

PARKS MASTER PLAN

WHAT, WHEN, HOW

What is a Park Master Plan
What is the Process
Who is Involved

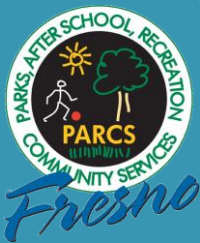

PARK MASTER PLAN – WHAT IS IT?

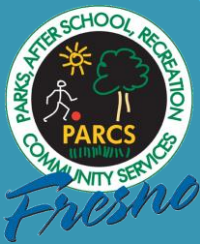

- Comprehensive Document Related to Parks, Programming, and Development
 - ✓ Identifies Current/Existing Conditions
amenities, life cycle, maintenance levels, and associated costs
 - ✓ Sets the Vision – typically 20 years
 - ✓ Establishes Policies
 - ✓ Sets Standards
 - ✓ Provides Guidance on How, When, Where, and How Much

The Result: An Economically/Environmentally Viable Plan

PARK MASTER PLAN PROCESS - SIMPLIFIED

ANALYSIS: LIFECYCLE REPLACEMENT COSTS

PROS and Precision Engineering have evaluated Fresno's park system and assessed the asset value of the system at \$266,360,720.

Within the next 10 years, the capital improvement funding needed for lifecycle replacement is \$112,748,025.

- This number does not include Operations and Maintenance costs.

SITE ASSESSMENT TRENDS

FAIR

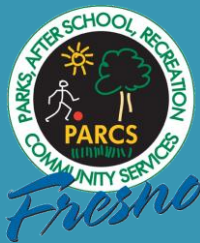

The average access score (including sidewalks, transit, etc.)

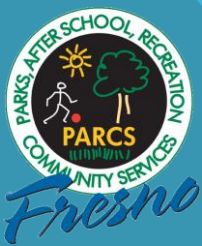

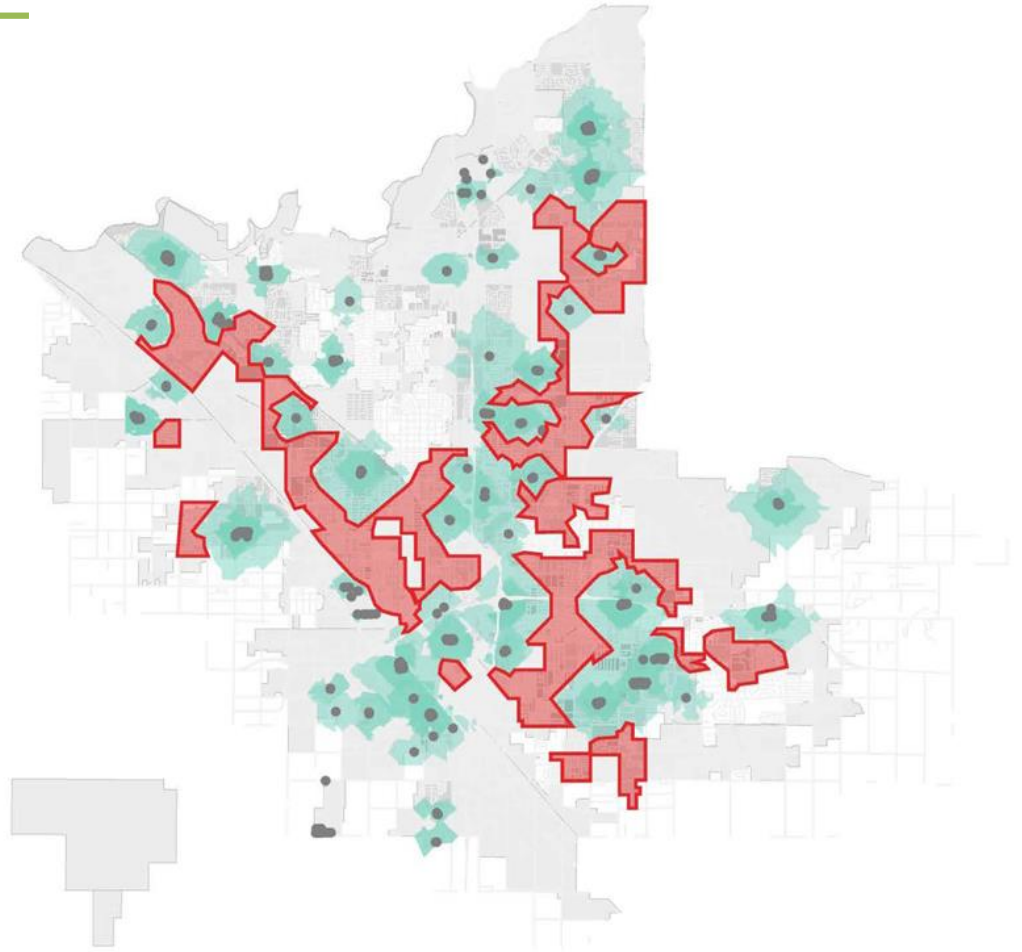

13%

The average shade coverage in the parks assessed

AREAS IN **RED** CONTAIN
OVER 50,000 PEOPLE
AND LACK
NEIGHBORHOOD
AMENITIES

BUCKET STRATEGY

BUCKET 1

CRITICAL

Critical projects that address lifecycle replacement and repair of existing facilities

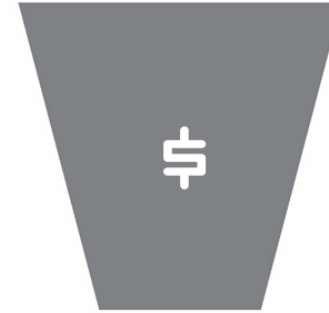

BUCKET 2

SUSTAINABLE

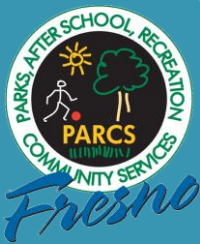

Sustainable projects that make strategic changes to the system to create new

BUCKET 3

VISIONARY

Complete park renovation, acquisition, and new parks

Park Planning & Finance: Understanding Cost “Buckets”

Bucket 1:

Annual Maintenance Cost for Fresno’s 1,100 Acres

\$7,700,000 – \$11,000,000

(Northern CA standard maintenance spending averages 7K - \$10K per acre)

\$2,750,000

(City of Fresno spends \$2.5K per acre on maintenance)

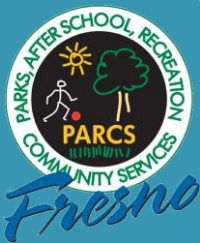

OUTREACH

INPUT FROM RESIDENTS - THE PROCESS

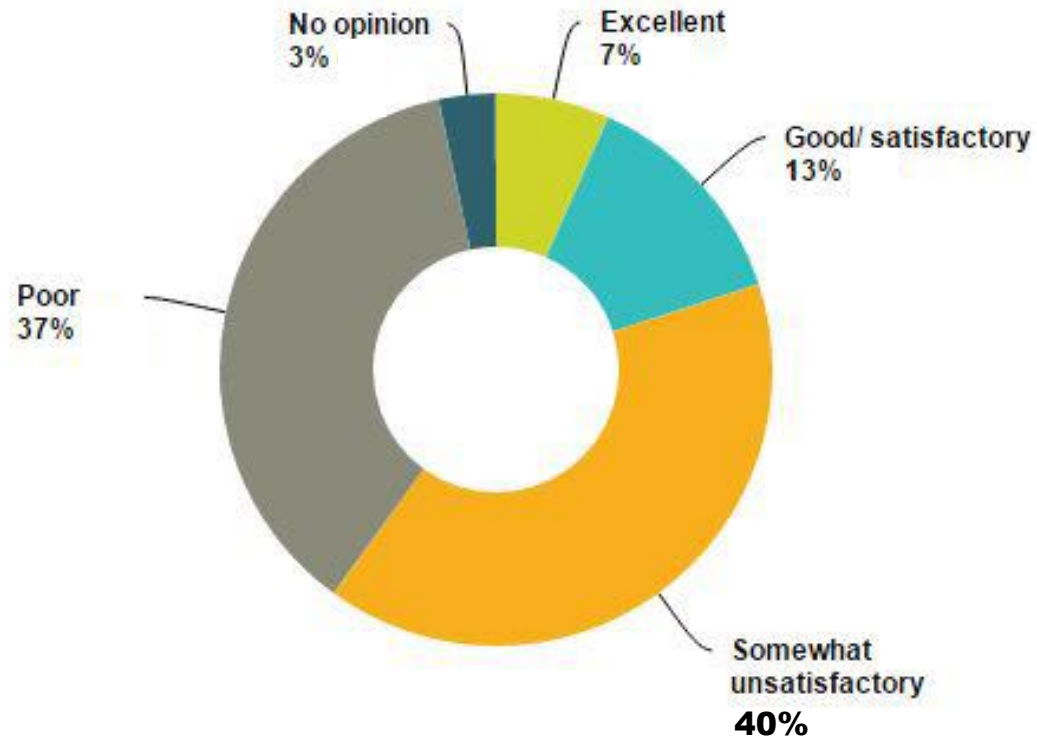

STAKEHOLDER ENGAGEMENT

- Complete On-line Survey
- Identify Representative for Stakeholder Mtg.
- Pop Up Events
- Participate in Community Outreach
- Attend Public Meetings

TRENDS FROM INITIAL SURVEY RESULTS

Overall, how would you rate the parks and recreation amenities available to Fresno residents?

DISTRICT MEETINGS

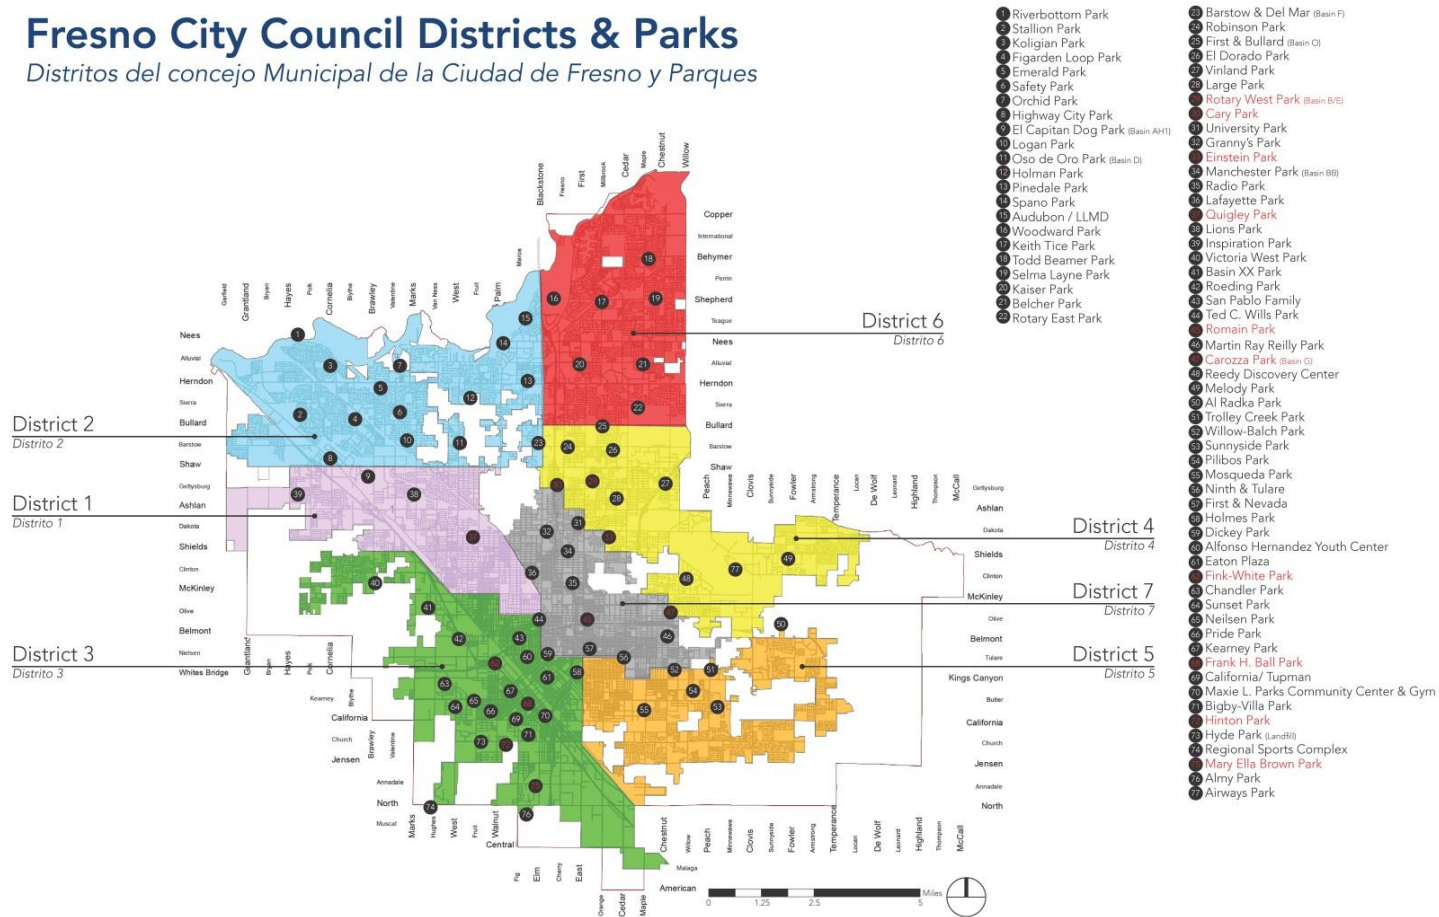

INPUT FROM RESIDENTS - THE PROCESS

Fresno City Council Districts & Parks

Distritos del concejo Municipal de la Ciudad de Fresno y Parques

Council District 1:

Prioritize Parks for Improvement

Distrito del Concejo 1:

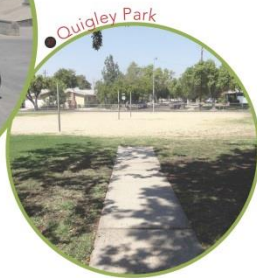

Priorizar las mejoras para parques

Place a dot next to the name of the park you would like to see improved in your council district (3 dots total)

Coloque un punto al lado del nombre del parque que a usted le gustaría ver que se mejore en su distrito de Concejo (usa un total de 3 puntos)

District Key Map

Mapa de Claves de Distrito

Council District 1 Parks | Parques en el Distrito del Concejo 1

- El Capitan Dog Park (Basil AH)
- Quigley Park
- Lions Park
- Inspiration Park

Place dots in table

Coloque los puntos dentro de la tabla

Parks in red indicate poor condition parks from a limited review of 25
Los parques en rojo indican condiciones malas en base a un estudio limitado de 25 parques

Tell Us About Parks In Your District

Cuéntanos sobre los parques en su distrito

Write things you like, dislike, or ideas you have about specific parks in your council district

Escriba sobre las cosas que le gustan, disgustan, o ideas que tiene usted sobre parques específicos en su distrito de concejo

Pot Prioritization: How to spend the \$? Establecer Prioridades ¿Cómo usar el dinero?

Park Maintenance/
Lifecycle Replacement
Mantenimiento de Parques/
Ciclo de Vida de Reemplazo

Park Renovation
Renovación de Parques

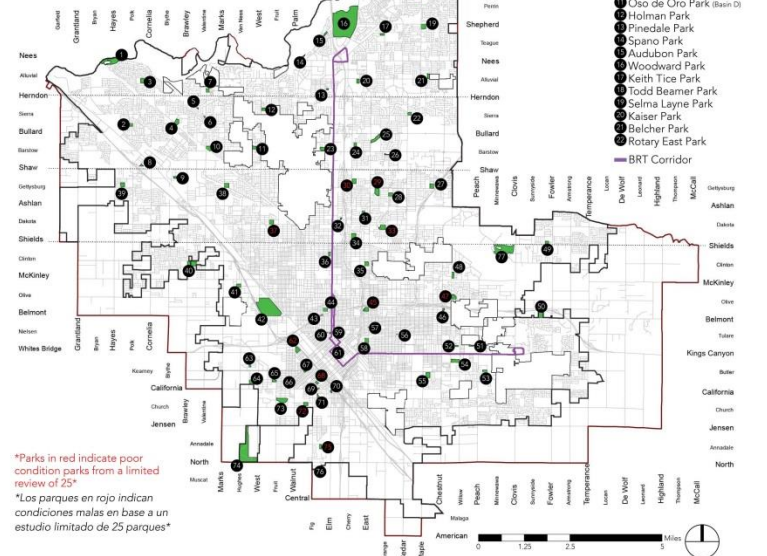

New Park Creation
Creación de Parques Nuevos

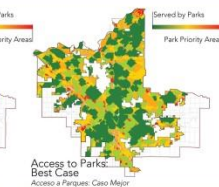

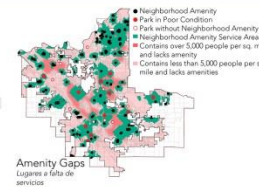

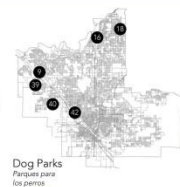

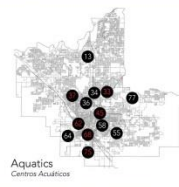

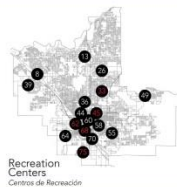

Park Prioritization Exercise Ejercicio de Priorización de Parques

Identify on the map:
Top 3 parks for improvement
Top 3 locations for new parks

*Identifique en el mapa tres parques donde usted quiere
ver mejoras y tres localidades buenas para nuevos parques.*

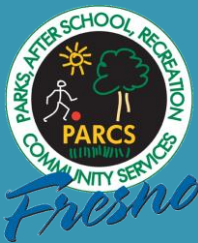

*Parks in red indicate poor
condition parks from a limited
review of 25*
*Los parques en rojo indican
condiciones malas en base a un
estudio limitado de 25 parques*

Urban Greening Strategies

Estrategias para el Reverdecimiento Urbano

Place a dot to identify the top 3 urban greening strategies you would like to see in your council district

Coloque un punto para identificar las 3 estrategias de reverdecimiento urbano de mayor importancia en su distrito de concejo

New Parks & Open Space | Nuevos Parques & Espacios Abiertos
Build new parks, trails, natural areas | Construir Nuevos parques y áreas naturales

Tree Canopy | Árboles de Sombra
Shade, street trees | Sombra, árboles en la carretera

Urban Agriculture & Community Gardens | Agricultura Urbana & Jardines Comunitarios
Locally grown, community gathering | Localmente cosechado, oportunidades para reunir como comunidad

Drought Tolerant, Low Maintenance Vegetation | Vegetación de Bajo Mantenimiento, Tolerante a la Sequía
Water conservation | Conservación de Agua

Pedestrian & Bicycle Infrastructure | Infraestructura para Peatones y Ciclistas
Repair & add safe sidewalks, trails, bike lanes | Reparar y agregar banquetas, vías, y carriles de bicicleta

Stormwater Management | Manejamiento de Agua de Lluvia
Clean water, protect aquifer | Agua limpia, proteger acuífero

Technology | Tecnología
Water & energy savings, resource measurement | Ahorro de agua y energía, métrica de recursos

Beautification | Embellecimiento
Mulching, planting, park maintenance, murals, art & education | Abono orgánico, plantar, mantenimiento de parques, murales, arte y educación
