Introduction

The City of Fresno Housing Element is a coordinated and comprehensive strategy for promoting the production of safe, decent, and affordable housing for all community residents. Based on community input and data, it identifies housing needs and issues and establishes goals, policies, and programs to address them. The current Housing Element, which is valid until 2023, includes 28 programs which together make up the City's housing strategy. This Annual Progress Report is a summary of the status of each of those programs for the calendar year 2021. The report is intended for the public and decision-makers and is required by the California Department of Housing and Community Development (HCD). It is prepared using a format required by HCD and includes several tables and Maps, described below.

Table A.	Information on housing applications that were Submitted in the reporting year.
Table A2.	Information on housing activity by income level (Completed Entitlements, Building Permits and Constructed Units) in the reporting year.
Maps.	Maps representing housing applications and activity (Submitted, Entitled, Permitted and Constructed) in the reporting year.
Table B.	An automatically generated summary of prior permitting activity in the current planning cycle, including permitting activity for the calendar year being reported.
Table C.	Information on sites identified or rezoned when a city or county has a shortfall of Housing Element sites. In 2021, the City of Fresno retained a surplus of housing element capacity on its identified sites, therefore there was nothing to report for this table for 2021.
Table D.	Updates on the implementation of the 28 Housing Element programs.
Table E.	Information on bonuses delivered to commercial sites that enter into an agreement for partnered housing projects. In 2021, there were no commercial bonuses granted, therefore there is no information to report for table for 2021.
Table F.	An optional report of units that have been substantially rehabilitated, converted from non-affordable to affordable by acquisition, and preserved, including mobilehome park preservation. There is no information reported for this table for the year 2021.
Table G.	Information on locally owned lands that are also Housing Element Sites that have been sold, leased, or otherwise disposed of. The City of Fresno has no such sites to report for the year 2021.
Table H.	Information on locally owned or controlled lands that were declared as surplus pursuant to Government Code Section 54221 or Identified as Excess Pursuant to Government Code Section 50569.
LEAP Summary.	Updates on the status of programs identified in the jurisdiction's LEAP grant application.

As part of its Annual Progress Reporting process, the City is required to seek public input. We hope this report will facilitate public discussion and will continue to guide the implementation of the City's Housing Element. More information is available about the City's Housing Element at www.fresno.gov/housingelement, including a Highlights Brochure in Spanish, Hmong, and Punjabi which summarizes the 2021 Housing Element Annual Progress Report.

Housing Programs Progress Report
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	**Objective**	**Timeframe in H.E**	**Status of Program Implementation**
Program 1 - Adequate Sites	Ongoing implementation and annual assessment of status of housing sites inventory as part of the annual reporting process.	Ongoing and Annually	The City is maintaining, on an ongoing basis, an inventory status report of all Housing Element Inventory Sites. The inventory status report is available to City staff to address current planning projects for consistency with the Housing Element. As of April 1, 2022, the City of Fresno has a surplus of capacity in all income categories for the 2013-2023 RHNA; the surplus capacity for Very Low/Low is 3,910 units, Moderate is 748 units, and Above Moderate of 5,372. For the 2008-2013 RHNA as of April 1, 2021, the City of Fresno has a surplus capacity of 8,608 units.
Program 2 - Residential Densities on Identified Sites	Ongoing implementation: as part of the entitlement review process, evaluate new projects for consistency with General Plan objectives as they relate to housing and the Reginal Housing Needs Assessment (RHNA) obligations. Establish procedure for the review process by April 2017. If, at any time within the Housing Element planning period, the findings indicated in §65863 cannot be made, the City shall approve a Housing Element amendment to identify adequate sites to meet the RHNA prior to approval of any density reduction. If a rezone is required to restore sites to the inventory, it shall be processed concurrently with a Housing Element amendment. As part of the Annual Review process, monitor and evaluate development on identified sites in both inventories (2008-2013 and 2013-2023). If Development Permit approvals reduce the 2008-2013 sites inventory such that it no longer meets the 2008-2013 RHNA, the City shall approve an amendment to the Housing Element to identify adequate sites to meet the 2008-2013 RHNA prior to approving additional Development Permits.	December 2016 and Ongoing	In 2016, the City established procedures for the review and monitoring of sites identified in the Housing Element sites inventory. During the entitlement review process, new projects are evaluated for their consistency with General Plan housing objectives and RHNA obligations. In 2018, the City began integrating Policy and Procedure No. G005 - Housing Element Sites Inventory Entitlement Review Process Procedure with Accela, the City's new land management system. The projects in 2021 that proposed a reduction in density were found in writing to be consistent with the General Plan and included an assessment of the Housing Sites Inventory capacity. Consistency was maintained because the inventory currently has a surplus of adequate sites identified in the Housing Element to meet its RHNA obligations.

Program 3 - Annual Reporting Program	Partner with housing advocates and organizations to provide information to the community on housing density and affordable housing. Reach out to the community regarding these topics annually as part of a Housing Element Annual Report. Notify and invite interested community members to attend and discuss housing production progress at a public hearing. Facilitate community input on other housing and fair housing-related programs and policies as those opportunities arise.	Annually and As Opportunities Arise	The 2020 Housing Element Annual Progress Report (APR) public workshops were held remotely on April 20 and 27, 2021. There were 98 attendees. City staff provided an overview of the APR, and Self-Help Enterprises and Fresno Housing Authority staff also presented accomplishments for 2020. Questions and comments from the public were received at both workshops. Polling was conducted to gauge participant priorities of Housing Element objectives. A 500-person housing stakeholder email list was used to distribute information about the workshops. Display ads were placed in the Fresno Bee (English) and Vida en el Valle (Spanish) to advertise the May 13, 2021 City Council public hearing, availability of the APR, and public comment period. During 2021, the City had to make adjustments to its Annual Action Plan outreach strategy in response to the COVID-19 pandemic. It conducted two virtual community needs workshops in support of its 2021-2022 Annual Action Plan where language interpretation was available in Spanish and Hmong. In preparation for the virtual workshops, the City released public notices through the Fresno Bee in English and Vida en el Valle in Spanish. It also had the announcement read on-air on KBIF, a Hmong-language radio station. The City also placed information about the meetings on various online community calendars, on fliers which were distributed throughout the City to local community centers and places of worship. Additionally, the City used its social media platforms to release information about the workshops, and fliers in English, Spanish, and Hmong were released through Peach Jar – a resource used by school districts to disseminate information. Community benefit organizations, affordable housing developers, and governmental agencies were notified about the meetings through a 500-entity email distribution list. The Disability Affairs Commission Housing Subcommittee was consulted on January 22, 2021 to discuss ways to improve affordable housing resources for people with access and functional needs. The Fresno-Madera Continuum of Care was consulted on Emergency Solutions Grant allocations on January 14, 2021. On January 28, 2021, the City held a public comment opportunity at its City Council meeting with Spanish and Hmong interpretation available. After extensive community consultation, the City released its draft Annual Action Plan for additional public comment. Those comments were captured via online survey, during the City Council public hearing on April 22, 2021, by phone, and via email. Responses to each question were placed in the 2021-2022 Annual Action Plan, and the Plan was placed on the City's website for the public to view. The City also published its Consolidated Annual Performance Evaluation Report (CAPER) on the City's website on September 16, 2021. Between August 13, 2021 and September 16, 2021, the City collected public comments on its CAPER, and it notified the community that the CAPER was available for public comment by publishing a public notice in the Fresno Bee, requesting it be read in Hmong on KBIF radio, publishing it on the City's website, making a survey available for members of the community to complete, posting information on the City's social media, and being available by phone and email.
Program 4 - Density Bonus Programs	Ongoing implementation and annual reporting throughout the planning period.	Ongoing and Annually	In 2021, during the pre-application process for entitlements the City met with applicants to provide assistance including technical assistance. Projects that were eligible for density bonuses were informed of the State Affordable Housing Bonus and City of Fresno Transit Oriented Development (TOD) Height and Density Bonus. TOD height and density bonuses which can be combined with a density bonus for affordable housing. Application P21-02506 at 7521 N Chestnut Avenue is a 105 unit affordable multifamily apartment complex known as Avalon Commons Phase I/II that claimed an Affordable Housing Density Bonus. Application P21-04394 at 7376 N College Avenue is an 8 unit affordable multifamily apartment complex that claimed an Affordable Housing Density Bonus reduced parking incentive. Application P21-02291 at 1240 N Crystal Avenue is a 21 unit motel conversion to affordable housing known as Step Up to 99. Application B19-12571 at 1661 E Home Avenue is an 88 unit affordable multifamily apartment complex that claimed an Affordable Housing Density Bonus. Application P20-04734 along with B20-08692 thru 6 and B21-14356 received a Transit Oriented Development Height and Density Bonus. Application P19-0521 along with B19-00637 thru 47 at 1515 E Annadale Avenue claimed an Affordable Housing Density Bonus incentive.

Program 5 - Housing Funding Sources	Annual assessment of funding opportunities and status of housing sites inventory as part of the annual reporting process; Ongoing implementation and annual reporting throughout the planning period.	Ongoing and Annually	The City receives funding through annual entitlement programs administered by the Department of Housing and Urban Development. In 2021, the City received $7,184,218 through the Community Development Block Grant (CDBG) Program, $606,586 through the Emergency Solutions Grant (ESG) Program, $3,289,681 through the HOME Investment Opportunities (HOME) Program, and $714,258 through the Housing Opportunities for Persons with AIDS/HIV (HOPWA) Program. Additionally, in March 2021, the American Rescue Plan Act (ARPA) was signed into law making the City eligible for an additional $11,922,873 through the HOME-ARP program for activities related to increasing housing opportunities for people experiencing homelessness; people at risk of homelessness; people fleeing (or attempting to flee) domestic violence, sexual assault, dating violence, stalking, human trafficking, or labor trafficking; and other populations. To qualify for these funds, the City is required to complete a HOME-ARP Allocation Plan, and it is currently working toward its completion. The City also received entitlement grants from the California Department of Housing and Community Development. In 2021, it received $5,296,470 through the Permanent Local Housing Allocation (PLHA) Program and $7,524,257.15 through the Homeless Housing Assistance and Prevention (HHAP) Program. It also was awarded $2,500,000 through a competitive grant called the Local Housing Trust Fund. The City is also pursuing a competitive grant through the State of California for the Encampment Resolution Fund Program. Funds are used to assist local jurisdictions in ensure the wellness and safety of people experiencing homelessness in encampments, including their immediate physical and mental wellness and safety needs arising from unsheltered homelessness and their longer-term needs addressed through a path to safe and stable housing throughout the State. The City also pursued Homekey 2 funding from the State of California to acquire and convert motels into affordable housing.
Program 6 - Strengthening Partnerships with Affordable Housing Developers	Ongoing implementation and annual reporting throughout the planning period; annual review and assessment of potential funding opportunities; convene annual meeting, starting in the Fall of 2016, with housing stakeholders to identify development barriers, funding opportunities, and opportunities for development of affordable and special needs housing; and administer Community Housing Development Organization (CHDO) funds as part of the Consolidated Plan process and annual Action Plan update.	Fall of 2016, Ongoing and Annually	Throughout 2021, the City communicated with affordable housing developers about Federal, State, and local funding sources available for affordable housing. Through the City's partnership with FCTC, LP a development of 120 units in a multifamily housing project called Sarah's Court in the Clovis and Tulare area is underway. The City assisted developers applying for Low Income Housing Tax Credits (LIHTC) by submitting letters of support for various projects. The City provided technical assistance to JCL Development, LLC; the Fresno Housing Authority; Corporation for Better Housing; and Lance-Kashian. For the 2021 rounds of LIHTC funding, the City of Fresno as the local reviewing agency, assisted the California Tax Credit Allocation Committee with the review and evaluation of a new multi-family affordable housing unit project with 141 units at 2434 S. Elm Avenue; 41 units from a combination of new construction and adaptive re-use of an existing building for affordable multi-family housing; 60 new affordable multi-family housing units at Chestnut and Alluvial; the 78 new affordable multi-family units at 1538 Clinton Avenue; 240 new multi-family affordable housing units through two phases at Sarah's Court at 200 Salma Avenue; and 64 units at a substantially rehabilitated motel at 1101 N. Parkway Drive. The City also assisted developers through technical assistance of affordable housing development projects funded with federal dollars. These projects included 17 new affordable single-family homes; 3 substantially rehabilitated affordable multi-family housing units at M Street and Santa Clara Street; and 33 affordable single-family homes in the Florence/Plumas area. Finally, the City completed its 2020 Consolidated Annual Performance Evaluation Report (CAPER) in 2021. The City published a draft report for a 30-day public comment period and conducted outreach to request public comment on the draft CAPER. Additionally, the City held a public hearing at the September 16, 2021 City Council meeting. Council approved the CAPER and it was submitted to HUD.

Program 7 - Special Needs Housing	Annual implementation as part of the HUD Entitlement Grant and Continuum of Care funding process; 500 households assisted with temporary shelter during the planning period (62.5 households per year).	Annually	The City uses many programs and funding sources to address special needs housing. Activities undertaken through utilizing CDBG, HOME, ESG, HOPWA, and City General Funds include efforts to reduce poverty and improve the quality of life for residents. The City's ESG and HOPWA funds provide direct assistance to homeless individuals or those at risk of becoming homeless. From July 1, 2020 to June 30, 2021, annual HUD entitlement funds of $610,018 in ESG and $636,124 in HOWA were awarded to subrecipients who provided 581 people with emergency shelter and street outreach services, 82 people with tenant-based rental assistance, 62 people with homelessness prevention, and 56 people with rapid rehousing (all unduplicated). Twenty of those persons received benefits through the Housing Opportunities for Persons with AIDS/HIV (HOPWA) program. The City also continued to expend state funding for homeless response and one-time emergency funds to address homelessness in response to COVID-19. As of December 31, 2021, 8,019 unsheltered persons were provided supportive services; 510 beds were added to the system; 2,793 unduplicated persons were assisted with overnight shelter, riage, or bridge housing; 4,017 people exited the system, and there were 1,039 exits to permanent housing. The funds are being scheduled to be expended through December 2026 to stabilize the system and updates will continue to be included in future reports.
Program 8 - Home Buyer Assistance	Contingent on state funding availability, assist 10 households annually and complete annual reporting throughout the planning period. Develop and implement a marketing program to target resources to eligible homebuyers within 4 months of receipt of Calhome Program funds from HCD. Marketing shall occur on an ongoing basis, and at least annually from receipt of funds.	Annually	The City has allocated $971,100 of funding through its first allocation of Permanent Local Housing Allocation (PLHA) program for a down payment assistance program for low- and moderate-income first-time home buyers. Additionally, the City allocated $1.5 million of its second allocation of PLHA funds for the down payment assistance program. Once the City receives its executed Standard Agreements for PLHA 1 and 2 funds from the State of California, it will implement the down payment assistance program.

Program 9 - Homeless Assistance	Annual implementation as part of the Emergency Shelter Grant and Continuum of Care funding process and complete annual reporting for HUD entitlement funds throughout the planning period; Assist 100 households.	Annually	The need to provide assistance for the homeless and those at risk of becoming homeless through safe low-barrier shelter options, housing-first collaborations, and associated supportive services was a priority area identified in the 2020-2024 Consolidated Plan, and in 2021, activities were funded to work toward alleviating housing instability and homelessness for the people of Fresno. The City funded multiple activities with its federal allocations through ESG and HOPWA. The Living Room is a WestCare California program that provides short-term rental and mortgage assistance, tenant-based rental assistance, transitional housing, homelessness prevention, rapid re-housing, supportive services, and housing information to homeless and at-risk of homelessness individuals affected by HIV/AIDS and their families in Fresno. The primary goals of the program were to help participants achieve both permanent housing and health stability. WestCare California also operated Project Unite which provided rapid rehousing and homelessness prevention services through weekly outreach activities. The program focused on engaging homeless and chronically homeless extremely low-income (30% area median income) individuals and families, including Veterans who are not eligible for housing assistance through Supportive Services for Veteran Families and VASH. Emergency shelter services for adults and their children made homeless, or at risk of homelessness, due to domestic violence were made available through Marjaree Mason Center. Funds also supported costs for emergency services including a 24/7 hotline; crisis response; and expenses related to emergency shelter support services such as food, mental health support, case management and coordinated entry system services that assist with longer-term housing and overall stability. Marjaree Mason Center also provided support services for individuals impacted by domestic violence who were either homeless or at risk of homelessness due to the abuse. Funds through the program supported three rooms in the emergency safe house that were used to provide up to 90 days of support to low- and moderate-income individuals or families rather than the 30 days typically allowed. In addition to increasing the length of time clients can receive shelter, Marjaree Mason Center enhanced services by implementing evidence-based therapeutic programs for clients and evidence based clinical training to counselors. Poverello House had its Homeless Outreach Progressive Engagement (HOPE) Team funded to provide street outreach to people experiencing homelessness that live in the City of Fresno. The purpose of the team is to link people experiencing homelessness to navigation services and shelter. The Rapid Rehousing Program through Poverello was also funded to provide direct case management and rental support for those experiencing homelessness in the City of Fresno for up to one year. The program helped pay for security deposits, costs associated with PG&E arrears, and direct rental support. Case managers also worked with program participants during the one-year timeframe to develop a plan to sustain housing beyond the rapid rehousing program support. Using state and/or federal emergency funding, the City also funded the operations of

Program 9 - Homeless Assistance (Continued)	Annual implementation as part of the Emergency Shelter Grant and Continuum of Care funding process and complete annual reporting for HUD entitlement funds throughout the planning period; Assist 100 households. (Continued)	Annually (Continued)	(Continued) multiple homeless shelters during 2021. The shelters included Mental Health Systems Triage Center at the Hacienda; Turning Point of Central California's Golden State Triage Center, Bridge Point Triage Center, and Journey Home at Welcome Inn; Sand Triage Center; and Travel Inn Triage Center. The City also used state funding for street outreach services provided by Kingsview and Poverello House and to fund four beds for youth bridge housing provided by FEOC. The City continued its participation in the FMCoC and consulted the FMCoC to develop the allocations for ESG funding. The City also worked closely with the FMCoC and County to coordinate homeless response efforts. As of December 31, 2021, the City's homelessness funding has assisted 8,019 persons with one or more services for unsheltered persons, and 2,793 unduplicated persons were assisted with overnight shelter, triage, or bridge housing. Four thousand seventeen persons have exited the system, with 1,039 exiting to permanent housing situations. In 2021, the City launched the Homeless Assistance Response Team (HART). Over the past two years, Fresno has spent $144 million dollars to combat homelessness. One of the main investments during the pandemic has been the purchase of motels to convert to emergency shelters. The City approved sale agreements in January to acquire two more motels: the Ambassador Inn and the Villa Motel near the Parkway Drive area. Also in 2021, 600 people were moved from freeway encampments to motel housing through Project Offramp. 80% of the people who were offered shelter took advantage of it, and 50% of them are successfully transitioning into permanent types of housing.
Program 10A - Mobile Home Parks	Compile a list of financial resources for residents and park owners for maintenance and preservation, and outreach to stakeholders by January 2017. Compile a list of mobile home parks (not individual units), mobile home preservation experts, and non-profits by the end of 2017. Conduct annual outreach to park owners and non-profit organizations interested in preservation of mobile home units, starting January, 2018	January 2017	The Housing and Community Development Division distributed the Annual Mobile Home Rent Review and Stabilization forms to mobilehome parks in December 2021. The forms provide the Park Owners and the Rent Review Committees with information on the City's Mobilehome Park Rent Review and Stabilization Ordinance. Included in the packet are the updated Consumer Price Index and application forms to be returned to the City. The Park Owner is required to submit copies of the rent increase application to the Residents' Committee Chairperson and the City per Section 12-2009 of the City's Ordinance. The City provides administrative support for both mobilehome committee members and owners in the implementation of the ordinance. The City has allocated 9.5% of its Permanent Local Housing Allocation (PLHA) funds for owner-occupied home rehabilitation for low-income homeowners for residents who are currently ineligible under existing owner-occupied home repair programs to include mobile homes. The 1st-year funding for this activity is $323,900 and the 2nd-year funding totals $503,165. The City is awaiting receipt of executed Standard Agreements from the State for these funds. Once received, the City will implement the program. The City adopted the Mobile Home Park Act in 2021 and in July, by agreement with the State of California HCD, the City took over enforcement of mobile home parks within its city limits. As a result of the adoption of the Mobile Home Park Act, the City's Code Enforcement Department created the Mobile Home Inspection Team which oversees the health and safety ordinances and the Planning and Development (P&D) Department created a new review and inspection process and team which oversees the permitting of mobile home placement and site improvements. Since the inception of this new P&D process, there have been 16 mobile home placements on site submitted, 45 entitled, 5 permitted, and 2 placed on site.

Program 10B - Housing Choice Vouchers	Ongoing implementation and annual reporting throughout the planning period; Provide information on the Housing Choice Voucher Program and list of developments that accept vouchers at City counters and website by November 2017; Identify properties in high opportunity areas for outreach efforts by June, 2017 and support the Housing Authority's outreach to those areas on an annual and ongoing basis.	November 2016, January 2017, Ongoing and Annually	The Fresno Housing Authority (FHA) launched a Landlord Incentive Pilot in March 2021 and added additional incentives in June 2021 to encourage landlords to either stabilize or bring on new units to the program in efforts to encourage them to house families during the COVID-19 pandemic. The pilot was funded through the use of CARES funding to monetarily incentivize landlords to rent to voucher recipients searching for affordable units within FHA's jurisdiction. We paid out $140,000 to landlords during the incentive period from mid-June 2021 to mid-December 2021. All incentives expired on 12/31/2021 in accordance with the sunset of CARES funding availability. FHA held a virtual Landlord Outreach workshop on December 9, 2021 at 10am and 6pm. The workshop provided information to new and existing Landlords regarding FHA partnership, what the process looks like when coming onto the program as a Landlord, and the inspections process. 31 landlords attend the virtual workshop and an additional 14 were sent a recording of the workshop. FHA received positive feedback regarding the information provided. As of January 2022, the number of Housing Choice Voucher (HCV) holders in High Opportunity Areas (HOAs) is 120, or 1.15% of all voucher holders in the city. In addition to HCV, the Fresno Housing Authority also administers special programs such as VASH, HOME etc... which are rental assistance programs that extend into HOAs as well. Combining these special programs with HCVs the total number of households receiving rental assistance in HOAs is 125 or 1.21% of all voucher holders in our city.
Program 11 - Fresno Green	Ongoing implementation of the Fresno Green program and annual reporting throughout the planning period.	Ongoing and Annually	The City continues to offer the Fresno Green program to developers as an incentive to build sustainably, which in turn, reduces utility costs to homeowners or renters. No housing projects received Fresno Green certification in 2021, as the program has been nearly superseded by the latest CalGreen Building Code and California Energy Code and other State mandates such as the Model Water Efficient Landscape Ordinance. The City updated its Greenhouse Gas Reduction Plan with the adoption of the Fresno General Plan Program Environmental Impact Report on August 19, 2021 which includes sustainability measures for new buildings.
Program 12 - Downtown Development Standards	Annually assess residential development activity in Downtown Fresno as part of the annual reporting process, starting 2017. Initiate adjustments to the DDC if constraints to the production of housing are identified.	Mid-2016	Citywide there were 31 properties that received a plan amendment and rezone (not including pre-zones); none were within the Downtown Planning Area (DPA). In 2021, the DPA received 21 Custom Single Family Residences (3 were submitted for entitlement, 1 for building permits, 4 entitled, 4 permitted, and 9 built), 13 Accessory Dwelling Units (6 were submitted for entitlement, 3 entitled, 2 permitted, and 2 built), 1 Mobile Home built, 11 Apartments (37 units submitted for entitlement, 9 units submitted for building permits, 120 entitled, 40 permitted, and 3 built), and 4 Hotel Conversions into living units (127 units entitled, and 84 built).
Program 12-A - Downtown Displacement Prevention	Annually gather data on lease rates, vacancy rates, rent burden, rental rates, restricted affordable housing covenant expirations, and if applicable, displacement as part of the annual reporting process, starting in 2018. Convene Task Force within 3 months of release of first annual report on displacement in 2018. If displacement is observed, within 6 months identify a set of actions that give displaced persons or businesses the opportunity to remain in the area if desired.	Early 2018, Spring 2018, Ongoing and Annually	The Planning & Development Department continued implementation of Program 12A throughout 2021 by releasing two companion reports on displacement by the Thrivance Group for public review and comment. The first one was entitled Here to Stay: A Policy-Based Blueprint for Displacement Avoidance in Fresno (June 2021) and the second one was a Public Comment analysis (October 2021) of comments received on the first document. Public engagement at all stages of this process occurred through various means: two workshops held on January 28 and June 14; regular Anti Displacement Task Force meetings held on February 23, October 12, October 28, and December 16, 2021. In addition, 4 Community Study Sessions were held to discuss the report on July 22, August 12, 19 and 26. These meetings included facilitated small group discussions about displacement and proposed policies. At the end of the year at the December 16, 2021, the Anti-Displacement Task Force meeting, top anti-displacement priorities were identified for consideration by the City Council. It is expected that City Council will take action on the recommendation in 2022. Documents and meeting recordings are available at www.transformfresno.com and www.fresno.gov/housingelement.

Program 13 - City of Fresno's Home Energy Tune-Up (HETU) Program	Ongoing implementation and annual reporting throughout the planning period. Estimated 1,100 households served per year.	Ongoing and Annually	As funding was discontinued for this program, the City has discontinued offering this program. Instead, the City has pursued opportunities to ensure its municipal buildings are using energy resources efficiently. In 2021, the City finished energy efficiency and solar projects at Fresno City Hall and the Municipal Service Center (MSC). These projects will save the City 951,000 kilowatt hours (kWh) of energy use, $212,000 in annual energy costs, and save the environemnt the equivalent to removing 145 vehicles off the road or powering 81 homes annually. This also amounts to 673 metric tons of CO2 emmisions avoided. Also in 2021, the City put in place plans for the following parks and public safety energy efficiency projects in 2022: LED lighting upgrades at 73 sites, HVAC upgrades at 20 sites, system controls upgrades at 43 sites, transformer upgrades at 10 sites, mobile backup generators at one Fire and at one police station, and energy efficiency improvements of at least 10 new Measure P parks. These projects will save the City 3.5 million kWh of energy use, $1.4 million in first year energy costs, $22.6 million over 15 years, and save the environment the equivalent of removing 539 gas powered vehicles off the road or powering 299 homes annually. This will amount to 2,480,673 metric tons of CO2 emmissions avoided.
Program 14 - Expedited Processing/Business Friendly Fresno	Ongoing implementation and annual reporting throughout the planning period; Review development incentives every two years and modify or add development incentives that will facilitate the development of affordable housing.	Ongoing, Annually and every two years	In 2021, the Development Review Committee (DRC) provided pre-application assistance to 174 projects, 40 of which were housing related, and provided subdivision map pre-application assistance to 41 projects, 39 of which were housing related. 97 projects received an Inner City Fee Reduction (Planning Entitlement) in 2021. In 2021, the DRC improved the review comment letters, communication with applicants, submittal checklists, updated the distribution list, and added assistance with submittals in Accela Citizen Portal (FAASTER) and cannabis retail reviews. Two projects received Infill Incentive Fee Waivers for a total of $219,086. Four single family residential projects received development fee waivers that totalled $29,268 via the Residential Build Act application process. In 2020, the City applied for and received an HCD LEAP grant with funds set aside for catalyst site development. The City is looking to use some of this funding to to develop affordable housing sites. Also, apart of the LEAP grant was funding for an Accessory Dwelling Unit program to include 5 pre-approved construction plans to be used as second dwelling units, small primary starter homes, and housing for individuals and families experiencing homelessness. In 2021, the pre-approved plans were designed and in January 2022 the plans were submitted to the Planning and Development Department for permitting as standard plans. In July 2021, the City Council established a Local Housing Trust Fund (LHTF). In 2021, the City launched the Homeless Assistance Response Team (HART). Over the past two years, Fresno has spent $144 million dollars to combat homelessness. One of the main investments during the pandemic has been the purchase of motels to convert to emergency shelters. The City approved sale agreements in January to acquire two more motels: the Ambassador Inn and the Villa Motel near the Parkway Drive area. Also in 2021, 600 people were moved from freeway encampments to motel housing through Project Offramp. 80% of the people who were offered shelter took advantage of it, and 50% of them are successfully transitioning into permanent types of housing. In 2021, the Building & Safety Services Division also improved the permit and approval process for customers including hiring 11 new staff members in key positions, creating a new review process and inspection team for mobile home parks, creatinged a streamlined housing team (EDT), creating an Accela Information Services Division Team, reducing timelines for back checks, developing a new electronic submittal record request (LP records), and improving coordination between City departments to streamline site plan permit process.
Program 15 - Development Incentives	Assist 2 housing developments annually and complete annual reporting throughout the planning period.	Ongoing and Annually	Twelve of the twenty-five projects submitted in the Downtown Planning Area for entitlement in 2021 received approval in less than 75 days. Four of these projects were motel conversions into dwelling units many of which will provide temporary housing for the homeless.

Program 16 - Large and Small Lot Development	Implement the Voluntary Parcel Merger Program and fee reduction program by mid-2016. Establish a policy and guidelines for the requirements of a Specific Plan or phasing process for large site development by December 2017. Establish a monitoring program by June 2017 and include a biennial review process for development (or lack thereof) on large and small lots, include an annual review process for monitoring the percentage of affordable units developed on large lots, and create an incentive program for affordable units on those sites after the first year of monitoring.	Mid-2016, December 2017 and biennial	In 2021, construction occurred on 15 Housing Element sites that are under 1 acre and on 18 sites that are over 10 acres. Of those that are under 1 acre, ten were single family residences (1 Habitat for Humaity affordable house) and 2 were affordable multifamily 4-plexes. Of those that were over 10 acres in size, all produced single family residences for a total of 619 dwelling units. One Housing Element site under 1 acre in size received 8 single family residences while all of the sites over 10 acre in size developed as single family subdivisions. There were no affordable housing projects built on any site under 1 acre or over 10 acres in size. In 2021, the City perfected 12 Voluntary Parcel Mergers, one of which involved Housing Element Sites.
Program 16-A- State Laws Related to Housing Development	Review Development Code for compliance with State laws by May 2017. If needed, present findings to the City Council for consideration of any amendments or revisions required by September 2017. Provide written information on the City's development standards related to secondary dwelling units at the City's Planning and Land Use Division counter and on the City's website by January 2018.	May 2017, September 2017, January 2018	This program was introduced in 2017 with the May 2017 amendment to the Housing Element. In 2019, the Planning & Development Department created handouts for the public counter to help inform about the State ADU standards. The Department also initiated review and evaluation of the latest State laws as they relate to the Development Code, which were carried over into 2020 and 2021. In 2020, the City received LEAP Grant funding to update the City's ADU ordinance, create pre-approved ADU designs & construction drawings, and marketing/guidebook material. In 2020, the City Council also approved $50,000 to go towards the development of pre-approved ADU designs & construction drawings which is being used together with LEAP grant dollars. In 2021, work has been underway to update the City's ADU ordinance, create pre-approved ADU designs & construction drawings, and marketing/guidebook material.
Program 17 - Agricultural Employees (Farmworker) Housing	Review Development Code for compliance with the Employee Housing Act by January 2017. If needed, present to the City Council for consideration of any amendments or revisions required by July 2017.	January 2017 and July 2017	The Agricultural Employees Housing (AEH) Act was reviewed and no changes to the Development Code are necessary, because it currently meets the requirements of the AEH as Development Code Section 15-2716 states “Regarding Agricultural Labor Housing, in the event of a conflict between this Code and California Health and Safety Code section 17021.6, relating to agricultural land use designations for employee housing, the Health and Safety Code shall prevail.” However, in order to increase clarity between the Code and State law, Planning staff will prepare a Text Amendment to updated the Code's Use Tables to add "agricultural labor housing" as a permitted use in each zone that currently permits agricultural uses. staff intends to pursue this update in 2022.
Program 18 - Infrastructure Priority Program	Ongoing implementation and annual reporting throughout the planning period	Ongoing and Annually	There are administrative orders in place to insure that all development applications are considered, reviewed, and approved without prejudice.
Program 19 - Water and Sewer Service Providers	Provide Housing Element within 30 days of adoption.	Within 30 days of adoption	On March 30, 2017, a copy of the Fresno General Plan 2015-2023 Housing Element was sent to the City of Fresno Department of Public Utilities Water Division and Wastewater Division, as well as to the Pinedale County Water District and the Bakman Water Company which supply water to a segment of households within the city limits.

Program 20 - Comprehensive Code Enforcement	Complete 8,000 inspections annually, pursue resolution of cases identified through the inspection process, and develop Task Force recommendations by mid-2017. This includes consideration of a residential rental inspection program to proactively ensure rental housing units in the City of Fresno meet minimum health and safety standards and are safe to occupy.	Annually and mid-2017	The Community Compliance Unit is responsible for traditional code enforcement complaints and enforcement. This Unit has 28 inspectors assigned to 7 City Council Districts and is primarily focused on life safety and blight violations. In 2021, this Unit addressed 11,225 unique code cases. This Unit is also responsible for monitoring vacant residential and commercial buildings and monitoring and addressing homeless encampments on private property including vacant lots and structures. The Special Teams Unit is comprised of 6 specialty teams, each responsible for addressing specific code enforcement matters. The Waste Tire Team collects waste tires from various locations throughout the city, conducts commercial waste tire facility inspections, and holds approximately 3 annual waste tire amnesty events for residents to properly dispose of waste tires. All waste tires collected are recycled through CalRecycle. There were 17,904 waste tires collected in calendar year 2021 and 305 waste tire facilities were inspected. The Abatement Team conducts board-ups of vacant buildings, grass/weed abatements, junk/rubbish clean-ups, and alley clean-ups throughout the city. There were 335 abatements completed in calendar year 2021 and alley clean-ups were conducted in 19 different areas. The School Area Team (SAT) provides pro-active code enforcement and community outreach near schools to improve neighborhoods, reduce blight, enhance safety, equip residents to become civically engaged, and connect low-income residents to housing resources to improve their quality of life. Awarded 2021 Innovative Program of the Year Award by the California Association of Code Enforcement Officers (CACEO), SAT conducted enforcement and outreach in 20 school areas during calendar year 2021. The Demolition Team facilitates abatements of severely damaged structures by demolition, responds to structure fires in need of summary abatement demolition, and monitors demolition and/or rehabilitation by property owner. There were 25 demolition cases finalized in calendar year 2021, 12 were demolished by the City, 9 were demolished by property owners, and 4 were rehabilitated by property owners with Code Enforcement oversight and motivation. The Illegal Dumping Team utilizes highly technical covert camera units to combat illegal dumping and issues administrative citations to violators. There were 113 illegal dumping citations issued in calendar year 2021. The Vacant Lots Team pursues code compliance on vacant lots to minimize fire risk and blight caused by tall grass/weeds and junk/rubbish. Compliance was achieved on 525 cases during calendar year 2021 and 124 high risk properties were monitored throughout fire season. The Rental Housing Unit is comprised of 5 separate teams. The Proactive Inspection Team, through the Proactive Rental Housing Improvement Program, requires all rental properties to be registered with the Rental Housing Registry. Currently, there are 86,350 individually registered rental units located across 30,732 registered rental properties. The City requires registration of all rental properties and are subject to Baseline Health & Safety Inspections pursuant to a random sampling formula to ensure habitability.

Program 20 - Comprehensive Code Enforcement (Continued)	Complete 8,000 inspections annually, pursue resolution of cases identified through the inspection process, and develop Task Force recommendations by mid-2017. This includes consideration of a residential rental inspection program to proactively ensure rental housing units in the City of Fresno meet minimum health and safety standards and are safe to occupy. (Continued)	Annually and mid-2017 (Continued)	The purpose of the Proactive Rental Housing Improvement Program is to address the issue of substandard rental properties, promote greater compliance with health and safety standards and to preserve the quality of Fresno's neighborhoods and available housing opportunities. The goal is to work with property owners to achieve compliance of health and safety code violations that are a threat to the occupant's safety, structural integrity of the building, and have a negative impact on the surrounding neighborhoods. Through the Proactive Rental Housing Improvement Program, 13,375 inspections have been conducted at both multi-family and single-family homes located in the City of Fresno. In 2019, approximately 5,790 citations were issued for failure to register properties. In both 2020 and 2021, no citations were issued due to the ongoing Covid-19 pandemic, however Rental Housing Staff remain focused on actively locating unregistered rental properties and successfully identified 721 unregistered rental properties in 2021. Any owner of an unregistered rental property which remains out of compliance with the Rental Housing Improvement Program will be issued a Notice of Violation for failure to register a rental property with the City of Fresno's Rental Housing Registry as required by the city-wide ordinance. The Reactive Inspection Team responds to all complaints of code violations received with regards to multi-family properties with 2 or more units. They enforce substandard housing, public nuisance, and zoning violations. In calendar year 2021, reactive inspectors responded to 1042 cases, successfully resolved 921 of them, and currently carry a case load of 252 active cases. The Anti-Slum Enforcement Inspection Team (ASET), in conjunction with the Police Department, Fire Department and County Housing Authority conducts proactive inspections of multi-family properties deemed to be slum properties based on Police, Fire, and Code Enforcement calls for service. They inspect the interior of all units, the exterior of all buildings and the property grounds for substandard building, public nuisance, and zoning code violations. The ASET Team currently has open cases on 252 rental units. The Mobile Home Inspection Team enforces the California Health & Safety Code, Mobilehome Parks Act and the California Code of Regulations Mobilehome Parks Act by investigating all Mobilehome and Mobilehome Park complaints at the 29 parks within the city of Fresno. In addition, the team conducts proactive maintenance inspections of mobilehome parks throughout the year. The Hotel Motel Inspection Team responds to complaints regarding habitability issues within hotels and motels. Identifies those hotels and motels that are being used for non-transient occupancies and inspects those units for substandard conditions. May require a conversion through Planning and Building & Safety to a permanent non-transient facility. The Legal Team processes requests, inspection, and abatement warrants and pursues receiverships through the Superior Court on the most egregious properties in the city, and when necessary provides legal research and assistance to inspectors in Administrative Hearings. The Legal Team is also responsible for reviewing and inspecting businesses for compliance with their Conditional Use permits and investigating all cannabis complaints.

Program 21 - Neighborhood Infrastructure	Complete 5 infrastructure projects annually, ongoing implementation and annual reporting throughout the planning period.	Ongoing and Annually	In 2021, the City of Fresno Department of Public Works Construction Management Division completed 62 non-facilities- and non-transportation-related infrastructure projects at an overall cost of approximately $119,614,997 million. The projects are as follows: 10 parks projects totaling $2.59 million, 11 street construction projects totaling $11.43 million, 12 sewer projects totaling $43.17 million, 8 traffic signal projects totaling $3.01 million, 7 water projects totaling $21.93 million, 4 well projects for $1.67 million, 9 City Facility projects for $35.39 million, and 2 transportation projects for $0.43 million. The City of Fresno initiated funding through its HUD CDBG funds for pavement reconstruction, sidewalk improvements, and curb and gutter improvements in low- and moderate-income neighborhoods in two locations in 2021 – the Webster Neighborhood Canal Barricade Project and the Ivy-Annadale to Chester Neighborhood Street Improvements Project. The City also funded the second year of three projects for overall neighborhood street improvements – the Yosemite Middle School Complete Streets Project, the Ericson Elementary Neighborhood Project, and the Burroughs Elementary Neighborhood Street Reconstruction Project. Across these five projects, it is estimated that the City will serve 10,000 people in low- and moderate-income areas. The City also completed four park improvement projects and four neighborhood street improvement projects in 2021. Those include building a new play structure at Fink White Park, Romain Park had improvements made to its bathrooms, Ted C. Wills Park received improvements benefiting 12,710 people, and Holmes Park had ADA remediation done benefiting 11,200 people.
Program 22 - Housing Rehabilitation	Complete 10 rehabilitation grants, 10 senior paint/minor repair grants, and 3 distressed property grants annually.	Annually	The City of Fresno Housing and Community Development Division (HCDD) completed 30 housing rehabilitation projects for homeowner with low or moderate incomes from January 1, 2020 through December 31, 2021. The projects were completed under the following programs: City of Fresno Senior Paint Program completed 11; Self Help Home Repair Program completed 8; and Habitat for Humanity Home Repair Program completed 11. The rehabilitation programs experienced delays due to the COVID 19 pandemic. As a result of the pandemic, interim safety procedures have been implemented to program operations to minimize potential risks. The City continued to support owner-occupied home repair programs by allocating $1,443,864 in CDBG funds to home repair programs for low- and moderate-income persons for the period from July 1, 2021 through June 30, 2022. The funds will be used to maintain the City's in-house owner-occupied home repair programs, and additional funds were awarded to Self Help Enterprises, the Fresno County Economic Opportunities Commission, and Habitat for Humanity for their respective home repair programs. The City has also allocated a portion of its Permanent Local Housing Allocation (PLHA) in the amount of $323,900 in 1st-year and $503,165 in 2nd-year of PLHA funding for a program focused on owner-occupied home rehabilitation for low-income persons not eligible for funding through other programs, such as mobile home residents. Once the City receives its executed Standard Agreements for PLHA funds from the State of California, it will implement the program.
Program 23 - Franchise Tax Board Building Code Program	Investigate participation by January 2017.	January 2017	The City investigated participation in the Franchise Tax Board's (FTB) Substandard Housing Program, researched necessary notices and procedural requirements, and began participating in the Program as it relates to ASET properties. In 2021, the City did not issue any notices, because remedies were found within the required six-month window of non-compliance.
Program 24 - At-Risk Housing	The City will monitor, every six months, the status of any HUD receipt/approval of Notices of Intent and Plans of Action filed by property owners to convert to market-rate units. The City will annually explore funding sources available to purchase affordability covenants on at-risk projects, transfer ownership of at-risk projects to public or non-profit agencies, purchase existing buildings to replace at-risk units, or construct replacement units. Annually contact property owners to gauge interest in continuing project affordability and pursue funding and preservation strategy on a project basis. Upon receipt of opt-out notices, the City will work with tenants of at-risk units and provide them with education regarding tenant rights and conversion procedures.	Biannually, Annually, and upon reciept of opt-out notices	There were no notices of intent to convert to market rate for any properties during the 2021 calendar year. The California Housing Partnership's Preservation Clearinghouse monitors affordable housing for risk of converting to market rate, and currently lists two property (267 total units) at risk of converting in the next 1-5 years; and 3 properties (391 total units) at risk of converting in the next 5-10 years. The California Housing Partnership designates properties as at-risk if they do not have an overlapping federal or state subsidy that would extend affordability and are not owned by a large, stable, non-profit. California Housing Partnerships identified two properties which were noted as high risk in the prior report which no longer have any known active federal or state affordability covenants.

Program 25 - Enhanced Police Service to High Crime Neighborhoods	Reduce crime in high-crime neighborhoods and explore funding for safety programs on an ongoing basis.	Ongoing	In 2021, there were the following crime incidents: 74 homicides, 1858 aggravated assaults, 162 rapes, 873 robberies, 3264 auto thefts, and 2950 vehicle burglaries. In 2021, the Police Department (PD) continued to use Neighborhood Safety Teams (NST), Problem Oriented Policing Officers, Multi-Agency Gang Enforcement Consortium Detectives (MAGEC), Street Violence Section Detectives (SVS), Violence Intervention and Community Services Unit (replacing MGPI), Patrol Division, Police Activities League, Citizens On Patrol (COP), K9 Officers, Skywatch, Traffic Unit, Graffiti, ENPH (Evict Narcotics from Public Housing), SRO (Student Resource Officers) and tools like ShotSpotter (gunshot detection) and PredPol (Predictive Policing) in an effort to reduce crime in high-crime neighborhoods. Additional community education programs that are hosted by the Fresno Police Department are the Residents Academies – English, Spanish, Hmong and recently added Sheikh, Police Explorer Program, Teen Police Academy, Police Activities League (PAL), and Fight Girl Fitness (through PAL). The MAGEC Unit has a working relationship with Fresno Economic Opportunities Commission (FEOC) Advance Peace (a non-profit organization) which focuses on violence intervention and prevention. PD continued to utilize the expertise of our Crime Data Specialists for crime mapping and data analysis. PD continued their partnership with the Housing Authority of Fresno along with other Housing organizations to fund two dedicated police officers for their HUD contracts. These officers, one located in Southwest Fresno and the other in Southeast Fresno service local housing developments to eradicate crime in these areas. PD applied for and was recently awarded the Sexual Assault Kit Initiative (SAKI) grant, Law Enforcement Specialized Units Program – Domestic Violence (a partnership with Marjaree Mason Center), and the Law Enforcement Mental Health and Wellness Act 2021 (LEMHWA), De-Escalation and Project Safe Neighborhood (PSN)_ grants. Other grants address ways to reduce violent crime, reduce driving under the influence, off-highway vehicle safety and the legalization of cannabis. PD had a few grants that have come to an end of their performance period. Several RFPs for grants were released, but PD was ineligible to apply for them or PD applied for them and were not awarded. The COPS grant is an open grant or recently released solicitation that may have an impact on housing, but the City Administration decided not to apply for this grant due to PD's current sworn office vacancy rate, City budget uncertainty, and inability to meet the match portion of the grant.

Program 26 - Fair Housing Services	Provide funding, as available, of $25,000 per year to the Fair Housing Council of Central California (FHCCC) and provide services to 2,500 persons annually consistent with the 2015-2019 Consolidated Plan and Action Plans. Update the City of Fresno Analysis of Impediments to Fair Housing Choice by 2017. Complete ongoing implementation and annual reporting throughout the planning period.	Ongoing, Annually, and 2017	The Council of the City of Fresno adopted the 2020 Analysis of Impediments to Fair Housing (AI) Choice on May 21, 2020. The AI includes an assessment of socioeconomic conditions, segregation and integration, access to opportunity, housing profile including publicly supported housing, housing for persons with disabilities, and fair housing activities. The AI also identifies barriers to fair housing choice within the City, and provides recommended activities to address those barriers. The activities fall into three main categories: fair housing complaint and referral services, public fair housing education and outreach, and fair housing education and outreach to housing industry professionals. In 2021, the City provided CDBG funds to Central California Legal Services for fair housing outreach and education for tenants and landlords and Community Housing Council of Fresno to conduct a series of fair housing workshops for prospective homebuyers and real estate/finance professionals. In 2021, the City increased its Fair Housing allocation by 70 percent over the prior year. It entered into Agreements with the Fresno Interdenominational Refugee Ministries (FIRM) and Resources for Independence Central Valley, Inc. (RICV) to address the impediments to Fair Housing the City identified. Through FIRM, the City provided public Fair Housing education and outreach through workshops, ethnic media, and informational resource distribution both city-wide and by targeted canvassing. Outreach materials were distributed in five languages throughout areas where low-income Southeast Asian, Spanish-, and Arabic-speaking communities congregate. Resources for Independence Central Valley also worked on an outreach and education program for vulnerable populations in the City with specific emphasis on easy-to-understand information on housing rights, housing discrimination, housing resources and subsidies, and overall fair housing issues. The City also allocated $100,000 of CDBG-CV funds to Community Housing Council to provide counseling to assist tenants and land lords impacted by COVID-19. Additionally, the City allocated $971,167 in 1st-year and $1,509,494 in 2nd-year Permanent Local Housing Allocation (PLHA) funds for a down payment assistance program for low- and moderate-income individuals. Once the City receives its executed Standard Agreements for PLHA funds from the State of California, it will implement the program.

Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	**Objective**	**Timeframe in H.E**	**Status of Program Implementation**
Program 27 - Equitable Communities	Publish a General Plan Annual Report in December of 2016 with reports being filed in December of each year. Establish a residential rental inspection program by December 2017. Convene General Plan Implementation Committee in the first quarter of 2017. Review location of infrastructure projects annually and identify high need, deficient areas for infrastructure prioritization by December 2017. Conduct an affordable housing/transportation access study in 2018. Implement the actions described in bullet #7 above.	Ongoing, Annually, December 2016, January 2017, December 2017, 2018	In Dec. 2019, the City Council established the 17-member General Plan Implementation Review Committee. Committee members were appointment by Council and the Mayor and represented cross-sector involvement. The GPIRC met 13 times throughout 2020 to discuss the progress made towards implementing the policies of the General Plan (GP) and made a series of recommendations to the Mayor in the final two meetings. A 5-year consolidated Annual Progress Report, the time frame since adoption of the Plan, was submitted to HCD and OPR on April 1, 2021. The City receives HUD funding for capital improvement projects in CDBG areas of Fresno. In the City's 2021 Annual Action Plan, $3,156,571 in CDBG funds were allocated to various multi-year neighborhood street improvement projects including the second year of the Yosemite Middle School Neighborhood Complete Street project, the Ivy/Annadale to Chester Neighborhood Street Improvements project, and the Burroughs Phase Two Neighborhood Street Improvements project. Additionally, the City initiated the second year of the Ericson Elementary Neighborhood Street Improvements project to improve ADA access, reconstruct roads, and install ADA curb ramps. A guardrail was installed along the Dry Creek Canal near Clark and Floradora in the Webster Elementary Neighborhood in 2021 as well. The 2020-2024 Consolidated Plan identified that there was a need in the City to provide services to low-income households in a way that develops human capital and improves quality of life. The City funded Boys and Girls Club of Fresno County using CDBG funds to provide education, job training, and recreation for 6 to 18 year olds at its East and West Fresno Community Centers. Fresno Economic Opportunities Commission's Street Saints Program operated three afterschool sites in southwest Fresno, and Stone Soup conducted 15 outreach events to provide informational resources to families about educational and job training programs and employment openings in the community. The Fresno Area Hispanic Foundation offered weekly live marketing training for eight consecutive weeks through its Womanpreneurs and Latinapreneurs programs. The organization helped attendees work on creating their Strategic Marketing Plan, and Business Pitch. It also conducted one-on-one technical assistance focusing on the permitting and licensing processes. The 2020-2024 Consolidated Plan also identifies Affordable Housing Development in high opportunity areas as a priority. The City allocated $3.7 million in HOME funds for Affordable Housing Development or Rehabilitation. Additionally, the City allocated 28.5% of its Permanent Local Housing Allocation for development of Affordable Multifamily Rental Housing and 28.5% for development of Affordable Single Family Housing, focusing on areas of opportunity.
