effective Date, will purchase from the Office Depot South System. Such new Participating Entity customers will acknowledge in writing (including via e-mail) that they will be using the Office Depot South System.

Although it was not a commodity which was part of the original Request for Proposal, the CPD program, as described in Section 9 of this Amendment 6, is a convenience category which may be utilized by Participating Entities; provided, however, Participating Entities may only do so if they are purchasing under the Office Depot South System for the products and services under the Contract.

A. **Office Depot North System.** For those ordering from the Office Depot North System, pricing shall be as follows:

1. **North Core List.** Contractor agrees to supply to OSU and Participating Entities those office products and services as set forth on **Exhibit A** attached hereto (the "**North Core List**"), at the prices set forth therein. With the exception of paper and toner/ink items, North Core List pricing will be held firm for one year from the Amendment 6 Effective Date and thereafter will be updated on an annual basis. Pricing for paper and toner/ink items on the North Core List will be held firm for ninety (90) days from the Amendment 6 Effective Date and thereafter will be updated every ninety (90) days. Contractor shall provide OSU with manufacturer documentation to verify that any price adjustments are being appropriately passed through to OSU and Participating Entities. Contractor will provide OSU with forty-five (45) days' notice of any pricing adjustments to the North Core List. In addition, the products and services on the North Core List, and the prices thereof, may be updated from time to time upon mutual written agreement between Contractor and OSU (including via e-mail).
2. **North Catalog-Match Items.** Items that are not on the Core List but which are (a) identified in Contractor's full-line office products catalog, which is published in hard copy form once per year, and updated online throughout the year, and which is in circulation at the time of the order ("**Maxi Catalog**"), and (b) identified in the primary printed catalog in use for account customers (also known as "contract" customers) of the Business Solutions Division that is in circulation at the time of the order ("**BSD Catalog**"), will be priced based on product category, at a discount from OfficeMax list price, as identified on **Exhibit B** attached hereto ("**North Catalog-Match Items**"). North Catalog-Match Items pricing will be held firm for ninety (90) days from the Amendment 6 Effective Date and thereafter will be updated every ninety (90) days. Notwithstanding anything herein to the contrary, the discounts shall not apply to (i) products in the following categories (as such categories are identified on [www.officemax.com](http://www.officemax.com): Custom Printing, Copy and Print Services, Promotional Products, Gift Cards, and Warranties; and (ii) clearance items and promotional items, including, but not limited to, Instant Savings, Coupon Savings, Mail-In Savings, and Bundled Savings (collectively, "**Excluded Categories**"). Products within categories are determined by OfficeMax in its sole discretion in accordance with its standard classifications.
3. **North Maxi Catalog Items.** Items not on the North Core List, and which are not considered North Catalog-Match Items, but which are identified in the Maxi Catalog, will be priced based on product category, at a discount from OfficeMax list price at time of order, as identified on **Exhibit C** attached hereto. Notwithstanding anything herein to the contrary, the pricing methodology set forth in this section (3) shall not apply to Excluded Categories. Pricing for Excluded Categories is set forth in section (4) below. Products within categories are determined by Contractor in its sole discretion in accordance with its standard classifications.
4. **All Other Items.** Items that are not: (i) on the North Core List; (ii) considered North Catalog-Match Items; and (iii) identified in the Maxi Catalog, shall not be subject to the discounts or pricing methodology otherwise set forth in this Contract. Rather, prices for such items, as well as Excluded Categories, will be established by Contractor in its discretion and will be presented to OSU, or the relevant Participating Entity, at the point of sale or otherwise at the time of order placement.

B. **Office Depot South System.** For those ordering from the Office Depot South System, pricing shall be as follows:

1. **South Core List.** Contractor agrees to supply to OSU and Participating Entities those office products and services as set forth on **Exhibit D** attached hereto (the

“**South Core List**”), at the prices set forth therein. With the exception of paper and toner/ink items, South Core List pricing will be held firm for one year from the Amendment 6 Effective Date and thereafter will be updated on an annual basis. Pricing for paper and toner/ink items on the South Core List will be held firm for ninety (90) days from the Amendment 6 Effective Date and thereafter will be updated every ninety (90) days. Contractor shall provide OSU with manufacturer documentation to verify that any price adjustments are being appropriately passed through to OSU and Participating Entities. Contractor will provide OSU with forty-five (45) days’ notice of any pricing adjustments to the South Core List. In addition, the products and services on the South Core List, and the prices thereof, may be updated from time to time upon mutual written agreement between Contractor and OSU (including via e-mail).

2. **South Catalog-Match Items.** Items that are not included on the South Core List, but which are identified in: (a) the Maxi Catalog; and (b) the BSD Catalog, will be priced as identified on **Exhibit E (“South Catalog-Match Items”**, and together with the North Catalog-Match Items, shall be collectively referred to herein as the “**Catalog Match-Items**”). Pricing for the South Catalog-Match Items will be updated quarterly.
3. **South BSD Catalog Items.** Items not on the South Core List, and which are not considered South Catalog-Match Items, but which are identified in the BSD Catalog, will be priced based on product category, at a discount from Office Depot list price at the time of order, as such discounts are identified on **Exhibit F** attached hereto. Notwithstanding anything herein to the contrary, the discounts set forth in **Exhibit F** shall not apply to the Excluded Categories. Pricing for Excluded Categories is set forth in subsection (4) below. Products within categories are determined by Contractor in its sole discretion in accordance with its standard classifications.
4. **All Other Items.** Items that are not: (i) on the South Core List; (ii) considered South Catalog-Match Items; and (iii) identified in the BSD Catalog, shall not be subject to the discounts or pricing methodology otherwise set forth in this Contract. Rather, prices for such items, as well as Excluded Categories, will be established by Contractor in its discretion and will be presented to OSU, or the relevant Participating Entity, at the point of sale or otherwise at the time of order placement.”
6. Contractor agrees to negotiate customized terms with the Participating Entity as necessary based upon market conditions and special Participating Entity requirements. Contractor may offer products and pricing specific to a Participating Entity or group of Participating Entities. The addition of such terms and conditions or customization of pricing shall be mutually agreeable to Contractor and Participating Entity. If the Contractor and Participating Entity are unable to agree to other terms, conditions or pricing as requested by the Participating Entity, Contractor is under no obligation to sell any goods or services to the Participating Entity. In the event Contractor and Participating Entity agree to a pricing structure that may contain any unit pricing that is lower than that being offered under the Contract, OSU agrees that such pricing is allowed to be offered to that Participating Entity only and is not required to be provided to OSU or any other Participating Entity or group of Participating Entities.
7. Any price changes made to the North Core List or to the South Core List, or the Catalog-Match Items, will be made to both platform’s pricing at the same time.
8. **Special Market Pricing Changes.** This Amendment 6 anticipates that pricing changes for all Catalog-Match Items will be reviewed and will take place in accordance with the terms and conditions set forth in section 5 of this Amendment. At the same time, the parties acknowledge that there may be periodic industry or market events that may also impact pricing. The parties

specifically acknowledge that in the event the manufacturer list price for any item in a product category increases by more than three percent (3%), measured from the date of the item's last prior price increase, Contractor will be allowed to present in writing such increase(s) to OSU for review and approval, such approval not to be unreasonably withheld, to be effective within thirty (30) days following approval thereof. When available, Contractor shall provide OSU with manufacturer list price documentation to verify that price adjustments are being appropriately passed through to OSU. Contractor reserves the right to negotiate with OSU the addition of a reasonable fuel surcharge to orders hereunder provided the price of fuel is greater than \$5.00 per gallon.

**Copy, Print and Design Products.** In order to participate in the CPD program, a Participating Entity must be utilizing the Office Depot South System for purchases of any products under the Contract. Pricing for standard CPD items can be found on **Exhibit G** attached hereto. In the event a CPD item is requested that is not set forth on **Exhibit G**, then upon request, Contractor will provide custom pricing based upon the specifications of the requirements. The CPD program was not a commodity included in the original Request for Proposal and is included as a convenience category which may be utilized by Participating Entities.

9. The following shall be inserted into Exhibit 3, Furniture Addendum to the Contract:

“(i) The terms below are applicable to the Participating Entities only.

(ii) For the following manufacturers, pricing will be determined on a project by project basis: Kimball, National, and Izzy.

(ii.) In states where available (and only in the United States), and only if purchasing from the Office Depot South System, the following shall apply:

**Enhanced Delivery Service**

- Enhanced Delivery Service is provided on orders of furniture and oversized items, based on the product dimensions, weight and delivery zip code of the order.
- Enhanced Delivery Service includes delivery by a 2-person team, placement in the room of OSU or Participating Entities choice and removal of packaging (upon request).
- Orders that qualify will be contacted by delivery carrier within 1-2 business days of placing an order to schedule an appointment for delivery. At that time, OSU or Participating Entities can request a new delivery date to fit their schedule, including Saturday.
- Notification at check out will occur if the order qualifies for Enhanced Delivery Service.

(iii) The furniture discounts for non-catalog items, as more particularly set forth in Attachment A of Exhibit 3, will be reviewed and updated on an annual basis.

(iv) Teknion will no longer be offered as a vendor under the Contract.”

10. **Financial Incentives/Rebates.** Any and all references to Financial Incentives/Rebates for products or services in the Contract, including, but not limited to, Section 2. E. and Exhibit 3, Section 3.B., shall be deleted in their entirety and replaced with the following:

“NOTE- If a Participating Entity transitions from the Office Depot North System to the Office Depot South System during a Contract Year, then rebate calculations on the Office Depot North System shall commence on the beginning of the Contract Year and end on the effective date of transition to the Office Depot South System. Thereafter, rebate calculations on the Office Depot South System shall commence on the effective date of transition to the Office Depot South System and end on the date in which the Contract Year is completed. Within sixty (60) days of the effective date of a Participating Entity transitioning from the Office Depot North

Within sixty (60) days of the end of a Contract Year, all rebates earned for purchases on the Office Depot South System by such Participating Entity through the transition effective date will be paid. For those Participating Entities who transition prior to the end of a Contract Year, the Participating Entity Spend shall be annualized for the purposes of determining the appropriate rebate tier.

For purposes of this Amendment 6: (i) "**OSU Spend**" shall mean OSU's paid-for purchases, net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, gift cards and warranties, (ii) "**Participating Entity Spend**" shall mean the individual Participating Entity's paid-for purchases, net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, technology items, gift cards and warranties, (iii) "**Contract Quarter**" shall mean the three (3) month period, commencing on the Amendment 6 Effective Date and each subsequent three (3) month period thereafter during the term of the Agreement, and (iv) "**Contract Year**" shall mean the twelve (12) month period, commencing on the Amendment 6 Effective Date and each subsequent twelve (12) month period thereafter during the term of the Agreement.

**OSU Incentives:**

Contractor shall submit any proposed increase in discounts in writing to OSU for consideration at least forty-five (45) days before the annual renewal period.

b) Manufacturer's List Price:

"Manufacturer's List Price" means the price listed in the United Stationers current published list price or electronic list price file or if the item is a generic item (e.g., private label) or not listed in the United Stationers Wholesale Catalog, then the Contractor is considered the product manufacturer and their established, reasonable list price as outlined in their Vendor Specific current list price or electronic list price file shall be utilized. Wholesaler's categories comprising OSU's Product Categories are cross referenced in Exhibit 1. Contractor shall provide OSU with an electronic copy (in a software, format and electronic medium approved by OSU) of the current United Stationers current published list price and Vendor Specific current published list price on which the Contract or Contract amendments are based including the following information:

- o Manufacturer part number
- o Vendor part number (if different from manufacturer part number)

- Product description
- Pack configuration
- Pack size
- Manufacturer's List Price

Electronic price lists (CD's or USB Drives) must clearly be identified/labeled to include the vendor name, effective date of pricing and date of publication.

c) Wholesaler's Catalog:

The United Stationers current list price or electronic list price file and the Vendor Specific current list price or electronic list price file will serve as reference to establish Manufacturer's List Price during the entire term of the Contract. Contractor shall not change the wholesaler selected as the basis for this discount and/or list price without prior written approval from the OSU Contract Administrator. Any Contractor request to change the wholesaler selected as the basis for this discount and/or list price must correspond with quarterly reviews and contain proof that a change in the wholesaler selected as the basis for this discount and/or list price will not adversely affect OSU's pricing.

d) Manufacturer's List Price Adjustments:

At a minimum, the Contractor will hold the Manufacturer's List Price firm for the first 6 months of the Contract. Following the 6 month period, the Contractor may only submit proposed Manufacturer List Price adjustments for review on a quarterly basis, with the exception to Paper which may be adjusted as indicated in subsection f) below. Contractor shall submit any proposed Manufacturer's List Price adjustments in writing to OSU for consideration at least forty-five (45) days before the proposed effective date. OSU will review and approve or deny the proposed Manufacturer's List Price adjustments. Approved adjustments to the Manufacturer's List Price will be made through written amendment to the Contract signed by both parties. Quarterly changes will be implemented January 1, April 1, July 1, and October 1 of each calendar year.

e) Manufacturer's List Price Adjustment Documentation:

Supporting documentation for proposed Manufacturer List Price adjustment must be included with all requests. Supporting documentation for price changes to the United Stationers current published list price or electronic list price file will include the Wholesaler price change notification. Supporting documents for price changes to the Vendor Specific current list price or electronic list price file will include manufacturer's notice of price increase. Supporting documentation must also include an electronic copy of the United Stationers current published list price or electronic list price file or Vendor Specific current list price or electronic list price file on which the proposed Manufacturer's List Price adjustments are based with the affected items highlighted. If Contractor is unable to provide sufficient supporting documentation for any Manufacturer List Price update, the update will be rejected and Manufacturer List Price will remain consistent with the last Contract or Contract amendment. Contractor agrees that there will be no retroactive Manufacturer List Price increases.

f) Manufacturer's List Price Adjustments for Paper:

Paper Price adjustments may be made as follows:

- a. Paper price adjustments for the product category titled "Paper – Other" as identified on Exhibit 1 will be adjusted according to subsection d) above.

Incorporated index titled "Table 6 Uncoated Freesheet Papers, Std. No. 4 92 Bright Xerographic" (hereinafter called "RISI Index") price per ton has increased by 3% or greater in the aggregate since the last approved price adjustment. Price decreases will occur when the RISI Index has decreased at any percentage in the aggregate for the previous calendar quarter.

Price increases or decreases will be directly tied to actual aggregated percent increases or decreases documented in the RISI Index for the previous quarter. Supporting documentation for adjustments to the Manufacturer List Price for Paper in the Vendor Specific Catalog must be an actual copy of the RISI Index documenting the previous quarter changes. The adjusted paper price will then become the new base paper price used when calculating the next quarterly price adjustment.

The first paper price adjustment will be made using the following calculation:

Manufacturer's List Price  
x Product Category Standard % Discount off List included in Exhibit 2  
x % of the aggregate RISI Index movement for the previous calendar quarter  
= new base paper price

Subsequent paper price adjustments will be made using the following calculation:

Previous quarter's approved base paper price  
x % of the aggregate RISI Index movement for the previous calendar quarter  
= new base paper price

Paper price adjustments will only occur on a quarterly basis and must be submitted at the same time with Manufacturer's List Price Adjustments in subsection d) above.

VENDOR'S obligations under the preceding sentence shall apply regardless of whether CITY or any of its officers, officials, employees, agents or volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of CITY or any of its officers, officials, employees, agents or volunteers.
