G. LEAVES

1. Attendance Policy

- (1) Less than Ten Years - For employees who have been * * * employed by the City for less than ten (10) years, the Annual Leave accrual rate will be 15.5 hours for each completed calendar month of employment.
- (2) More than Ten Years But Less Than Twenty Years - For employees who have been * * * employed by the City for ten (10) years or more, the Annual Leave accrual rate will be 18.83 hours for each completed calendar month of employment.
- (3) Twenty Years or More - For employees who have been * * * employed by the City for twenty (20) years or more, the Annual Leave accrual rate will be 20 hours for each completed calendar month of employment.

Employees with Annual Leave balances of eight hundred hours or more, but less than nine hundred (900) hours on June 29, 2015, will not exceed one thousand (1,000) hours.

The conversion is obtained by multiplying unused Annual Leave hours by the applicable Association class' base rate of pay (converted to an hourly figure), dividing the product by the applicable non-Association class' base rate of pay (converted to an hourly figure), and placing the resulting balance for leave usage as requested and designated by the employee. (Conversion example: 100 [unused Annual Leave hours] x \$15.00 [CFPEA class monthly base rate converted to hourly] = \$1,500.00 [product] ÷ \$20.00 [non-CFPEA class monthly base rate converted to hourly] = 75 [converted hours to be placed in non-accruing Annual Leave balance account].) Upon separation from City service, the employee who transferred to a position outside the Association will be compensated for all unused Annual Leave hours at their applicable base rate of pay. Compensation received under this provision will not be considered pensionable for retirement purposes.
- (9) Employees with at least twenty (20) years of service who bid on leave in accordance with department/division procedures shall not be prohibited from bidding on or requesting up to five (5) weeks of leave and shall not be required to take leave in blocks of more than one week. - (10) Annual Leave Used for Protected Sick Leave – An employee may use up to half of their yearly Annual Leave accrual per fiscal year for Protected Sick Leave in accordance with California Labor Code section 233.

Protected Sick Leave, as described above, may be used under the following circumstances, and may be designated as protected time pursuant to state law at the employee's discretion:

5. Management Leave (formerly "Administrative Leave")

- a. Exempt employees shall receive sixty (60) hours of Management Leave each fiscal year, and may request payment and be compensated for up to forty-eight (48) hours of this Management Leave balance during the fiscal year in which it is credited. 6. Management Time Off (formerly "Administrative Time Off")

City employees who are designated as exempt from overtime under the provisions of the Fair Labor Standards Act and who receive Management Leave pursuant to paragraph 5., above, may be granted Management time off if the supervisor or designee determines that service delivery and performance of job functions will not be impaired due to the employee's absence. Such time off shall not be calculated on an hour-for-hour basis in relation to total hours worked. Management time off shall not be deducted from any other existing leave banks.

Management time off must be scheduled in advance when possible, approved as administrative time off by the employee's supervisor or designee and generally taken in increments of less than one day.

H. LEAVE INTEGRATION WITH STATE DISABILITY INSURANCE (SDI) FOR NEW EMPLOYEES AND EMPLOYEES TRANSITIONING FROM A BARGAINING UNIT WITH SDI; LEAVE INTEGRATION WITH THE CITY'S LONG TERM DISABILITY INSURANCE PLAN

1. INTEGRATION WITH STATE DISABILITY INSURANCE (INCLUDING PAID FAMILY LEAVE) ("SDI/PFL")

Employees eligible for SDI/PFL benefits under Section 2601, et seq. of California Unemployment Insurance Code receive benefits pursuant to California Unemployment Insurance Code Section 2655.

Newly hired employees eligible for the SDI/PFL benefit, and employees transitioning from a bargaining unit with SDI/PFL participation, are eligible to integrate their leave balances under this Section. Integrating leave balances is defined as using the SDI/PFL benefit combined with an appropriate number of hours per work week of the employee's available leave balances added together to provide regular, bi-weekly income.

Before leave integration will occur, an employee must file a claim as required under SDI/PFL and make a timely election to integrate leave with SDI/PFL benefits which shall be no more than 100 percent of the employee's normal bi-weekly gross wages (excluding overtime pay) immediately prior to the start of the disability period.

A timely election to integrate leave shall be notification to the City as soon as practical, but no later than fourteen (14) calendar days after the SDI/PFL

claim date. Notification shall be provided by completing an integration agreement form provided by the City indicating whether or not the employee desires to integrate leave with the claim. Extensions beyond fourteen (14) calendar days may be given due to exigent good cause circumstances on a case-by-case basis by the Director of Personnel Services or their designee.

Employees who elect to integrate as described above must provide Payroll with a copy of the Employment Development Department's (EDD) Notice of Computation within fourteen (14) calendar days of the issue date of the Notice, and are required to authorize EDD to share benefit computations with the City on their initial claim forms. Extensions beyond fourteen (14) calendar days due to exigent good cause circumstances, such as the employee being incapacitated, may be considered on a case-by-case basis.

Leave integration will not be allowed or provided for any period before the City receives the signed integration agreement and the Notice of Computation, including retroactive integration, unless exigent good cause circumstances apply (i.e., integration will occur only on a prospective basis after the City's receipt of the required leave integration paperwork unless exigent good cause circumstances apply).

Integrating leave balances with SDI benefits will continue only if leave balances are available and the employee remains eligible to receive SDI/PFL benefits. Once integration begins, it will continue as long as leave balances are available and SDI/PFL benefits continue.

Integration will end, whichever comes first in time, upon: (1) notification from the employee that SDI/PFL benefits have terminated, (2) the employee exhausting all leave balances and/or donated time resulting in leave without pay status, (3) the employee's return to work, or (4) the employee's separation from City employment.

An employee who is integrating leave and has exhausted all other leave balances may apply for donated time in accordance with City policies. Donated time will be integrated in the same manner as all other available leave time as described in this Section. **If an employee chooses not to integrate leave or has no available balances, the employee will be in a Leave Without Pay (LWOP) status and subject to applicable eligibility for COBRA medical coverage.**

2. Integration with the City's Long Term Disability Plan

Employees eligible for the City's Long Term Disability Plan may elect to integrate leave time with those Plan benefits by signing an integration agreement as soon as practical, but no later than fourteen (14) calendar days after the Long Term Disability claim date. Notification shall be provided by completing an integration agreement form provided by the City indicating whether or not the employee desires to integrate leave with the claim. Extensions beyond fourteen (14) calendar days may be given due to exigent good cause circumstances on a case-by-case basis by the Director of

Personnel Services or their designee.

Employees who elect to integrate as described above must provide Payroll with a copy of the City's Long Term Disability Plan's Notice of Award within fourteen (14) calendar days of the issue date of the Notice. Extension beyond fourteen (14) calendar days due to exigent good cause circumstances, such as the employee being incapacitated, may be considered on a case-by-case basis

Integration will end, whichever comes first in time, upon: (1) notification from the employee that Plan benefits have terminated, (2) the employee exhausting all leave balances and/or donated time resulting in leave without pay status, (3) the employee's return to work, or (4) the employee's separation from City employment.

I. HEALTH REIMBURSEMENT ARRANGEMENT (HRA)

The City currently maintains a Health Reimbursement Arrangement (HRA) that qualifies as a "health reimbursement arrangement" as described in Internal Revenue Service (IRS) Notice 2002-45 and other guidance published by the IRS regarding HRAs. The City agrees to maintain the HRA such that it will continue to qualify as a "health reimbursement arrangement" for the term of the MOU.

At separation from permanent employment with the City of Fresno by service retirement or at a disability retirement if the employee is otherwise eligible for service retirement, employees who have used eighty (80) hours or less of Frozen Sick Leave and/or Annual Leave used for sick time (excluding only hours used for Workers' Compensation benefits and any protected leave in accordance with federal and state law) in the 24 months preceding their date of retirement, will be credited with an account for the employee under the HRA to be used to pay premiums for medical insurance (including COBRA premiums) and qualified medical expenses pursuant to the City of Fresno Retiree HRA Plan Document. In addition, at the employee's option, any amount of accumulated Holiday Leave may be credited to an account for the employee under the HRA. The "value" of the account shall be determined as follows:

- The number of accumulated supplemental Sick Leave hours at the time of retirement multiplied by the employee's then current hourly base rate of pay.
- The number of accumulated Frozen Sick Leave hours in excess of 240 hours at the time of retirement multiplied by 80% of the employee's then current hourly base rate of pay.
- If the employee opts not to cash out all of the employee's accumulated Holiday Leave hours at the time of retirement, the remaining accumulated Holiday Leave shall be credited into an HRA account for the employee at one hundred percent (100%) of the employee's then current hourly base rate of pay.
- The hourly base rate of pay shall be the equivalent of the monthly salary for an employee as reflected in the Salary Resolution, multiplied by twelve (12)

months then divided by 2,080 hours.

At the employer's option, the HRA accounts may be book accounts only – no actual trust account must be established for any employee. Each HRA book account shall be credited on a monthly basis with a rate of earnings equal to the yield on the City's Investment Portfolio (provided that such yield is positive).

The HRA accounts shall be used pursuant to the City of Fresno Retiree HRA Plan Document. Once a participant's account under the HRA has been reduced to \$0, no further benefits shall be payable by the HRA. If the participant, the participant's spouse, and the participant's dependents die before the participant's account under the HRA has been reduced to \$0, no death benefit shall be payable to any person by the HRA.

While this provision is in effect, eligible employees shall not be allowed to cash out any accumulated or accrued Supplemental Sick Leave or Frozen Sick Leave at retirement.

After the City's HRA plan is reviewed by legal counsel and if there are additional leave types that may be qualified for the HRA plan, then the City agrees to meet and confer at the request with CFPEA within 60 days.

J. WORKERS' COMPENSATION

1. Notwithstanding the provisions of FMC Section 3-118, an employee in this Unit who suffered or suffers an injury or illness in the course and scope of City employment shall receive 66.67% of average weekly earnings in the fifty-two (52) weeks prior to the injury. Employees on "light duty" as a result of an injury or illness suffered in the course and scope of employment shall receive their regular salary during the period of light duty.

Should the State mandated Workers' Compensation rate of payment be adjusted, the City and the Association will have a limited reopener to adjust the rate accordingly.

Should any other represented bargaining unit in the City negotiate a successor MOU, or extend the period of an MOU, or have terms imposed resulting in a rate of payment that is in excess of the State mandated Workers' Compensation rate of payment, upon the Association's written request, the parties will meet to determine the rate of payment.

- a. Compensation for a work related injury or illness shall begin following the first three days after the employee leaves work as a result of the injury or illness. However, this three (3) day waiting period shall be waived and compensation shall begin on the first day of the work related injury or illness only if:

- (1) the employee is hospitalized as an inpatient on the first day for at least twenty-four (24) hours; or

- (2) the employee is absent from work fourteen (14) calendar days

or more;

- (3) the employee is placed on light duty at any time during the first three (3) days.
2. Partial days of absence due to a work related injury or illness, including the day of injury or illness, shall be at full pay and shall not count towards the three (3) day exclusion period; however, this time shall be recorded as a work related injury/illness absence.
3. At the employee's option, in the event of a work related injury/illness pay from the City is not provided during the first three (3) days of absence due to the work related injury or illness, the employee may take annual leave, holiday or administrative leave for that period.
4. If the employee opts to use annual leave, holiday, or administrative leave for the first three (3) days and it is later determined that work related injury/illness pay under paragraph 1.a. above, beginning on the first day of a work related injury or illness is appropriate, the leave time shall be restored to the employee and the employee's pay or leave balance will be adjusted accordingly. If the employee has been on leave without pay for the first three (3) days and it is later determined that pay is applicable from the first day, the employee shall be paid therefore.
5. If an employee is placed on annual leave, holiday, or administrative leave pending determination as to whether the injury or illness is industrial, and the injury or illness is determined to be industrial, frozen sick leave, annual leave, holiday, or administrative leave shall be restored and the employee placed on work related injury/illness leave as provided herein.
6. If an employee is placed on annual leave, holiday, or administrative leave pending determination as to whether the injury is industrial, and the injury or illness is determined not to be industrial, annual leave, holiday or administrative leave shall not be restored.
7. Retirement benefits shall not be reduced as a result of the level of compensation established herein. Changes in contribution by the City and employee shall be in accordance with applicable retirement code sections.

K. COURT TIME

Notwithstanding the provisions of FMC Section 3-109, an employee in these Units who receives a notice or subpoena requiring a court appearance during a pre-approved annual leave, holiday or administrative leave shall be credited with annual, holiday or administrative leave equivalent to the actual number of hours spent in court on such day(s).

L. COURT APPEARANCES

As authorized by the provisions of Fresno Municipal Code Section 3-117(d), the following rules shall apply to court appearances by Supervising Crime Scene

Technicians. Supervising Crime Scene Technicians qualify either under Subsection 1 below or under Subsection 2 below, but not both subsections.

1. If a Supervising Crime Scene Technician receives a departmental notice or subpoena requiring a court appearance on the Supervising Crime Scene Technician's regularly scheduled day off, on a vacation day off, which has been approved by the department prior to notice and/or the Supervising Crime Scene Technician's receipt of a departmental notice or subpoena, and the Supervising Crime Scene Technician has not been released by the Court Liaison Office (CLO) by 0900 hours on the day of the court appearance from such departmental notice or subpoena by an electronic notification system, the Supervising Crime Scene Technician shall be considered to be on court appearance standby duty, and has the option of compensation under either Subsection (a) or (b) below. Compensation for Supervising Crime Scene Technicians on "automatic go" appearance shall occur solely under Subsection (c) below.

- (a) Premium pay for court appearance standby duty, as described above, shall be one hour at one and one-half ($1 \frac{1}{2}$) times the Supervising Crime Scene Technician's base rate of pay. Time spent on court appearance standby duty (i.e., at home) shall not be considered hours worked.

In the event a Supervising Crime Scene Technician, who is on court appearance standby duty at home, appears in court, the Supervising Crime Scene Technician shall also be compensated for a minimum of two (2) hours at one and one-half times ($1 \frac{1}{2}$) the Supervising Crime Scene Technician's base rate of pay, or at one and one-half times ($1 \frac{1}{2}$) the Supervising Crime Scene Technician's base rate of pay for the actual time of the appearance, whichever is greater. This compensable time starts from the time the Supervising Crime Scene Technician reports to court at the directed appearance time through completion of the appearance.

- (b) Report to and standby at the CLO, and be compensated for a minimum of two (2) hours at one and one-half times ($1 \frac{1}{2}$) times the Supervising Crime Scene Technician's base rate of pay. If the Supervising Crime Scene Technician is not required to appear in court, the department may require the Supervising Crime Scene Technician to perform assigned duties during this two (2) hour minimum period. Supervising Crime Scene Technicians shall be released from CLO standby duty when the subpoena or notice is cancelled, or they are released by the court.

If a Supervising Crime Scene Technician's CLO standby duty extends beyond the two (2) hour minimum, or the Supervising Crime Scene Technician appears in court beyond the two (2) hour minimum, the Supervising Crime Scene Technician shall be compensated at one and one-half times ($1 \frac{1}{2}$) the Supervising Crime Scene Technician's base rate of pay for the actual time beyond the two (2) hour minimum.

- (c) Supervising Crime Scene Technicians on “automatic go” court appearance shall be compensated for a minimum of two (2) hours at one and one-half times (1 ½) the Crime Scene Technician’s base rate of pay, or at one and one-half times (1 ½) the Supervising Crime Scene Technician’s base rate of pay for the actual time of the mandatory appearance, whichever is greater. This compensable time starts from the time the Supervising Crime Scene Technician reports to court at the directed “automatic go” appearance time through completion of the appearance.
- 2. If a Supervising Crime Scene Technician receives a departmental notice or subpoena requiring a court appearance on a regular day of work which falls outside of assigned work hours, the Supervising Crime Scene Technician shall have the option of:
 - (a) Standing by at home, when legally permitted; or,
 - (b) Appearing at the CLO, with a minimum of two (2) hours pay, at one and one-half (1 ½) times the rate of pay. During this two (2) hour period, if the Supervising Crime Scene Technician is not required to appear in court, the Supervising Crime Scene Technician may, at the option of the department, be required to perform duties as assigned.
 - (c) If the court appearance starts within one-half (½) hour immediately following a shift, the Supervising Crime Scene Technician shall receive a one (1) hour minimum. If the court appearance falls during the shift and continues beyond the end of the shift, the Supervising Crime Scene Technician shall be paid at the applicable hourly rate for the actual time spent in court.
- 3. Where a Supervising Crime Scene Technician’s appearance extends beyond the two (2) hour minimum, the Supervising Crime Scene Technician shall be paid one and one-half times (1 ½) the Supervising Crime Scene Technician’s base rate of pay for the actual time of the appearance.
- 4. The provisions of Subsections 1 and 2 above, shall also apply to Supervising Crime Scene Technicians required to appear in any judicial or administrative proceeding as a witness pursuant to subpoena, court order, or request of the District Attorney. This provision shall apply to all judicial proceedings (civil, criminal, or administrative) and Civil Service proceedings in which a Supervising Crime Scene Technician’s presence is ordered, directed, or requested because of their employment as a Supervising Crime Scene Technician.

M. WORK SCHEDULES

- 1. The City may, with seventy-two (72) hours notice to the employee, temporarily modify the working hours of shift employees in 24-hour operations. This provision is not intended to address working hours modified as a result of daylight savings time, permanent shift changes, or

emergencies, as determined by the City. This temporary modification shall not exceed one month, unless mutually agreed by the parties.

2. The City and members of the Association may mutually agree to flexible work schedules for individual employees. Both the City and the member retain the right to withdraw the mutual agreement and return to the regular schedule established by the employee's division.
3. Employees in these Units are considered professional employees and, as such, may not have explicit times established for meal breaks. Departments may establish work schedules which include time for meal breaks to be taken as work permits. Employees who require a break from their work may do so as long as it is not excessive and does not interfere with completion of assignments.

N. ALTERNATIVE WORKWEEK WORK SCHEDULES

1. Department directors or designees shall be solely responsible for determining and designating divisions/units/sections/specific job classes within their respective departments that may implement variations to the standard/normal workweek work schedule. A minimum of * * * **fourteen (14) calendar** days written notice shall be provided to affected employees, **the Association**, and the Labor Relations Division.
2. Subject to meet and consult pursuant to the provisions of FMC Section 3-607 prior to implementation of such changes, alternative workweek work schedules may be necessary in order to provide minimum staffing, and/or based upon the service needs of the public/other City departments, and/or other operational efficiency requirements. It is expressly understood by the parties that position assignments by classification, staffing levels, workweek work schedules, and days off are determined solely by management, and are subject to change based on, including but not limited to, varying workload, the addition of authorized staffing, and departmental operational and service need. **Any changes to an employee's established alternative workweek schedule shall require written notice to the affected employee and the Association at least fourteen (14) calendar days prior to the effective date of the change, unless the employee agrees to a shorter notice period.**
 - a. If established, employees shall select a 5/8, 4/10 or 9/80 workweek work schedule according to department/division selection processes. Absent sufficient selections, management will assign employees to a 5/8, 4/10 or 9/80 workweek work schedule, or combination thereof.
 - b. It is expressly understood by the parties that workweek work schedules are determined and established by departments/divisions based upon the service needs of the public/other City departments.
 - c. Except for emergencies, employees working a 4/10 or 9/80 schedule or who have days off other than Saturday and Sunday, will make every effort to schedule all medically-based appointments on off duty

time.

3. The hours for employees working a 5/8 will consist of five (5) eight (8) hour days within two (2) consecutive days off. The hours for employees working a 4/10 will consist of four (4) ten (10) hour days with three (3) days off, of which two (2) of the days will be consecutive. Scheduling of days off will be determined by management.

Each 9/80 work schedule will consist of eight 9-hour shifts, one 8-hour shift and one day off per 14-day period broken down into two 40-hour per week Fair Labor Standards Act (FLSA) work weeks. All employees working a 9/80 work schedule shall have an FLSA work week which begins four hours after the start time of the day of the week which constitutes the employee's alternating day off. This shall be an 8-hour shift. The work week shall end exactly 168 hours later. Scheduling of days off is determined by management, but must be on a Monday or Friday, **unless mutually agreed upon by both management and employee.**

4. Departments/divisions may discontinue alternative workweek work schedules at any time if it is determined by management that they detrimentally affect department/division operations and services. Thirty (30) days advance notice will be given in writing to affected employees and the Labor Relations Division. The decision to discontinue alternative workweek work schedules is not appealable or grievable. If departments/divisions discontinue alternative workweek work schedules established under this provision, employees will revert to 5/8 standard/normal workweek work schedules as determined by management.
5. Except as detailed directly below, applicable Association MOU provisions, Salary Resolution, FMC and AO sections concerning alternative workweek work schedules (i.e., 4/10 or 9/80) limitations on OT, holidays, leave accruals and usage, and swing or night shift premium pay will govern.

Subsection a.; below shall apply only to non-exempt classifications in these Units as designated in the Salary Resolution and pursuant to the Fair Labor Standards Act.

- b. Work on the third day off in a workweek, or on a holiday which is a regular day off shall be compensated at two (2) times the base rate of pay.

6. Holidays

- a. Employees working a 4/10 or 9/80 shall receive holidays of eight (8) hours which are listed in Article VIII Section G.4. Employees off on a holiday which falls on a regular workday shall receive eight (8) hours of base pay for the holiday. Employees in non-exempt classifications who are off on a holiday which falls on a regular workday may elect to take one (1) hour of Annual Leave, Management Leave, or Holiday Leave to provide for a full nine (9) hour day or two (2) hours of Annual Leave, Management Leave, or Holiday Leave to provide for a full ten (10) hour day, or may elect to receive one (1) or two (2) hours of leave without pay. The uniform allowance received under this provision will be considered pensionable for retirement purposes.
4. Safety Shoes

Safety shoes for employees in Unit 13 shall be governed by the City of Fresno Illness and Injury Prevention Program (IIPP) and shall meet the CalOSHA General Industry Safety Order Foot Protection standards outlined in Title 8, Section 3385. The City will provide a voucher for employees in this Unit who are authorized or required to wear safety shoes for two hundred fifty dollars (\$250) for the purchase of safety shoes, or the value of one (1) pair of approved shoes, whichever is less. Employees in classes and assignments who are required to wear Electrical Hazard rated or Chemical-Resistant safety shoes may be issued a voucher of up to three hundred dollars (\$300) for the purchase of one (1) pair of safety shoes per voucher. T. BUILDING INSPECTIONS

1. Third-Party Building Inspection Service Program

Planning & Development will institute a Third-Party Building Inspection Service Program that will allow building inspection applicants the option to select a third-party firm pre-qualified by the City to perform building inspection(s) which are required by the City to issue building permits. Building inspection applicants may negotiate fees and timelines directly with the third-party firm. Once the Program is discontinued, the Program will not be reinstated unless there is mutual agreement between the City and Association.

2. Contracting Out of Building Inspections

Due to a fluctuating demand for building inspections which may create workload issues that impact current staff, Planning & Development may contract out building inspections as needed to mitigate the workload demand on staff and meet building inspection timelines. Once contracting out of building inspections is discontinued, contracting out of building inspections will not be reinstated unless there is mutual agreement between the City and Association.

3. The Program and contracting out of building inspections will not be utilized to privatize staff or work performed by employees assigned to complete building inspections in Planning & Development. While the Program and contracting out of building inspections are in effect, respectively, the City agrees that no elimination, defunding, or freezing of Unit 13 positions assigned to perform building inspections in Planning & Development

existing as of the effective date of this MOU will occur unless the Program and contracting out of building inspections have been discontinued for sixty (60) calendar days or more, respectively.

4. When vacancies occur in Unit 13 positions assigned to perform building inspections in Planning & Development as it relates to this Program, the City agrees that the positions will remain funded and every reasonable effort will be made to recruit and fill the vacancies.
5. The City agrees to meet with the Association annually to discuss the volume of building inspection applicants choosing to utilize the Program and the number of building inspections that have been contracted out.

U. LICENSED PROFESSIONAL ENGINEER CLASSIFICATION

1. Employees in the Professional Engineer classification transferred into the Licensed Professional Engineer classification on July 31, 2023 shall be placed at the salary step in the Licensed Professional Engineer classification which is at least fifteen percent (15%) higher than the rate received in the employee's former Professional Engineer classification. If such an increase requires compensation greater than the highest step, the highest step shall be paid.
2. The salary step adjustment in the new class shall not alter the employee's anniversary date for purposes of future step increases in the class.
3. Seniority in the Licensed Professional Engineer classification shall be calculated using all time of continuous permanent service in both the Professional Engineer and Supervising Professional Engineer classifications. Continuous service shall not include any time spent under suspension from duty, demotion to another class, on any leave of absence without pay as defined in FMC Section 3-104, or separation from City service. A military leave of absence shall not be considered a break in service.

V. VOLUNTARY LEAVE TIME (VLT) PROGRAM

Voluntary Leave Time (VLT) is a program by which an employee, with appropriate approval, can take additional time off during the fiscal year through a corresponding adjustment in pay. Except as noted in Section 12 below, employees may be allowed to take up to ninety-six (96) hours of leave under this program. The program is intended to reduce City expenses by allowing employees to take additional leave time without being replaced. Employees would have regular adjustments to each paycheck. This program is not intended to increase City costs by offering an advantage to any employee at the City's expense. Participation in the program is subject to the following guidelines:

1. Participation in this program is not available in work units which rely extensively on the use of wages/contract employees to meet ongoing operational requirements, as opposed to special or short-term projects.

2. Participation in the program is voluntary on the part of the employee and must be approved by the appointing authority.
3. The employee must complete and submit a Voluntary Leave Time Request Form to participate in the program. The form must be submitted to and approved by the appointing authority. This request must specify the amount of time off and whether the time will be taken as a block or blocks of time, or intermittently.
4. The appointing authority, after reviewing the proposed leave/work schedule, may either approve, disapprove, or decrease the number of hours proposed to be taken off depending upon the operating needs of the department. If an appointing authority reduces the number of hours proposed to be taken off, the employee may withdraw the request to participate in the program. The department cannot fill behind an employee working a reduced work week with overtime, temporary help, acting pay (Municipal Code Section 3-260), or contract extra help.
5. Voluntary Leave Time cannot exceed ninety-six (96) hours in a fiscal year except as noted below in Section 12.
6. Credits toward Health and Welfare and retirement and leave accruals to which the employee is entitled, shall continue as though the employee was not on the voluntary leave time program. The employee will contribute to the Retirement System as if the employee were working full-time.
7. This Voluntary Leave Time program shall:
 - a. Be available to employees who are otherwise available for the normal performance of their duties;
 - b. Be available only to employees who have been employed by the City for twelve (12) consecutive months and who are either in permanent positions with permanent status or are in established unclassified positions, except as noted in Section 2 above or when waived in accordance with Section 12 below;
 - c. Apply toward time in service for step advancement and toward seniority for purposes of layoff;
 - d. Be granted without requiring an employee to first use accumulated vacation, compensatory-time-off, or other paid leave time;
 - e. Not be available to an employee who is otherwise on a leave without pay status;
 - f. Not be available to an employee who is on paid leave which is being exhausted prior to commencing other leave without pay;
 - g. Be taken on a scheduled basis that is mutually agreed upon by the appointing authority and the employee; and,

- h. Not be available to any employee who is being counseled or disciplined under the FMC, City administrative orders, and/or City policies, procedures, rules and regulations.
- 8. This program shall not result in overtime. However, an employee participating in this program, who is otherwise eligible for overtime, shall have overtime calculated on the basis of the MOU for the employee's unit.
- 9. At the end of each fiscal year, the department and the City Manager's Office will review the impact that the Voluntary Leave Time program has had on department operations and the City's financial situation. The City, in its sole discretion, can discontinue the VLT program at any time, because of operating needs, or because the program no longer is beneficial to the City's financial situation.
- 10. Withdrawal from the program or a change in the number of hours requested shall only be granted if Payroll has not yet processed the request, the appointing authority has decreased the number of hours requested, the employee goes out on an extended medical leave of absence during the same fiscal year that the time off request was granted under this provision, or the appointing authority determines that increased workload will not allow the employee to take time off. If the employee withdraws from the program after the beginning of the fiscal year and before completion of the 26 pay periods, appropriate adjustments will be made to the employee's pay. If such adjustments require that an FLSA non-exempt employee reimburse the City, agreement must be reached on a repayment schedule. If an employee does not withdraw from the program in accordance with these terms and agreed upon time is not taken, the time is forfeited, and no reimbursement will be made. If the City imposes an involuntary furlough, employees may have approved VLT applied toward the involuntary furlough.
- 11. This program is not equivalent to job sharing or to PI or PPT positions.
- 12. At the discretion of the City Manager, in response to fiscal needs, the VLT maximum hours can be increased and may be extended to employees otherwise excluded in Section 7.b. above.

This program will only be in effect for the term of the MOU, unless otherwise extended at the sole discretion of the City.

W. GUARANTEED DAY OFF

Both parties agree that employees shall not be required to respond to contact (e.g., calls, text messages, etc.) by the City on their second regular day off on a 5/8 schedule, on their third regular day off on a 4/10 schedule, on their second regular day off on the week they work five (5) days on a 9/80 schedule, and on their third regular day off on the week they work four (4) days on a 9/80 schedule. Exceptions to this include:

1. When an employee opts to voluntarily engage;
2. When an employee is assigned to be on-call;
3. When there is a Division, Department, or Citywide emergency, and/or a State or Federal emergency, as designated by the City, Division, Department, or the State and/or Federal Government. When invoking this provision, the contacting party (e.g. manager, director, etc.) shall clearly state the contact is due to an emergency, and identify the general nature of the emergency (e.g., natural disaster, critical infrastructure failure, and/or contact necessary to ensure the health, safety, or well-being, of residents and/or other employees, and/or operational continuity of City services, etc.)

Nothing in the provision shall be construed to prohibit the City from contacting employees on any day, for any lawful, work-related reason. Nothing in this provision shall be construed to entitle exempt employees to any additional compensation for receiving and/or responding to contact from the City on any day for any lawful, work-related reason. Non-exempt employees shall be compensated, if required, solely pursuant to the provisions of the MOU, and applicable law.

X. SHIFT BID BY SENIORITY

For purposes of this MOU, seniority shall be defined as an employee's length of continuous service as a permanent employee in their present classification, calculated from the date of appointment to the classification. In the event of a tie of seniority, the City and CFPEA agree to meet and confer on how to address the tie.

Employees shall be able to select shifts by seniority where both parties agree that it will not create an operational challenge. Both parties will work together to identify exceptions where specific expertise creates an operational challenge.

CFPEA and/or the City shall notice the other party in the event either party wishes to explore shift bid by seniority for a particular work group, division, or department. Once so noticed, the parties shall meet and confer to determine whether shift bid by seniority is operationally feasible, while maintaining continuity of operations as defined by the City. Shift bid by seniority shall only be established as the result of meet and confer and if mutually agreed by both parties.

Nothing in the section shall be construed to supersede, invalidate, or alter existing shift bid by seniority agreements already in effect for CFPEA members.

Y. PARCS SUPERVISOR ON-CALL

Both parties agree that this provision is specific to on-call assignments for impacted supervisors in the PARCS Department and will have no impact on shifts or shift assignments. CFPEA will work with impacted members to create a proposed on-call rotation process, if so desired. CFPEA shall notice the City of the proposed process. Once so noticed, the parties shall meet and confer to determine whether the proposed on-call rotation process is operationally feasible, while

maintaining continuity of operations as defined by the City. Adoption of an on-call rotation process shall only be established as the result of meet and confer and if mutually agreed by both parties.

ARTICLE IX

SAVING CLAUSE AND FULL UNDERSTANDING

A. SAVING CLAUSE

In the event any article, section, or portion of this MOU should be held invalid and unenforceable in any court of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specifically specified in the Court's decision, and upon issuance of such a decision, the City and the Association agree to immediately meet and confer upon a substitute for the invalidated article, section, or portion thereof.

B. FULL UNDERSTANDING

It is intended that this MOU sets forth the full and entire understanding of the parties, and any previous understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded and terminated in their entirety. With respect to side letter agreements, any not attached to this MOU are hereby terminated in their entirety. Those side letter agreements attached to this MOU shall continue in force subject to the terms and conditions set forth within each side letter. In the absence of any term in such new side letters, they, too, shall terminate upon the expiration of this MOU. This paragraph is not intended to prevent either party from relying on discussions which occurred during the meet and confer process for the purpose of clarifying the meaning of this MOU.

ARTICLE X

- B. During the term of this MOU, should either party desire to modify its terms or to meet and confer as to matters within the scope of representation not addressed in this MOU, the party requesting any change shall request in writing to meet and confer on the item(s), which item(s) shall be specified in writing.
- C. During the term of this MOU, either party may refuse any request by the other to meet and confer without explanation if (1) the item is directly considered and specifically addressed herein, or (2) is directly considered and specially addressed in Chapter 3, Article 1-Personnel in the FMC; or (3) if the specific item was included in a written proposal from the party making the request during the meet and confer process which led to this MOU. The meet and confer process following a request made by either party pursuant to the provisions of this Article shall be subject to bargaining to the extent the matter is within the mandatory scope of bargaining under the MMBA. No unilateral action on any such refusable proposal may be taken by the requesting party after such a refusal by the other.

It is further agreed, however, that this section shall not prohibit the City from requesting to meet and confer on changes to federal, state or City statutes, and City administrative policies referred to or cited in this MOU, in which case the request to meet and confer shall not be refused.
