Councilmember Arias provided an overview of the item.

Upon call for public comment, the following people addressed Council: Dez, Mary Mason, Brandi Nuse-Villegas, Davante, Cindy Piomino, Alex Sanchez, Robert McCloskey, Lisa Flores and Trisha B.

City Manager White clarified that City staff had already been given direction to open all four warming centers the previous night and to keep them open through January 31, 2023. Councilmembers were in agreement that warming center functions would take priority but requested an assessment of impacted programs.

In discussion with the Council President, City Manager White clarified the intent was for funding to come from existing appropriations in the PARCS Department.

Council discussion included: the need to update criteria for triggering warming centers; how many possessions an unhoused individual would be allowed to bring to a warming center on a FAX bus; whether or not pets would be allowed to travel to warming centers on FAX busses, and; the possibility of rotating the mobile shower units at the warming centers.
