1. The Contractor shall prevent employees, consultants, or members of governing bodies from using their positions for purposes including, but not limited to, the selection of subcontractors, that are, or give the appearance of being, motivated by a desire for private gain for themselves or others, such as family, business, or other ties. In the event that the Agency on Aging determines that a conflict of interest exists, any increase in costs associated with the conflict of interest may be disallowed by the Agency on Aging, and such conflict may constitute grounds for termination of the Agreement.
2. This provision shall not be construed to prohibit employment of persons with whom the Contractor's officers, agents, or employees have family, business, or other ties, so long as the employment of

such persons does not result in a conflict of interest (real or apparent) or increased costs over those associated with the employment of any other equally qualified applicant, and such persons have successfully competed for employment with the other applicants on a merit basis.

N. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit this Agreement. There has been no agreement to make commission payments in order to obtain this Agreement.

 - d. Failure of the service provider to comply with any of the requirements set forth in CDA regulations or in this Agreement.

This is not to be construed as limiting the Contractor from paying any differences in costs, from funds other than those provided by this Agreement, between the CalHR rates and any rates the Contractor is obligated to pay under other contractual agreements. No travel outside the State of California shall be reimbursed unless prior written authorization is obtained from the Agency on Aging and the State. [SCM 3.17.2.A(4)]
5. The Agency on Aging reserves the right to refuse payment to the Contractor or later disallow costs for any expenditure, as determined by the Agency on Aging to be noncompliant with this Agreement, unrelated or inappropriate to Agreement activities, or when inadequate supporting documentation is presented, or where prior

approval was required but was not requested or not granted.

B. Accountability for Funds

1. The Contractor shall maintain accounting records for funds received under the terms and conditions of this Agreement. These records shall be separate from those for any other funds administered by the Contractor, and shall be maintained in accordance with Generally Accepted Accounting Principles and Procedures and the Office of Management and Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. D. Funding Contingencies

1. It is understood between the parties that this Agreement may have been written before ascertaining the availability or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.
2. This Agreement is valid and enforceable only if sufficient funds are made available to the State, and subsequently to the Agency on Aging, by the United States Government or the Budget Acts of the appropriate fiscal years for purposes of the contracted program(s). In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or the Legislature that may affect the provisions, terms, or funding of this Agreement in any manner.
3. Payment for performance by the Contractor shall be dependent upon the availability of future appropriations by the Legislature or Congress for the purposes of this Agreement and approval of an itemized budget. No legal liability on the part of the State or the Agency on Aging for any payment may arise under this Contract until funds are made available; the itemized budget is approved by the State; and the Contractor has received an executed Agreement.

4. If funding for any State or Agency on Aging fiscal year is reduced or deleted by the State, Legislature, or Congress for the purposes of this program, the Agency on Aging shall have the option to either:
 - a. Terminate the Agreement pursuant to Section A.1 of Article XVII, *Termination*, of this Agreement; or

- B. The final date to submit a budget revision to the Agency on Aging for this Agreement will be determined by the Agency on Aging's Director of Finance.
- C. Indirect Costs
 1. The maximum reimbursement amount allowable for indirect costs is ten percent (10%) of the Contractor's Modified Total Direct Costs (MTDC), excluding in-kind contributions and nonexpendable equipment unless there is an accepted negotiated rate accepted by all Federal awarding agencies [2 CFR 200.414(c)(1),(f)] [45 CFR 75.414(c)(1),(f)].
 2. Contractors requesting reimbursement for indirect costs shall retain on file an approved indirect cost rate accepted by all federal awarding agencies or an allocation plan documenting the methodology used to determine the indirect costs.

4. For major Institutes of Higher Education and major nonprofit organizations, indirect costs must be classified within two broad categories: "Facilities" and "Administration." "Facilities" is defined as depreciation on buildings, equipment and capital improvement, interest on debt associated with certain buildings, equipment and capital improvements, and operations and maintenance expenses. "Administration" is defined as general administration and general expenses such as the director's office, accounting, personnel and all other types of expenditures not listed specifically under one of the subcategories of "Facilities" (including cross allocations from other pools, where applicable).  - d. Program Income may not be used to meet the matching requirements of this Agreement.
 - e. Program Income must be used to expand baseline services.
 - f. If as a result of advanced funds, the project earns interest on funds awarded by the Agency on Aging, that interest shall be identified as income to the program and used for program expenditures, with full documentation on file for all programs.

E. Line Item Budget Transfers

The Contractor may transfer Agreement funds between line items under the following terms and conditions:

 - c. Matching contributions must be used for allowable costs in accordance with the Office of Management and Budget cost principles.
2. Minimum matching contributions for ARP grants awarded by the Fresno-Madera Area Agency on Aging is 100%.

Payments made after a decision to withhold funds or terminate the Agreement will be governed by Article XVII, *Termination*.

- F. The Contractor shall require its subcontractors under this Agreement, other than units of local government which are similarly self-insured, to maintain adequate insurance coverage for general liability, Workers Compensation liabilities, and if appropriate, automobile liability including non-owned automobile and professional liability, and further, the Contractor shall require all of its subcontractors to hold the Contractor harmless. The subcontractor's Certificate of Insurance for general and automobile liability shall also name the Contractor, not the Agency on Aging, as the certificate holder and additional insured. The Contractor shall maintain Certificates of Insurance for all of its subcontractors.
- G. The Contractor shall require language in all subcontracts to require all subcontractors to indemnify, defend, and save harmless the Agency on Aging, its officers, agents, and employees from any and all claims and losses accruing to or resulting from any contractors, subcontractors, suppliers, laborers, and any other person, firm, or corporation furnishing or supplying work services, materials, or supplies in connection with any activities performed for which funds from this Agreement were used and from any and all claims and losses accruing or resulting to any person, firm, or corporation who may be injured or damaged by the subcontractor(s) in the performance of this Agreement.

 - a. The costs of a financial statement audit of a non-federal entity that does not currently have a federal award may be included in the indirect cost pool for a cost allocation plan or indirect cost proposal.
 - b. Pass-through entities may charge federal awards for the cost of agreed-upon-procedures engagements to monitor subcontractors who are exempted from the requirements of the Single Audit Act, 2 CFR §200 and 45 CFR §75, Subparts F – Audit Requirements. 2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, write NEW at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Visit www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. Definitions:

In-Kind consists of services and/or supplies provided free of charge to your organization from an outside source.

Matching Funds (cost-sharing) means the value of third-party in-kind contributions and that portion of the costs of a grant-supported project or program not borne by the federal government.¹ Neither costs nor the values of third-party in-kind contributions may count towards satisfying a cost-sharing or matching requirement of a U.S. Department of Health and Human Services grant if they have been or will be counted towards satisfying a cost-sharing or matching requirement of another federal grant, a federal procurement contract, or any other award of federal funds.² In other words, matching funds are your share of the program costs plus any in-kind program costs that are not otherwise dedicated to another federal funding source.

Program income cannot be used to meet matching requirements. Program income can only be used to fund the expenses for the respective program for which the program income was received and must be spent before grant funds.

Minimum matching contribution for ARP grants awarded by the Fresno-Madera Area Agency on Aging is 100%.

Any funds used for the contracted program that meet the definition of “matching funds” should be entered in budget fields that require entry of matching funds.

Non-Matching funds are other federal awards and/or cash or in-kind costs used to match other federal awards.

Deferred Program Income is unspent program income from the prior year contract that have been approved by the FMAAA to be carried forward to the current year contract. A letter must be on file with the FMAAA detailing the program income and requesting approval to carry them forward to the new contract.

Indirect costs are those: a) incurred for a common or joint purpose benefiting more than one cost objective; and b) not readily assignable to the cost objectives specifically benefited, without effort disproportionate to the results achieved. To facilitate equitable distribution of indirect expenses to the cost objectives served, it may be necessary to establish a number of pools of indirect costs within a governmental unit department or in other agencies providing services to a governmental unit department. Indirect cost pools should be distributed to benefited cost objectives on bases that will produce an equitable result in consideration of relative benefits derived.

If your organization has a federally approved Cost Allocation Plan, attach a copy of the plan to the budget. If your organization is charging the contracted program indirect costs based on an internal cost allocation plan (a plan other than a federally approved Cost Allocation Plan), provide a full disclosure of the method used that includes a listing of the types of services/supplies

¹ *Federal Grants Management Handbook* Grants Management Advisory Service, February, 1992, Subpart G Ss 74.51.

² *Federal Grants Management Handbook* Grants Management Advisory Service, February, 1992, Subpart G Ss 74.53.

included in the cost allocation plan. This plan must have the prior approval from the FMAAA before being used.

One-Time Start-Up Costs:

The budget for start-up costs must be accompanied with a written plan explaining how these funds are to be utilized along with description of the materials or supplies needed for preparing the site.

Examples of reimbursable costs to be included only as "Start-Up Costs" and needed for reopening the site are listed below. This list is not exhaustive. Please contact FMAAA staff with any questions about the costs associated with your particular start-up plan before submitting your budget.

- Special one-time pest control fumigation services.
- Special one-time janitorial services.
- Cleaning supplies needed for preparing the site for reopening.
- Payroll costs for provider staff for cleaning and preparing for reopening the site.
- Replacement of small kitchen utensils, storage containers.
- Maintenance and repairs to equipment essential for and dedicated solely to the congregate meal program.

The fiscal reports for the expenditure of these funds **must** be accompanied with the supporting invoices.

The reimbursement of provider staff compensation **must** be supported with time sheets reflecting the hours spent preparing the site along with a brief description of the tasks performed.

The invoices for the services of outside vendors must identify what services were performed, the location of the service, what equipment was repaired (if applicable) and any other information necessary to readily identify how these services are connected with the preparation for reopening the site.

If a position works 25 hours per week, and 10 hours of this week is spent on the contracted program, the percentage of time on program would be 40% (10 hours divided by 25 hours).</p> <p><i>Note: Current 2 CFR 225 guidelines state that an organization receiving federal funds may budget by estimated percentage; however, the organization must keep adequate records indicating the actual time worked and reconcile cost allocations for personnel to actual time worked periodically during the grant period. This can be achieved by funding positions across differing cost objectives and keeping time logs. Time logs must be certified by the employee and at least one supervisor, and must be available during a fiscal monitoring.</i></p>
