EXHIBIT B

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAXES

All Taxable Property shall be subject to an annual Special Tax defined as follows. The Special Tax shall be levied each Fiscal Year by the CFD Administrator.

The Annual Special Tax Requirement shall be apportioned to each Parcel within CFD No. 18 by the method shown below.

First: Determine the Annual Special Tax Requirement.

Second: Levy the Special Tax on each Parcel of Developed Property, Proportionately, up to the applicable Maximum Special Tax.

Notwithstanding the foregoing, under no circumstances will the Special Taxes on any Assessor's Parcel of Developed Property be increased by more than 10% as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 18.

E. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on Undeveloped Property, Open Space Property, Property Owner's Association Property, Assessor's Parcels with public or utility easements making impractical their utilization for any use other than the purposes set forth in the easement, or Public Property, except as otherwise provided in Sections 53317.3, 53317.5 and 533401 of the Mello-Roos Community Facilities Act of 1982.

Welfare Exempt Property shall be exempt from the Special Tax in each Fiscal Year the property qualifies as Welfare Exempt Property.

F. APPEAL OF SPECIAL TAX LEVY

Any property owner may file a written appeal of the Special Tax with the CFD Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later than one calendar year after having paid the Special Tax that is disputed, and the appellant must be current in all payments of the Special Tax. In addition, during the term of the appeal process, all Special Tax levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the City Council whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the City Council requires the Special Tax to be modified or

EXHIBIT B

changed in favor of the property owner, then an adjustment shall be made to credit the Special Tax in future years.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

G. INTERPRETATIONS OF RATE AND METHOD OF APPORTIONMENT

The City Council may, by resolution or ordinance, interpret, clarify and/or revise this Rate and Method of Apportionment to correct any inconsistency, vagueness, or ambiguity as it relates to the Special Taxes, method of apportionment, the classification of Assessor's Parcels, or any definition used herein, as long as such correction does not materially affect the levy and collection of Special Taxes. In addition, the interpretation and application of any section of this document shall be at the CFD Administrator's discretion.

H. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the City may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of CFD No. 18.

Special Taxes shall continue to be levied and collected within CFD No. 18, as needed to fund the Annual Special Tax Requirement, in perpetuity.

I. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

J. REPEAL OF SPECIAL TAX

If the levy of the Special Tax is repealed by initiative or any other action participated in by the owners of Assessor's Parcels in CFD No. 18, the City shall cease to levy the Special Tax and shall cease to be obligated to provide the authorized services for which the Special Tax was levied. The obligations to provide the authorized services previously funded by the repealed Special Tax shall become the joint obligations of the property owners of Assessor's Parcels within CFD No. 18.
