SUBJECT: LEVINE ACT DISCLOSURE STATEMENT REQUIREMENT

The City of Fresno (City) is required to comply with the provisions of California Government Code §84308, known as the Levine Act. This law establishes disclosure and disqualification requirements for City officers in proceedings involving licenses, permits, franchises, contracts, and other entitlements for use.

Under the Levine Act, vendors, applicants, and other parties to covered proceedings must disclose whether they or their agents have made any campaign contributions of more than \$500 to City elected officials, appointed board or commission members, or candidates for City office in the 12 months preceding the submission of a proposal or application, or before any official action is taken on the matter.

To comply with these legal requirements, the City must collect a completed Levine Act Disclosure Statement before proceeding. The form you have received must be filled out and returned to the City. Please note the following:

- This form is a public record and will be made available in the Council agenda packet, if the action requires Council approval.
- Completing the form does not disqualify you from consideration.
- Failure to submit the completed form may result in delays or disqualification of your application or proposal.

We appreciate your cooperation as we implement this important transparency requirement.

LEVINE ACT DISCLOSURE STATEMENT FOR
LICENSES, PERMITS, OR OTHER ENTITLEMENTS FOR USE
(DEVELOPMENT)

Background: California Government Code § 84308, commonly referred to as the "Levine Act," prohibits City Officers from participating in any proceeding concerning a license, permit, other entitlement for use, franchise, or contract (collectively "license, permit, or contract") if they receive campaign contribution(s) from a Party or Participant to the proceeding, or their Agents, totaling more than \$500 in the preceding 12 months. The Levine Act also prohibits City Officers from accepting, soliciting, or directing campaign contributions over \$500 from Parties or Participants to a proceeding, or in *any* amount by their Agents, while a proceeding is pending and for 12 months following the final decision in a proceeding. See definitions of Party, Participant, and Agent in the Definitions attached.

Levine Act requirements apply when the City Officer or the body of which they are a member has the authority to make any decision or recommendation in the proceeding. City Officers include City elected or appointed officers, their alternates, and any candidate for elective office. City Officers are listed at the following sites:

- *City elected officers* - <https://www.fresno.gov/cityofficials/>
- *Board members and Commissioners* - <https://www.fresno.gov/cityclerk/#boards-&-commission-application>

Parties are responsible for reviewing and disclosing on the record of a proceeding their and their Agent's campaign contributions to City Officers over \$500 in the 12 months preceding any decision rendered by the agency. A "Party" to a proceeding means the applicant as well as the subject of the proceeding.

Both the applicant and the subject of a proceeding are required to provide information about campaign contributions to City Officers made by them, their Agents on behalf of them or their organization(s), their organization(s) subject to the proceeding with the City, and any organization they direct or control pursuant to the aggregation rules set forth by FPPC Reg. § 18438.5, except for uncompensated officers of a nonprofit organization. When a closed corporation is a Party or Participant to a proceeding subject to the Levine Act, the majority shareholder is subject to the disclosure and prohibition requirements of the Levine Act.
