RECOMMENDATION

Adopt Resolution of Intention to Annex Final Parcel Map No. 2007-41 as Annexation No. 58 to the City of Fresno Community Facilities District No. 9 (CFD No. 9) and to Authorize the Levy of Special Taxes.

EXECUTIVE SUMMARY

The landowner (Fancher Creek Town Center, LLC) has petitioned the City of Fresno (City) to have Final Parcel Map No. 2007-41 (86 Acre Commercial Development) annexed to CFD No. 9 to provide funding for the Services (as hereinafter defined) pertaining to certain above ground public improvements associated with this Commercial development. The cost for these Services for the public improvements totals \$1,632.25 per acre annually for Fiscal Year 2022-2023. Annexation No. 58 is located entirely within City limits. The Resolution of Intention begins the process, sets the required public hearing for Monday, June 5, 2023, at 10:00 am, and defines the steps required to complete the annexation. (Reference attached Location Map.)

BACKGROUND

New commercial, industrial, and multi-family subdivisions and parcel maps have different needs and standards than those of a standard single-family residential subdivision. Commercial, industrial and multi-family subdivisions are traditionally self-maintained with different proprietary requirements for landscaping, signage, and general designs. CFD No. 9 is designed to accommodate these requirements by providing funding for services for certain required public improvements along the perimeters of these developments. On December 16, 2008, the Council of the City of Fresno adopted Council Resolution No. 2008-351, forming CFD No. 9 to provide funding for the Services for certain public improvements located within and adjacent to public streets on the perimeter of commercial, industrial, and multi-family subdivisions as described and permitted pursuant the Goals and Policies for CFD No. 9 and the City of Fresno Special Tax Financing Law, Chapter 8, Division 1, Article 3 of the

Fresno Municipal Code (City Law) and the Mello-Roos Community Facilities Act of 1982 (Chapter 2.5, commencing with Section 53311, of Part 1, Division 2, Title 5 of the California Government Code).

The landowner has petitioned the City to have Final Parcel Map No. 2007-41 annexed to CFD No. 9 to provide funding for the operation and reserves for maintenance (Services) pertaining to certain above ground public improvements located within City street easements, official City Trails/required public trail easements and landscaping easements located between required sound walls and adjacent to City streets. These improvements may include landscaping, trees, and irrigation systems; concrete curbs and gutters, valley gutters, median curbs and hardscaping, sidewalks and curb ramps; trail or park amenities, street name signage, street lighting, and local street paving as associated with this subdivision/development. (Reference attached Location Map.)

Final Parcel Map No. 2007-41 is located entirely within City limits.

The attached Resolution of Intention initiates the annexation process, sets the public hearing for Monday, June 5, 2023, at 10:00 am, sets the Maximum Special Tax at a total of \$1,632.25 to be apportioned proportionately for each acre within Annexation No. 58 annually for fiscal year 2022-2023, and sets the annual adjustment of the Special Tax to be adjusted upward annually by 2% or by the rise of the Construction Cost Index (CCI), if it exceeds 2% for the San Francisco Region.

Annexations to existing community facilities districts are permitted under City Law. The legislative body must follow certain prescribed procedures as outlined below:

- Adoption of a Resolution of Intention to Annex to CFD No. 9
- Required 7-day minimum Notice of Public Hearing
- Public hearing on Annexation and Levy of Special Tax
- Call a Special Mailed-Ballot Election on the proposed Special Tax
- Declare the Results of the Election
- Formal Adoption of Special Tax Levy (if election passes)

The attached Resolution has been approved as to form by the City Attorney's Office.

ENVIRONMENTAL FINDINGS

Pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15378 this action does not qualify as a "project" and is therefore exempt from CEQA requirements.

LOCAL PREFERENCE

Local preference was not considered since this item does not include a bid or award of a construction or services contract.

FISCAL IMPACT

No City funds will be involved. All costs will be borne by the landowner as set forth in Exhibit D of the Resolution of Intention attached herein.

B. CALCULATIONS

COMMERCIAL AND INDUSTRIAL DEVELOPMENTS OR SUBDIVISIONS

On or about April 1 of each fiscal year, the City of Fresno (City) or its designee shall determine how many square feet of taxable area are in each assessor’s parcels within each commercial or industrial development or subdivision of CFD No. 9.

For commercial or industrial developments or subdivisions, the area to be taxed is the total area within each assessor’s parcels of the subdivision or development not designated as public right-of-way and is not to exceed the Maximum Special Tax identified for the development or subdivision in Section C, Table 1 below.

RESIDENTIAL SUBDIVISIONS

On or about April 1 of each fiscal year, the City or its designee shall determine how many residential units are built, or allowed to be built, on assessor’s parcels within CFD No. 9. For parcels of undeveloped property zoned for development of multi-family units, the number of residential units shall be determined by referencing the condominium plan, apartment plan, site plan or other development plan, or by assigning the maximum allowable units permitted based on the underlying zoning for the parcel. Once a multi-family building or buildings have been built on an assessor’s parcel, the City or its designee shall determine the actual number of residential units contained within the building or buildings, and the special tax levied against the parcel in the next fiscal year shall be calculated by dividing the Special Tax Requirement by the actual number of residential units not to exceed the Maximum Special Tax per residential unit identified for the subdivision in Section C, Table 1 below.

C. MAXIMUM SPECIAL TAX

The Maximum Special Tax (MST) applicable to each assessor’s parcel in CFD No. 9 shall be specific to each development, subdivision, subdivisions, or portion thereof within CFD No. 9. When additional property is annexed into CFD No. 9, the rate and method adopted for the annexed property shall reflect the MST for the development, subdivision, subdivisions, or respective portion thereof then annexed.

EXHIBIT D

The MST applicable to each development, subdivision, subdivisions, or portion thereof in CFD No. 9 shall be the rate that is created at the time of CFD No. 9 annexation expressly for the individual development, subdivision, subdivisions, or portion thereof being annexed to CFD No. 9 at that time. Beginning in January of each year, the MST will be adjusted upward annually by 2% or by the rise of the Construction Cost Index (CCI), if it exceeds 2%, for the San Francisco Region for the prior 12-month period (December through December) as published in the Engineering News Record, or published in a comparable index if the Engineering News Record is discontinued or otherwise not available. Each annual adjustment of the MST shall become effective on the subsequent July 1.

Subject to the maximum limit set by the MST, the Special Tax for the commercial, industrial or multi-family development or subdivision assessor's parcels is calculated by spreading the Special Tax Requirement to the total taxable square footage of the development or subdivision and then apportioned proportionately by area to the individual assessor's parcels within the development or subdivision or by the number of residential units as applicable.

The total Maximum Special Tax for Fiscal Year 2022-2023 for Annexation No. 58 of CFD No. 9 is identified in Table 1 below:

Table 1 Maximum Special Tax (Fiscal Year 2022-2023)*	
<i>Final Parcel Map No. **</i>	<i>Total Maximum Special Tax for Services per acre</i>
2007-41	\$1,632.25

**A Special Tax shall be levied on all assessor's parcels within an identified development or subdivision except excluded parcels as identified in Attachment 1.

D. METHOD OF LEVY AND COLLECTION OF THE SPECIAL TAX

Commencing with Fiscal Year 2022-2023, the Special Tax shall be levied on all parcels of taxable property as follows:

- Step 1: Determine the Special Tax Requirement (as defined in Section A above) for the fiscal year in which the special tax will be collected;
- Step 2: Calculate the total special tax revenues that could be collected from taxable property within CFD No. 9 based on applying the Maximum

EXHIBIT D

Special Tax rates determined pursuant to Section C above to each parcel of taxable property in CFD No. 9;

If the amount determined in Step 1 is greater than or equal to the amount calculated in Step 2, levy the Maximum Special Tax set forth in Table 1 above on all parcels of taxable property in CFD No. 9;

If the amount determined in Step 1 is less than the amount calculated in Step 2, levy the Special Tax proportionately against all parcels of taxable property up to 100% of the Maximum Special Tax for each subdivision as identified in Table 1, until the amount of the Special Tax levy equals the Special Tax Requirement for that fiscal year.

The Special Tax for CFD No. 9 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 9 may (under the authority of Government Code 53340), in any particular case, bill the taxes directly to the property owner off of the County of Fresno tax roll, and the Special Taxes will be equally subject to penalties and foreclosure if delinquent.

E. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on parcels that have been conveyed to a public agency, except as otherwise provided in City Law, and properties receiving a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code. In addition, no Special Tax shall be levied on excluded parcels or parcels that are determined not to be developable lots.
