VIII-B [ID 25-998](#) Workshop: Basics of Annexation

6:20 p.m.

Lara presented a workshop on the Basics of Annexation, including the Sphere of Influence, City limits versus unincorporated, City and County Tax Sharing Agreement, and general definition of an Annexation. He went into further detail of the pre-application process, including confirming logical boundaries, confirming if a property is inhabited or uninhabited, required neighborhood meetings, and the approval process. Once approved by the City, a Notice of Intent is sent to Fresno County, and an application submitted to the Fresno Local Agency Formation Commission (LAFCo). Once an Annexation is approved by LAFCo, it is recorded after a 30 day reconsideration period, and the completed documents are provided to the GIS team. Lara was available for questions.

Commissioners asked how often LAFCo denies Annexations, benefits of Annexation into the City of Fresno, how easy the process is, and cost. Lara answered that LAFCo does not deny Annexations very often as revisions can be made. Some benefits include sidewalk and street upgrades, parks, Police protection, and connection to the City of Fresno water and sewer services. He concluded that most developers apply for Annexations, and the cost is approximately \$12,000.00.

IX. REPORT BY SECRETARY

6:42 p.m.

Clark stated that the West Area Specific Plan (WASP) and Environmental Impact Report (EIR) are available for review on the City of Fresno website, and will be heard in late August. She anticipates the Central Southeast Specific Plan (CSSP) will be heard in October, and the Tower District Specific Plan (TDSP) will be heard in November. She encouraged Commissioners to read and familiarize themselves with the upcoming Specific Plans that are coming before them.

Commissioner Calandra asked for an update on the City of Fresno's Program Environmental Impact Report (PEIR). Director Clark responded that Staff is reviewing the updated document and compiling a cheat sheet, and anticipates being able to provide a quick summary at the next Planning Commission meeting.
