REGARDING: The T-4 3MG Tank and Booster Pump Station

SUBJECT: Substitution of Listed Subcontractor Mason Painting

Dear Mr. Willbanks;

Please see the attached letter from Mason Painting. Mason Painting has requested relief from their proposal for painting on the T-4 3MG Tank and Booster Pump Station. MCI requests to substitute Murphy Industrial Coatings.

Please feel free to contact me if you have any questions.

Sincerely,

Howard Reiss

Re: T-4 3MG water Tank and Booster Pump Station

Fresno, Ca.

To Whom it may Concern:

Mason Painting, Inc. has to withdraw our proposal for this project due to an error in our Estimating/mis-calculation of money.

Sincerely,

David Velasquez
