- 2. <u>Grant Amount</u>. The City shall provide the Grantee the amount of \$50,000, paid on the basis of the rates set forth in the schedule of fees and expenses contained in **Exhibit A**. Such fee includes all expenses incurred by Grantee in performance of the services. Grantee shall promptly return any funds provided under this Agreement which are not used for the Project outlined in the Scope of Work.
- 3. <u>Term of Agreement and Time for Performance</u>. This Agreement shall be effective from the date first set forth above (Effective Date) and shall continue in full force and effect through June 30, 2026, subject to earlier termination in accordance with this Agreement. The parties may modify this Agreement to increase or decrease the scope of work or provide for the performance of work not required by this Agreement, which modification shall include an adjustment to the Grantee's compensation. Any change in the scope of work must be made by written amendment to the Agreement signed by an authorized representative for each party. The

Grantee shall not be entitled to any additional compensation if services are performed prior to a signed written amendment.

5. <u>Termination, Remedies, and Force Majeure.</u>

- (a) This Agreement shall terminate without any liability of the City to the Grantee upon the earlier of: (i) the Grantee's filing for protection under the federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against the Grantee; (ii) seven calendar days' prior written notice with or without cause by the City to the Grantee; (iii) the City's non-appropriation of funds sufficient to meet its obligations hereunder during any the City's fiscal year of this Agreement, or insufficient funding for the Project; or (iv) expiration of this Agreement.

The Grantee shall not be paid for any work or services performed or costs incurred which reasonably could have been avoided.
- (c) In the event of termination due to failure of the Grantee to satisfactorily perform in accordance with the terms of this Agreement, the City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, City's damages caused by such failure. In no event shall any payment by the City pursuant to this Agreement constitute a waiver by the City of any breach of this Agreement which may then exist on the part of the Grantee, nor shall such payment impair or prejudice any remedy available to the City with respect to the breach.
- (d) Upon any breach of this Agreement by the Grantee, the City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic, and incidental damages for the breach of the Agreement. If it is determined that the City improperly terminated this Agreement for default, such termination shall be deemed a termination for convenience.
- (e) The Grantee shall provide the City with adequate written assurances of future performance, upon the Administrator's request, in the event the Grantee fails to comply with any terms or conditions of this Agreement.
- (f) The Grantee shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Grantee and without its fault or negligence such as, acts of God or the public enemy, acts of the City in its contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Grantee shall notify the City in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Administrator of the cessation of such occurrence.

- (g) Events of Default. When in the opinion of the City, there is an occurrence of any one or more of the following provisions it will represent an Event of Default for purposes of this Agreement.
 - i. An illegal or improper use of funds.
 - ii. A failure to comply with any term, covenant or condition of this Agreement. Report(s) are submitted to the City which are incorrect or incomplete in any material respect.
 - iii. The services required hereunder are incapable of or are improperly being performed by the Grantee.
 - iv. Refusal of the Grantee to accept change under Section 17.
 - v. The Grantee fails to maintain any required insurance.
 - vi. The Grantee's breach of any other material condition, covenant, warranty, promise or representation contained in this Agreement not otherwise identified within this Section.
- (h) Upon the occurrence of an Event of Default, the City shall give written notice to the Grantee of the Event of Default by specifying (1) the nature of the event or deficiency giving rise to the default, (2) the action required to cure the deficiency, if, in the sole discretion of the City, any action to cure is possible, and (3) if the Event of Default is curable, a date, which shall not be less than thirty calendar days from the date of the notice, by which such deficiency must be cured.
- 6. Confidential Information and Ownership of Documents.
- (a) Any reports, information, or other data prepared or assembled by the Grantee pursuant to this Agreement shall not be made available to any individual or organization by the Grantee without the prior written approval of the City. During the term of this Agreement, and thereafter, the Grantee shall not, without the prior written consent of the City, disclose to anyone any Confidential Information.
- (b) The term "Confidential Information" for the purposes of this Agreement shall include all proprietary and confidential information of the City, including but not limited to business plans, marketing plans, financial information, materials, compilations, documents, instruments, models, source or object codes, and other information disclosed or submitted, orally, in writing, or by any other medium or media. All Confidential Information shall be and remain confidential and proprietary in the City.
- (c) Any and all writings and documents prepared or provided by the Grantee pursuant to this Agreement are the property of the City at the time of preparation and shall be turned over to the City upon expiration or termination of the Agreement. The Grantee shall not permit the reproduction or use thereof by any other person except as otherwise expressly provided herein.
- (d) If the Grantee should subcontract all or any portion of the services to be performed under this Agreement, the Grantee shall cause each subcontractor to also comply with the requirements of this Section 6.
 - (e) This Section 6 shall survive expiration or termination of this Agreement.

- 7. Professional Skill. It is further mutually understood and agreed by and between the parties hereto that inasmuch as Grantee represents to the City that the Grantee and its subcontractors, if any, are skilled in the profession and shall perform in accordance with the standards of said industry necessary to perform the scope of work agreed to be done by it under this Agreement, the City relies upon the skill of the Grantee and any subcontractors, to do and perform such work in a skillful manner and Grantee agrees to thus perform the services and require the same of any subcontractors. Therefore, any acceptance of such work by the City shall not operate as a release of the Grantee or any subcontractors from said industry and professional standards.
- 8. <u>Indemnification</u>. To the furthest extent allowed by law, Grantee shall indemnify, hold harmless and defend City and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by City, Grantee or any other person, and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees, litigation expenses and cost to enforce this agreement), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. Grantee's obligations under the preceding sentence shall apply regardless of whether City or any of its officers, officials, employees, agents or volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of City or any of its officers, officials, employees, agents or volunteers.

If the Grantee should subcontract all or any portion of the services to be performed under this Agreement, the Grantee shall require each subcontractor to indemnify, hold harmless and defend the City and each of its officers, officials, employees, agents, and volunteers in accordance with the terms of the preceding paragraph.

Notwithstanding the aforementioned, the Grantee recognizes that the source of funds for the grant to be provided hereunder is the allocation from the City's General funds. To this end the Grantee shall, without limitation, indemnify the City, and each of its officers, officials, employees, agents, and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs, and damages incurred by the City from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly from the negligent or intentional acts or omissions, or willful misconduct of the Grantee or any of its officers, officials, employees, agents, or volunteers in the performance of this Agreement and compliance with the requirements of the Fresno Municipal Code.

This section shall survive termination or expiration of this Agreement.

9. <u>Insurance</u>. The Grantee shall comply with all the insurance requirements in Exhibit B to this Agreement. Failure to comply and maintain the appropriate insurance may result in immediate termination of this Agreement.

At any time, upon written request of the City, the Grantee shall provide a written opinion of its legal counsel and that of any subcontractor that, after a due diligent inquiry, the Grantee and the respective subcontractor(s) are in full compliance with all laws and regulations. The Grantee shall take, and require its subcontractors to take, reasonable steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, the Grantee shall immediately notify the City of these facts in writing.
- (c) In performing the work or services to be provided hereunder, the Grantee shall not employ or retain the services of any person while such person either is employed by the City or is a member of the City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.
- (d) The Grantee represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit, or procure this Agreement or any rights/benefits hereunder.
- (e) Neither the Grantee, nor any of the Grantee's subcontractors performing any services on this Project, shall bid for, assist anyone in the preparation of a bid for, or perform any services pursuant to, any other contract in connection with this Project unless fully disclosed to and approved by the City Manager, in advance and in writing. The Grantee and any of its subcontractors shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless such interest is in accordance with all applicable laws and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, the Grantee shall remain responsible for complying with Section 10(b), above.
- (f) If the Grantee should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, the Grantee shall include the provisions of this Section 10 in each subcontract and require its subcontractors to comply therewith.
- (g) This Section 10 shall survive expiration or termination of this Agreement.

11. General Terms.

- (a) Except as otherwise provided by law, all notices expressly required of the City within the body of this Agreement, and not otherwise specifically provided for, shall be effective only if signed by the Administrator or designee.

In addition, all books, documents, papers, and records of Grantee pertaining to the Project shall be available for the purpose of making audits, examinations, excerpts, and transcriptions for the same period of time. If any litigation, claim, negotiations, audit or other action is commenced before the expiration of said time period, all records shall be retained and made available to City until such action is resolved, or until the end of said time period whichever shall later occur. If Grantee should subcontract all or any portion of the services to be performed under this Agreement, Grantee shall cause each subcontractor to also comply with the requirements of this paragraph. This Section 11(b) shall survive expiration or termination of this Agreement.

Subject to the foregoing and during the performance of this Agreement, the Grantee agrees as follows:
- (b) The Grantee or Grantee's subcontractor will comply with all applicable laws and regulations providing that no person shall, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

The fact that insurance is obtained by GRANTEE shall not be deemed to release or diminish the liability of GRANTEE, including, without limitation, liability under the indemnity provisions of this Agreement. The policy limits do not act as a limitation upon the amount of indemnification to be provided by GRANTEE. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of GRANTEE, its principals, officers, agents, employees, persons under the supervision of GRANTEE, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.

VERIFICATION OF COVERAGE

GRANTEE shall furnish CITY with all certificate(s) and applicable endorsements effecting coverage required hereunder. All certificates and applicable endorsements are to be received and approved by the CITY'S Risk Manager or his/her designee prior to CITY'S execution of the Agreement and before work commences. All non-ISO endorsements amending policy coverage shall be executed by a licensed and authorized agent or broker. Upon request of CITY, GRANTEE shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and

correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

SUBCONTRACTORS

If GRANTEE subcontracts any or all of the services to be performed under this Agreement, GRANTEE shall require, at the discretion of the CITY Risk Manager or designee, subcontractor(s) to enter into a separate Side Agreement with the City to provide required indemnification and insurance protection. Any required Side Agreement(s) and associated insurance documents for the subcontractor must be reviewed and preapproved by CITY Risk Manager or designee. If no Side Agreement is required, GRANTEE will be solely responsible for ensuring that it's subcontractors maintain insurance coverage at levels no less than those required by applicable law and is customary in the relevant industry.
