

TEXT AMENDMENT

P24-00794

MINISTERIAL APPROVAL FOR OFFICE TO DWELLING
CONVERSIONS IN THE OFFICE ZONE, HOUSING NEAR
BUS STOPS IN MULTI-FAMILY ZONES, INFILL
RESIDENTIAL DEVELOPMENT IN MIXED USE ZONES
AND NEW RESIDENTIAL IN OFFICE ZONES

PURPOSE

- **One Fresno Housing Strategy**
 - Presented by the Mayor in April 2022
 - Includes priority to pursue the conversion of office space to affordable housing
- **Prohousing Designation**
 - City received designation from California Department of Housing and Community Development (HCD) in November 2022
 - Includes commitment to update Code to permit additional residential uses in non-residential districts
- **City Council Resolution No. 2023-064**
 - In 2023, Council instructed staff to prepare this Text Amendment to address changing dynamics of office work and Citywide housing shortages
- **2023-2031 Housing Element**
 - Adopted by City Council and certified by HCD in 2025
 - Program 2 requires amending the zoning code to allow higher density housing in high and relatively high resource areas, including allowing residential development in the office zone district

TEXT AMENDMENT

- Amends Fresno Municipal Code (FMC) Sections 15-1302, 15-4907, 15-5102, 15-6702 and 15-6802
- Establishes FMC Section 15-2742.5
- Repeals FMC Section 15-1106
- Text Amendment proposes:
 - Ministerial approval of office to dwelling conversions in the Office zone district
 - Ministerial approval of multi-unit residential development in the RM-1, RM-2, and RM-3 zone districts on parcels within one-half mile of an existing bus stop
 - Ministerial approval of multi-unit residential uses in the NMX, CMX, CMS, RMX and CR zone districts on parcels within the City's Infill Priority Area
 - Ministerial approval of new standalone multi-unit residential development in the Office zone district

DISCRETIONARY VS. MINISTERIAL APPROVAL

- Discretionary Approval
 - Review Authority can apply a variety of conditions of approval to a project
 - These conditions do not have to be a requirement in the Development Code
 - Approvals can be appealed
- Ministerial Approval
 - Review Authority determines if the project complies with standards in the Development Code
 - To qualify for ministerial approval, the project must meet **all** of the standards in the Development Code. If it does not, ministerial approval cannot be granted
 - Ministerial approvals are issued as a Zone Clearance
 - Approvals can be appealed

SENSITIVE AREAS

- Text Amendment Application No. P24-00794 would prohibit ministerial approval in the following instances:
 - Important Farmland (Prime Farmland, Unique Farmland, or Farmland of Statewide Importance), as designated by the State Department of Conservation;
 - Williamson Act contract(s);
 - Special flood hazard area (A, AE, etc.) as designated by the Federal Emergency Management Agency;
 - Safety Zones 1 (RPZ), 2 (IADZ) or 3 (ITZ) within the Airport Influence Areas as designated by the Airport Land Use Commission of Fresno County;
 - Hazardous sites (e.g. Cortese List references);
 - The project would involve the modification or demolition of a designated Historic Resource.

DEVELOPMENT OR IMPACT THRESHOLDS

- A project site that is determined to require additional review or improvements based on a technical study or analysis pursuant to any of the following must obtain a Development Permit:
 - Phase I and Phase II Environmental Site Assessment
 - If project is located on land where no urban development has ever occurred or on a site that could provide suitable habitat for special status species
 - Historic Resource evaluation
 - Changes on undisturbed land
 - SJVAPCD SPAL thresholds for low, mid and high-rise apartments
 - Construction adjacent to sensitive receptors
 - Peak hour trips for projects in traffic zones TIZ 1, TIZ 2, TIZ 3 and TIZ 4
 - CEQA Guidelines for VMT Thresholds

DEVELOPMENT OR IMPACT THRESHOLDS CONT.

- Project can be accommodated within existing infrastructure for Public Works and Public Utilities
- Noise study adjacent to sensitive receptors
- Compliance with Environmental Assessments and incorporation of associated Mitigation Measures
- Sewer flow capacity
- On-site retention or storm drainage system modifications
- Solid waste to landfill locations
- Water system demand
- Bicycle and pedestrian facilities
- Compliance with Complete Streets policy
- LOS of E or F on High Frequency transit corridors

MAP OF ELIGIBLE SITES

PROPOSED CHANGES

- The development of multi-family housing is already allowed in multi-family zones – this amendment would allow multi-family housing **ministerially** within ½ mile of a transit stop
- The development of multi-family housing is already allowed in mixed-use zones – this amendment would allow multi-family housing **ministerially** in mixed-use zones
- Residential used to be allowed in Office zones prior to the Development Code update in 2014 but currently isn't – this amendment would allow the conversion of office to multi-family residential and multi-family residential to be built in office zones whether vacant or developed site, and **ministerially**.
