## I. PURPOSE

This document establishes the purpose of the Adult Compliance Team (ACT) as a joint and cooperative effort. Additionally, it formalizes relationships between participating agencies for policy and planning in order to create a cooperative unit capable of addressing the public safety concerns and issues facing local law enforcement in Fresno County regarding probation, post release community supervision (PRCS), and mandatory supervised release that may occur due to the passage of the Criminal Justice Realignment Act (AB 109) effective October 1, 2011.

## II. MISSION

The mission of ACT is to provide an additional layer of offender supervision to ensure offender accountability, surveillance, and supervision through mobile, intensive and evidence based practices leading to enhanced public safety and offender compliance.

## III. GOALS

- A. To reduce the occurrence of new criminal acts by targeting offenders on probation, post release community supervision, and mandatory supervised release with intensive surveillance by peace officers dedicated to enforcement of conditions of release.
- B. To identify supervised offenders who are not meeting their conditions of release in order to ensure compliance.
- C. To mitigate the need for custodial sanctions through appropriate early interventions.
- D. To document trends in the realignment population and respond efficiently to emerging trends that adversely affect public safety.
- E. To gather, collect, and provide information and direction regarding the post release community supervision (PRCS) and realignment populations for all law enforcement agencies in the County of Fresno and act as the point of contact for dissemination of offender information to law enforcement.
- F. To respond rapidly to emergency situations with knowledge and information about the offenders.
- G. To provide other public safety responses including searches as authorized by the terms of release and warrant services, as needed.

## IV. GENERAL OPERATIONAL STRATEGIES

Intensive supervision based on offender assessment, enjoined with evidence based practices, forms the cornerstone of the Fresno County AB 109 supervision model. This intensive approach is seen in the formation of ACT; an interagency public safety alliance with local law enforcement agencies and county justice partners that provides an additional level of offender

accountability and public safety. The “strike team” concept is used to describe peace officers under ACT, dedicated to particular enforcement and public safety purposes, with an immediate capacity to take action with offenders under probation supervision, post release community supervision (PCRS), and mandatory supervised release by the Fresno County Probation Department.

To this end, the participating agencies developed these operational guidelines and procedures concerning the formation of the Adult Compliance Team. The participating agencies agree jointly and separately to abide by these terms and provisions set forth throughout the formation of the joint operation.

## V. ORGANIZATIONAL STRUCTURE

The Adult Compliance Team will be co-located at the Fresno County Probation AB-109 Unit. The team will be under the administrative direction of the Probation Division Director who maintains responsibility for the Adult Probation Field operations.

The team will consist of sworn officers from the following agencies: two (2) deputy probation officers from the Fresno County Probation Department; one (1) police officer from the Fresno Police Department; one (1) police officer from the Clovis Police Department; one (1) police officer from the Selma Police Department; one (1) senior district attorney investigator from the Fresno County District Attorney’s Office; and one (1) sergeant from the Fresno County Sheriff’s Department. Dependent upon future funding, the size of ACT may fluctuate according to the number of officers and agencies.

Under the policy and planning direction of the Community Corrections Partnership (CCP), ACT will utilize an Advisory Sub-Committee of CCP.

### A. Policy and Direction

The CCP Executive Committee will establish policy and set direction for ACT consistent with the Mission and Goals stated in this document.

### B. ACT Advisory Sub-Committee of the CCP

Each law enforcement agency that assigns personnel to ACT may designate a member to the ACT Advisory Sub-Committee of the CCP. All law enforcement agencies operating within the county with an interest in ACT are welcome to attend the meetings of the ACT Advisory Sub-Committee. Appointments to and removal from the ACT Advisory Sub-Committee and appointment of a Sub-Committee Chairperson will be made by the CCP Executive Committee.

### C. Operations Commander

The assigned Fresno County Sheriff’s Department Sergeant will be the day-to-day operations commander and responsible for overall coordination of tactical field operations.

The Operations Commander has overall responsibility for the operation of ACT. The Operations Commander is accountable to the CCP Executive Committee for implementing direction set by them. The Operations Commander will liaison with individual members of the ACT Advisory Sub-Committee, and will attend meetings of the CCP as required.

D. Probation Department

All probation conditions and release compliance remains the responsibility of the AB 109 probation officer assigned to a specific offender. These conditions are predetermined before release from custody to probation, post release community supervision or mandatory supervised release. The offenders will be under the supervision of their assigned probation officer or ACT probation officer.

## VI. OPERATIONS

A. Supervision and Field Responsibility

The use of surveillance, supervision, and field contacts will be established in conjunction with Fresno County Probation Department policies and as established by the CCP Executive Committee, ACT Advisory Sub-Committee, and policies and procedures of general law enforcement accepted practices as established by statute and case law.

B. Records and Reports

All reports created by ACT related to contacts with those offenders under probation supervision, post release community supervision, and mandatory supervised release will be entered into the Adult Probation System (APS). All agencies participating on the ACT will have full access to Sharenet and the information in APS. Information sharing with other law enforcement agencies regarding offenders under probation supervision, post release community supervision, and mandatory supervised release allowing for appropriate law enforcement response is a priority for ACT.

Any additional crime, arrest, or incident report will be documented by the primary investigative officer through the use of their own departmental report writing system.

## VII. ADMINISTRATION

A. Financial Administration

Financial administration of ACT funds allocated by the CCP Executive Committee will be the responsibility of the Fresno County Probation Department Business Office through the duration of the program. In addition, the allocation and management of funds are guided by Fresno County Fiscal Policy and under the review quarterly of the CCP Finance and Audit Sub-Committee for presentation to the CCP.

B. Vehicles

Vehicles will be provided for probation staff and for participating law enforcement officers as specified in the final approved budget of the CCP and Fresno County, for use in executing the mission of ACT.

C. Communications

Each participating law enforcement agency will provide communications equipment for its own personnel. Each agency is responsible for its interagency communication operability. The policies and procedures of each agency will govern communication by its own personnel. The Fresno County Sheriff's Dispatch will be the primary contact for operations of ACT

D. Firearms

Each participating law enforcement agency will provide all necessary firearms for its own personnel. The policies and procedures of each agency will govern the use of firearms by its own personnel.

E. Equipment and Property

Any property, equipment or other items acquired with funds allocated by the CCP Executive Committee shall be the property of ACT. Upon termination of participation in ACT, each agency shall return all property of ACT, which shall be distributed as determined by the CCP Executive Committee.

F. Training

ACT assigned officers will complete training as required by their respective agencies and as approved by the Operations Commander and each law enforcement agency. Training will include training in Evidence Based Practices defined as supervision policies, procedures, programs, and practices demonstrated by scientific research to reduce recidivism among individuals under probation, parole, or post release community supervision.

G. Personnel Management

The selection of ACT members will be made by each participating agency. If any ACT policies and procedures conflict with any of the participating agencies' policies and procedures, notice of said conflict shall be immediately given to a supervisor. The supervisor will take whatever action necessary to reconcile the conflict.

Each participating agency retains full responsibility for the professional and personal conduct of its own personnel assigned to ACT. Each participating agency will follow their agency directives/MOU for working modified schedules.

## VIII. MULTI-AGENCY ADMINISTRATIVE CONCERNS

All ACT personnel will conform to their own agencies' policies and procedures as well as policies and procedures that may be required by participation in ACT.

There are a number of administrative issues or situations pertaining to individual team members which will, or may, arise. Those include, but are not limited to:

- a. Citizen Complaints
- b. Employee Evaluations
- c. On-Duty Motor Vehicle Accidents
- d. Injuries Sustained on Duty
- e. Officer-Involved Shooting

Each participating team member's agency has in place an administrative process for addressing the situations listed above. Should these situations occur, ACT will immediately notify the involved officer's agency. It will remain the responsibility of the involved officer's agency to address those situations pursuant to their own administrative process. All agencies involved in a critical incident will have the opportunity to observe other agency interviews with their own employees.

## IX. AMENDMENT
