Professional:	California Department of Transportation Central Region Calmentor Steering Committee, <i>Past Chair</i> Landscape Architecture Advisory Committee, Cal Poly, San Luis Obispo, <i>Former Vice-Chair</i>

Mr. Mears brings over 25 years of experience to the Designlab 252 team. He has a broad background in business, including sales, marketing, and operations of small to medium sized organizations. He also has experience in construction, having worked in the trades in his youth and later as a Real Estate and Land Developer. Mr. Mears is a former City Councilman and has chaired a number of key committees overseeing city capital improvements. He is a former board member of a public owned utility company overseeing an annual budget of \$187 million dollars. He has lobbied Congress on a wide range of municipal and transportation issues. He is an experienced Project Manager and has managed complex, multi-million dollar, construction, engineering, and manufacturing projects. This experience has included industry leading residential projects and local and state highway work that required the work and process coordination of multiple governmental agencies to bring about successful resolutions.
