Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, October 3, 2022 5:00 P.M.

The Budget Allocation for this expenditure is \$ 3,841,600. The contract price is 6 % below the Budget Allocation. If the overage is greater than 10% or only one bid was received, give explanation:

A shortage of vehicle availability has created an environment where our dealers are not comfortable bidding on vehicles and committing to pricing that could change on them while waiting for a Purchase Order. Partnering with the Purchasing team, the Fleet Management Division has done it's best to expedite the formal process as much as possible, but unfortunately there is still a timeline to the process, and this creates risk for our potential bidders.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The City of Fresno Police Department is requesting approval to purchase 80 Dodge Durango marked patrol vehicles as replacements and additions. The new units will mobilize law enforcement officers and transport all needed equipment safely and securely. The vehicles will be purchased through a competitive bidding procurement process and will be funded by the adopted FY2023 budget. The Municipal Fleet Division and Purchasing Division contacted the Central California New Car Dealer Association (CCNCDA) and dealerships located within the City of Fresno limits to gain interest, however no City of Fresno located or CCNCDA dealerships submitted a bid.
