Introduction

The City of Fresno Housing Element is a coordinated and comprehensive strategy for promoting the production of safe, decent, and affordable housing for all community residents. Based on community input and data, it identifies housing needs and issues and establishes goals, policies, and programs to address them. The current Housing Element, which is valid through 2023, includes 28 programs which together make up the City's housing strategy. This Annual Progress Report is a summary of the status of each of those programs for the calendar year 2022. The report is intended for the public and decision-makers and is required by the California Department of Housing and Community Development (HCD). It is prepared using a format required by HCD and includes several tables and Maps, described below.

Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 1 - Adequate Sites	Ongoing implementation and annual assessment of status of housing sites inventory as part of the annual reporting process.	Ongoing and Annually	The City is maintaining, on an ongoing basis, an inventory status report of all Housing Element Inventory Sites. The inventory status report is available to City staff to address current planning projects for consistency with the Housing Element. As of December 31, 2023, the City of Fresno has a surplus of capacity in all income categories for the 2013-2023 RHNA; the surplus capacity for Very Low/Low is 3027 units, Moderate is 743 units, and Above Moderate of 5169. For the 2008-2013 RHNA as of December 31, 2022, the City of Fresno has a surplus capacity of 8439 units.
Program 2 - Residential Densities on Identified Sites	Ongoing implementation: as part of the entitlement review process, evaluate new projects for consistency with General Plan objectives as they relate to housing and the Regional Housing Needs Assessment (RHNA) obligations. Establish procedure for the review process by April 2017. If, at any time within the Housing Element planning period, the findings indicated in §65863 cannot be made, the City shall approve a Housing Element amendment to identify adequate sites to meet the RHNA prior to approval of any density reduction. If a rezone is required to restore sites to the inventory, it shall be processed concurrently with a Housing Element amendment. As part of the Annual Review process, monitor and evaluate development on identified sites in both inventories (2008-2013 and 2013-2023). If Development Permit approvals reduce the 2008-2013 sites inventory such that it no longer meets the 2008-2013 RHNA, the City shall approve an amendment to the Housing Element to identify adequate sites to meet the 2008-2013 RHNA prior to approving additional Development Permits.	December 2016 and Ongoing	In 2016, the City established procedures for the review and monitoring of sites identified in the Housing Element sites inventory. During the entitlement review process, new projects are evaluated for their consistency with General Plan housing objectives and RHNA obligations. In 2018, the City began integrating Policy and Procedure No. G005 - Housing Element Sites Inventory Entitlement Review Process Procedure with Accela, the City's new land management system. The projects in 2022 that proposed a reduction in density were found in writing to be consistent with the General Plan and included an assessment of the Housing Sites Inventory capacity. Consistency was maintained because the inventory currently has a surplus of adequate sites identified in the Housing Element to meet its RHNA obligations.

<p>Program 3 - Annual Reporting Program</p>	<p>Partner with housing advocates and organizations to provide information to the community on housing density and affordable housing. Reach out to the community regarding these topics annually as part of a Housing Element Annual Report. Notify and invite interested community members to attend and discuss housing production progress at a public hearing. Facilitate community input on other housing and fair housing-related programs and policies as those opportunities arise.</p>	<p>Annually and As Opportunities Arise</p>	<p>In 2022, the 2021 Housing Element Annual Progress Report was presented to the Regional Task Force for Affordability on March 15, at a virtual public workshop on April 26, and in hybrid (virtual and in-person) Planning Commission workshop on May 4, and City Council hearing on May 26. Also in 2022, the City began its update of the Housing Element via the Fresno County Multi-jurisdictional Housing Element (MJHE) and conducted one public workshop on August 31, 2022 and joined the Annual Action Plan community engagement in October/November to discuss policies and programs for the update. These meetings were advertised on the City's webpage and social media pages; email invitations were sent to Fresno residents who have expressed an interest in housing issues, community benefit organizations, affordable housing developers, and governmental agencies through a 500-entity email distribution list; and foreign language (Spanish, Hmong, and Punjabi) interpretation were available. The City of Fresno continued its modified Community Participation Plan in response to the COVID-19 pandemic. During the development of the 2022-2023 Annual Action Plan, the City conducted four virtual community needs meetings via Zoom with Spanish and Hmong language interpretation made available. The Community Needs meetings were advertised online on the City's Housing and Community Development Division's webpage, the City Clerk's webpage, the City's social media pages, and community calendars operated by KFSN, KMPH, and KSEE. Additionally, Fresno residents who have expressed an interest in housing issues, community benefit organizations, affordable housing developers, and governmental agencies were notified about the meetings through a 500-entity email distribution list. Parents and school leaders were notified about the meetings through peachjar. The Fresno-Madera Continuum of Care was consulted on Emergency Solutions Grant allocations on January 6, 2022. On January 28, 2022, the Disability Affairs Commission Housing Subcommittee was consulted to discuss ways to improve affordable housing resources for people with access and functional needs. On January 27, 2022, the City held a public comment opportunity at its City Council meeting with language interpretation available. After receiving extensive community consultation, the City released its draft Annual Action Plan for additional public comment. Those comments were captured via online survey, during the City Council public hearing on April 28, 2022, by phone, and via email. Responses to each question were placed in the 2022-2023 Annual Action Plan, and the Plan was placed on the City's website for the public to view. The City also published its Consolidated Annual Performance Evaluation Report (CAPER) on the City's website on August 8, 2022. Between August 8, 2022, and September 8, 2022, the City collected public comments on its CAPER, and it notified the community that the CAPER was available for public comment by publishing a public notice in the Fresno Bee, requesting it be read in Hmong on KBIF radio, publishing it on the City's website, making a survey available for members of the community to complete, posting information on the City's social media, and being available by phone and email. In an effort to capture as much community feedback as possible, the City started its 2023-2024 Annual Action Plan outreach earlier than in previous years. With COVID guidelines pertaining to in-person meetings relaxed, the City began conducting in-person community meetings again. Between October 27 and November 28, 2022, the City conducted five in-person and four virtual meetings to gather community input on allocating Federal housing and community development funds. The in-person meetings were conducted at Romain Neighborhood Center, Mosqueda Neighborhood Center, Ted C. Wills Neighborhood Center, Legacy Commons Community Center, and Teague Elementary located in the areas of West Fresno, Southwest Fresno, and Downtown Fresno. Each of the nine community meetings had Spanish, Hmong, Punjabi, and American Sign Language interpretation available without the need to request the accommodation. In addition to the promotional methods undertaken for the previous year's Annual Action Plan, community meetings were promoted with flyers delivered door-to-door in the neighborhood surrounding the Ted C. Wills Neighborhood Center. On December 1, 2022, the City conducted a public hearing to gather additional input on the perspective 2023-2024 Annual Action Plan. The Plan is still in development, and the City anticipates its release for public comment in March 2023.</p>
<p>Program 4 - Density Bonus Programs</p>	<p>Ongoing implementation and annual reporting throughout the planning period.</p>	<p>Ongoing and Annually</p>	<p>In 2022, during the pre-application process for entitlements the City met with applicants to provide assistance including technical assistance. Projects that were eligible for density bonuses were informed of the State Affordable Housing Bonus and City of Fresno Transit Oriented Development (TOD) Height and Density Bonus. TOD height and density bonuses which can be combined with a density bonus for affordable housing. Entitlement application P22-3291, a 143 affordable housing project known as Crossroads Village and located at 3737 N Blackstone Avenue has requested to use the Affordable Housing Density Bonus to receive a concession to reduce required 12-foot-wide sidewalk to 10 feet along 2 streets. Additionally, the City allocated \$1.5 million of its second allocation of PLHA funds for the down payment assistance program. Once the City receives its executed Standard Agreements for PLHA 1 and 2 funds from the State of California, it will implement the down payment assistance program.
Program 9 - Homeless Assistance	Annual implementation as part of the Emergency Shelter Grant and Continuum of Care funding process and complete annual reporting for HUD entitlement funds throughout the planning period; Assist 100 households.	Annually	The need to provide assistance for the homeless and those at risk of becoming homeless through safe low-barrier shelter options, housing-first collaborations, and associated supportive services was a priority area identified in the 2020-2024 Consolidated Plan, and in 2022, activities were funded to work toward alleviating housing instability and homelessness for the people of Fresno. The City funded multiple activities with its federal allocations through CDBG, ESG, and HOPWA. The Living Room, funded with HOPWA dollars, is a WestCare California program that provides short-term rental and mortgage assistance, tenant-based rental assistance, transitional housing, homelessness prevention, rapid re-housing, supportive services, and housing information to homeless and at-risk of homelessness individuals affected by HIV/AIDS and their families in Fresno. The primary goals of the program were to help participants achieve both permanent housing and health stability. WestCare California also operated Project Unite with ESG funds to provide rapid rehousing and homelessness prevention services through weekly outreach activities. The program focused on engaging homeless and chronically homeless extremely low-income (30% area median income) individuals and families, including Veterans who are not eligible for housing assistance through Supportive Services for Veteran Families and VASH. The City also used CDBG to fund the Marjaree Mason Center to support the operation of an emergency shelter, five rooms within a transitional housing safe house, and transitional services for victims of domestic violence. Poverello House was awarded ESG funds for its Homeless Outreach Progressive Engagement (HOPE) Team to provide street outreach to people experiencing homelessness that live in the City of Fresno. The purpose of the team is to link people experiencing homelessness to navigation services and shelter. The Rapid Rehousing Program through Poverello was also funded with ESG to provide direct case management and rental support for those experiencing homelessness in the City of Fresno for up to one year. The program helped pay for security deposits, costs associated with PG&E arrears, and direct rental support. Case managers also worked with program participants during the one-year timeframe to develop a plan to sustain housing beyond the rapid rehousing program support. The City's federally funded programs, designed to assist people experiencing homelessness, helped 3,533 people with one or more services for unsheltered people, and 1,071 unduplicated people were assisted with overnight shelter. Using state and/or federal emergency funding, the City also funded the operations of multiple homeless shelters. The shelters included Mental Health Systems Triage Center at the Hacienda; Turning Point of Central California's Golden State Triage Center, Bridge Point Triage Center, Step Up on 99, and Journey Home at Welcome Inn; Sage Commons; and Elevate Community Service's Villa, Ambassador, and Travel Inn Triage Centers. The City also used state funding for street outreach services provided by Kingsview and Poverello House and to fund four beds for youth bridge housing provided by FEOC. The City of Fresno worked closely with the Fresno Madera Continuum of Care (FMCoC) and surrounding jurisdictions to reduce deficiencies in services to people experiencing homelessness by aligning funding and programs. The programs funded worked in tandem to support individuals through the process of obtaining housing. Funding that has been allocated to the City in addition to HUD CPD annual funding includes the Homeless Housing, Assistance, and Prevention (HHAP) Round 1, in the amount of \$6,158,246.18; the HHAP Round 2, in the amount of \$2,911,171.00; and an initial disbursement of the \$7,524,257.15 in HHAP Round 3 funding. The City was also awarded \$5,070,057.68 in Encampment Resolution Funding that will be used to address a large encampment in downtown Fresno, including the provision of emergency shelter at Poverello House's Village of Hope I. Internally the City has budgeted the HUD CPD and state funding to projects in a manner that leverages available funds to ensure that our successful projects can continue to serve individuals without an interruption in services and funds are expended on existing projects in a timely manner. The City has also allocated \$1 million of its ARPA funds to a voucher assistance and/or landlord incentive program to ensure there are resources available to support permanent housing options for individuals as they exit emergency shelters or temporary housing.

The Round 1 NOFA was released earlier this year and a project will be awarded later in 2023. In 2023, staff will engage with community members to co-create the Program Guidelines for the "Round 2" NOFA. The City continued to support owner-occupied home repair programs by allocating \$700,000 in Program Year 2022 CDBG funds to home repair programs for low- and moderate-income seniors. The funds were used to maintain the City's in-house owner-occupied home repair programs. The City has also allocated \$553,717 of its third allocation of Permanent Local Housing Allocation (PLHA) for a total of \$1.38 million in PLHA assistance to further its program focused on owner-occupied home rehabilitation for low-income people not eligible for funding through other programs, such as mobile home residents. Ongoing	In 2022, there were the following crime incidents: 60 homicides, 1877 aggravated assaults, 189 rapes, 1,000 robberies, 3264 auto thefts, 1,350 residential burglaries, 5,913 larceny, 2,742 vehicle burglaries, and 2,980 motor vehicle theft. In 2022, the Police Department continued to use Problem Oriented Policing Officers, Multi-Agency Gang Enforcement Consortium Detectives (MAGEC), Street Violence Bureau Detectives (SVB), the Patrol Division, District Safety Teams, Police Activities League, Building Better Neighborhoods (formerly known as Bringing Broken Neighborhoods Back to Life), SRO (Student Resource Officers), the Fresno Housing Officer (formerly known as ENPH) the Police-Community Relations Unit, K9 Officers, Skywatch, the Traffic Unit, Bicycle Patrol, and tools such as ShotSpotter (gunshot detection) in an effort to reduce crime in high crime neighborhoods. The City was awarded the FY22 COPS Hiring grant in October 2022 to hire twelve (12) officers, assigned to go Bike Patrol, in four policing districts – Central, Southeast, Northeast, and Northwest. The Officers will work with the residents in the high violent crime areas and homelessness as needed. Also, the City has continued partnership with the Housing Authority of Fresno along with other Housing organizations to fund two dedicated police officers for HUD contracts. These officers, one located in Southwest Fresno and the other in Southeast Fresno service local housing developments to eradicate crime. The City continues to be a part of and operate within the Multi-Agency Gang Enforcement Consortium (MAGEC), Street Violence Bureau, Patrol Division, Citizens On Patrol, and the newly established Police Community Relations Unit. Additional community education programs hosted by the Fresno Police Department are the Residents Academies – English, Spanish, Hmong and recently added Sheikh, Police Explorer Program, Teen Police Academy, Police Activities League (PAL), and Fight Girl Fitness (through PAL). The MAGEC Unit has a working relationship with the Fresno Economic Opportunities Commission (FEOC) Advance Peace (a non-profit organization) and Project Safe Neighborhood Task Force which focuses on violence intervention and prevention. The City continues to utilize the expertise of Crime Data Specialists for crime mapping and data analysis as well as technology tools such as ShotSpotter, a gunshot detection system in an effort to reduce crime in high-crime neighborhoods. Grants awarded in FY 2021 and utilized in FY 2022 include: Sexual Assault Kit Initiative (SAKI) grant, Law Enforcement Specialized Units Program – Domestic Violence (a partnership with Marjaree Mason Center), the Law Enforcement Mental Health and Wellness Act 2021 (LEMHWA), De-Escalation and Project Safe Neighborhood (PSN) 2021 and 2022 grants.
Program 26 - Fair Housing Services	Provide funding, as available, of \$25,000 per year to the Fair Housing Council of Central California (FHCCC) and provide services to 2,500 persons annually consistent with the 2015-2019 Consolidated Plan and Action Plans. Update the City of Fresno Analysis of Impediments to Fair Housing Choice by 2017. Complete ongoing implementation and annual reporting throughout the planning period.	Ongoing, Annually, and 2017	The Council of the City of Fresno adopted the 2020 Analysis of Impediments to Fair Housing (AI) Choice on May 21, 2020. The AI includes an assessment of socioeconomic conditions, segregation and integration, access to opportunity, housing profile including publicly supported housing, housing for people with disabilities, and fair housing activities. The AI also identifies barriers to fair housing choice within the City and provides recommended activities to address those barriers. The activities fall into three main categories: fair housing complaint and referral services, public fair housing education and outreach, and fair housing education and outreach to housing industry professionals. In 2022, the City maintained its Fair Housing CDBG allocation and provided funds to Resources for Independence Central Valley for fair housing outreach and education for tenants and landlords, and to conduct a series of fair housing workshops for prospective homebuyers and real estate/finance professionals.
Program 27 - Equitable Communities	Publish a General Plan Annual Report in December of 2016 with reports being filed in December of each year. Establish a residential rental inspection program by December 2017. Convene General Plan Implementation Committee in the first quarter of 2017. Review location of infrastructure projects annually and identify high need, deficient areas for infrastructure prioritization by December 2017. Conduct an affordable housing/transportation access study in 2018. Implement the actions described in bullet #7 above.	Ongoing, Annually, December 2016, January 2017, December 2017, 2018	The City receives HUD funding for capital improvement projects in CDBG areas of Fresno. The City initiated funding for pavement reconstruction, sidewalk improvements, and curb and gutter improvements in low- and moderate-income neighborhoods in two locations in 2022 – the Burroughs Elementary Neighborhood Street Reconstruction Project (Phase I) and the West Fresno Elementary and MLK Neighborhood Street Improvements Project. The City also funded additional projects for overall neighborhood street improvements – the Yosemite Middle School Complete Streets Project, the Ericson Elementary Neighborhood Project, the Highway City Neighborhood Reconstruction Project, the Maple-Gettysburg-Holland Street Reconstruction Project, the Olive-Maple-Whitney-Chestnut Street Reconstruction Project, the Shields-Cedar-Dakota-Maple Street Reconstruction Project, and the Burroughs Elementary Neighborhood Street Reconstruction Project (Phase II). Across these eight projects, it is estimated that the City will serve 66,685 people in low- and moderate-income areas. The City also used \$4.9 million in CDBG funds and to acquire property on Blackstone Avenue for the future development of a city-wide senior center. The senior center is anticipated to be about 29,000 square feet and will provide various services and indoor and outdoor amenities. The 2020-2024 Consolidated Plan also identifies Affordable Housing Development in high opportunity areas as a priority. In 2022, the City allocated \$3.1 million in HOME funds for Affordable Housing Development or Rehabilitation and an additional \$3.6 million in CDBG funds for land acquisition in support of affordable housing development. Additionally, the City allocated 28.5% of its third allocation of Permanent Local Housing Allocation for development of Affordable Multifamily Rental Housing and 28.5% for development of Affordable Single-Family Housing, focusing on areas of opportunity. Out of the total PLHA allocations, the City will have \$4.1 million for the development of Affordable Multifamily Rental Housing and another \$4.1 million for the development of Single-Family Housing. The City is awaiting receipt of executed Standard Agreements from the State of California for these funds.
Program 28 - Relocation Services	Provide relocation assistance as prescribed by law as needed.	As needed	There was no relocation assistance required during the 2022 program year.

Introduction

The City of Fresno adopted a comprehensive update to the General Plan on December 18, 2014, after extensive community participation. The General Plan establishes a long-range vision and is the primary policy framework for the physical development of the city that reflects the aspirations of the community. It contains 17 Goals, 102 Objectives, and 575 Implementing Policies that have guided decision-making to achieve equitable economic prosperity, sustainable urban form, efficient public services, diverse housing options, and overall improved quality of life for all Fresnoans. The General Plan contains seven elements required by State law (Land Use, Circulation, Open Space, Conservation, Safety, Noise, and Housing) and five optional elements (Economic Development and Fiscal Sustainability, Public Utilities and Services, Historic and Cultural Resources, Healthy Communities, and Implementation). Each Element contains narrative, Objectives, and Implementing Policies to achieve the Goals of the General Plan.

The 2014-adopted General Plan is particularly notable from prior comprehensive planning efforts in that it did not expand the City's Sphere of Influence (SOI) and focuses on obtaining half of new residential development within City Limits (measured by the location of the City Limits on December 31, 2012). In promoting the attainment of Complete Neighborhoods, it introduced new Mixed-Use land use categories, allowing for higher density housing and commercial uses to be co-located near high-frequency transit service, including the City's BRT route along Blackstone and Kings Canyon Avenues.

About the Annual Progress Report

Government Code Section 65400 and 65700 mandates that all cities and counties submit an Annual Progress Report (APR) on the General Plan to the local legislative body, the Governor's Office of Planning and Research (OPR), and the Housing and Community Development Department (HCD). APRs must be presented to the local legislative body for review and acceptance, usually as a consent or discussion item on a regular meeting agenda.

This APR fulfills State requirements and provides community members and the City Council with an update of progress in implementing *your* General Plan.

Presentation to the City Council

This report will be presented to the City Council on March 30, 2023, under ID-23-493.
