*The item was called to order at 10:41 P.M.*

*The above item was introduced to Council by Assistant Director Benelli, Public Works Department.*

*Council President Caprioglio expressed his concerns with the amount of the fee increase. He asked staff to come up with a way for fees to be gradually increased. He asked if there are existing buildings that can be converted into a fire station and stated he can not support the fee increase at a 142%. He spoke regarding more police substations in the new areas and stated District 4 is being neglected as services continue to grow out. Assistant Director Benelli and Director Mozier responded.*

*Upon call, the following members of the public addressed Council: Andy Hansen-Smith and Jay Justice Lima.*

*Council Vice President Arias expressed his concerns with the fire fee increase while actively the City of Fresno is waiving fire fees from several*

*businesses. City Manager Quan requested a list of fees being waived from last years. Director Mozier responded. Council Vice President Arias asked in the past two years of the fees being waived how much more money from the general fund did the City of Fresno put into Capital Public Safety Facilities and asked how many more fire and police stations does public safety need. He stated that there were 31 projects that have been waived. He spoke regarding the need for fees to be increased but does not agree with waiving fees from the bigger companies while the smaller businesses have to make up the gap in increased fees. He stated he does not support the item as presented. Staff responded.*

*Councilmember Soria asked if comparisons have been done with the surrounding areas. Deputy Chief Semonious responded. She requested a comparison from other cities regarding the impact fees and what will be proposed in the near future for residents.*

*Councilmember Chavez spoke regarding the support of the BIA and stated there needs to be a policy conversation on what the comfort level of the Council is, so there are no longer mixed messages. He directed the Administration to provide Council with information regarding Ulta and the numbers of jobs provided. Council Vice President Arias requested to include the City of Fresno's economic strategy and zip codes of those employed. Assistant City Manager Sumpter responded a memo will be provided shortly. Mayor Brand stated if the fee is not approved, approximately 1400 homes west of 99 will be effected and the reason for the high increase is due to impact fees not being increased in the past years. He spoke regarding the City of Fresno's economy growth due to Amazon and Ulta and stated impact fees should be addressed every five years rather than ten. Councilmember Chavez directed staff to include a break down of the tax cut that the City of Fresno, School Districts and County of Fresno gets. City Manager Quan responded.*

*Councilmember Bredefeld spoke regarding the IDeferred Fee Program and asked what is the purpose of the program. He asked if the IDeferred is for local business and stated he supports the program and the big businesses like GAP, Amazon and Ulta coming to Fresno and employing City of Fresno residents.*

*Councilmember Soria stated City of Fresno residents should have first opportunities to the businesses like Amazon and Ulta and would like a copy of zip codes of the employed residents. She stated she supports economic development in the City of Fresno.*

*Councilmember Soria left the meeting at 11:36 P.M.*

*Mayor Brand requested the item be continued to June 20, 2019.*
