The Engineer's Estimate for this expenditure is \$196,690. The contract price is 29.5% above the Engineer's Estimate/Budget Allocation. If the overage is greater than 10% or only one bid was received, give explanation:

The project received two bids for the Van Ness & Olive Transit Stop project. The construction industry is experiencing significant cost increases for material and labor along with long delays for equipment acquisition. Given the current market conditions and market uncertainty, staff is recommending awarding the project.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The project will improve accessibility to a highly used transit stop in the Tower District at Van Ness & Olive. The project will narrow the roadway, reconstruct the transit stop and install improved bus shelter facilities for riders.
