DEPARTMENT CONCLUSIONS AND RECOMMENDATION:

Award a contract in the amount of \$ _____
to _____
as the lowest responsive and responsible bidder.

Remarks:

Reject all bids. Reason: The lowest responsive and responsible bid of \$1,619,000 exceeds the project budget and engineers estimate of \$1,317,889 by 22.8%. The Airports Department plans to rebid the Project by modifying the plans and specifications to reduce the base number of homes to be treated in this phase of the program and designate the remaining homes as bid alternates. This will allow maximum participation with the funds available.
