<b><u>BIDDERS</u></b>	<b><u>TOTAL NET BID AMOUNT</u></b>
1. F.D. Thomas 217 Bateman Drive Central Point, OR 97502	\$1,200,010.00
2. Euro Style Management 1401 Main Avenue Sacramento, CA 95838	\$1,233,000.00

---

Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, June 5, 2023 5:00 P.M.

The Engineer's Estimate for this expenditure is \$1,300,000.00. The contract price is 7.7% below the Engineer's Estimate/Budget Allocation. If the overage is greater than 10% or only one bid was received, give explanation:

**BACKGROUND OF PROJECT** (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The Fresno-Clovis Regional Wastewater Reclamation Facility (Facility) is a biological, secondary level treatment facility, treating about 68 million gallons per day of wastewater conveyed from the Fresno-Clovis area. The Facility operates 13 mesophilic anaerobic digesters to eliminate pathogens and volatile organic compounds from the biosolids generated throughout the treatment process. The digesters range in size from 860,000 to 1,870,000 gallons. Over the period of approximately seven years, these digesters accumulate undesirable debris associated with the treatment process (i.e. sand, plastics, hair, etc.).

Following routine maintenance and inspections of the Digesters #1 and #12, seepage stains and visible concrete surface cracks were discovered. This project includes the routine cleaning and dewatering of the digesters, and removal and replacement of the existing interior coating, which has exceeded its life expectancy.
