

LOCAL AGENCY AND DISTRICT CUSTOMERS ON-BILL FINANCING LOAN AGREEMENT

The undersigned Local Agency or District¹ Customer ("**Customer**") has contracted for the provision of energy efficiency/demand response equipment and services (the "**Work**") which qualify for one or more of PG&E's applicable rebate or incentive programs. Subject to the conditions (including the process for Adjustment and preconditions to funding) set forth below, Pacific Gas and Electric Company ("**PG&E**") shall extend a loan (the "**Loan**") to Customer in the amount of the loan balance (the "**Loan Balance**") pursuant to the terms of this On-Bill Financing Loan Agreement ("**Loan Agreement**") and PG&E's rate schedules E-OBF and/or G-OBF, as applicable (the "**Schedule**").

To request the Loan, Customer has submitted a completed On-Bill Financing Application and associated documentation as required by PG&E (the "**Application**"). Collectively the Application and this Loan Agreement (including any Adjustment hereunder) comprise the "Agreement".

1. Customer shall arrange for its Contractor, as identified at the end of this Agreement ("**Contractor**"), to provide the Work as described in the Application.
2. The estimated Loan Balance is set forth below. The total cost of the Work as installed, rebate/incentive for qualifying energy efficiency measures, Loan Balance, monthly payment, and loan term specified in this Loan Agreement may be adjusted, if necessary, after the Work and the post-installation inspection described in the Application and/or herein are completed (the "**Adjustment**"). The Adjustment will be calculated using the actual total cost of the Work, as installed, and the estimated energy savings (as described in the Application) of such Work. In no event will the Loan Balance be increased without Customer's written consent, even if Customer is eligible for such increased Loan Balance. Moreover, in no event will the Loan Balance exceed the maximum loan amount stipulated in the Application. Customer understands that in order to be eligible for the Loan, the initial Loan Balance for Work may not fall below the minimum loan amount, nor may the payback period exceed the maximum payback period. **Accordingly, if after the Adjustment, the Loan Balance falls below the minimum loan amount or if the simple payback period exceeds the program maximum payback period, each as described in the Application, PG&E shall have no obligation to extend the Loan, as the Work would not meet program requirements.** The Adjustment described in this paragraph will be communicated to the Customer in writing and will automatically become part of this Loan Agreement, except that any proposed increase in the Loan Balance will only become part of this Loan Agreement upon Customer's written consent to such increase.
3. **PG&E shall have no liability in connection with, and makes no warranties, expressed or implied, regarding the Work.** The Parties acknowledge and agree that PG&E is only providing the Local Agency or District cited here with financing. The Customer has independently hired contractors ("Local Agency or District Contractors") to perform the work on behalf of the Customer to qualify for financing. The Customer acknowledges and agrees that the Local Agency or District Contractors are not third party beneficiaries to this agreement between the Customer and PG&E. To the extent authorized by law and subject to appropriation of the Legislature, the Customer agrees that it will look only to Local Agency or District Contractors for any claims related to the installed equipment or its performance and that PG&E shall have no responsibility or liability, except for the payment of the loan proceeds, and the Customer shall indemnify PG&E for any claims made by the Local Agency or District Contractors against PG&E.
4. Customer represents and warrants that (a) Customer is receiving this Loan solely for Work obtained in connection with Customer's business, and not for personal, family or household purposes; (b) Customer, if not an individual or a government agency, is duly organized, validly existing and in good standing under the laws of its state of formation, and has full power and authority to enter into this Agreement and to carry out the provisions of this Agreement. Customer is duly qualified and in good standing to do business in all jurisdictions where such qualification is required; (c) this Loan Agreement has been duly authorized by all necessary proceedings, has been duly executed and delivered by Customer and is a valid and legally binding agreement of Customer duly enforceable in accordance with its terms; (d) no consent, approval, authorization, order, registration or qualification of or with any court or regulatory authority or other governmental body having jurisdiction over Customer is required for, and the absence of which would adversely affect, the legal and valid execution and delivery of this Loan Agreement, and the performance of the transactions contemplated by this Loan Agreement; (e) the execution and delivery of this Loan Agreement by Customer hereunder and the compliance by Customer with all provisions of this Loan Agreement: (i) will not conflict with or violate any Applicable Law; and (ii) will not conflict with or result in a breach of or default under any of the terms or provisions of any loan agreement or other contract or agreement under which Customer is an obligor or by which its property is bound; and (f) all factual information furnished by Customer to PG&E in the Application and pursuant to this Agreement is true and accurate.
5. The Application must include the Federal Tax Identification Number or Social Security Number of the party who will be the recipient of the checks for the rebate/incentive or any Loan proceeds. Checks may be issued directly to the Customer or its designated Contractor or both, for the benefit of the Customer, as specified below. Customer acknowledges that PG&E will not be responsible for any tax liability imposed on the Customer or its contractor in connection with the transactions contemplated under the Agreement, whether by virtue of the Loan contemplated under the Agreement, or otherwise, and Customer shall indemnify PG&E for any tax liability imposed upon PG&E as a result of the transactions contemplated under the Agreement.

¹ Local Agency or District as defined in California Government Code §50001 and §58004.

6. Upon completion of the Work, Customer shall send a written confirmation of completion to PG&E's On-Bill Financing Program Administrator at the address listed in Section 15. Within 60 days after receiving the confirmation, PG&E (a) will conduct a post installation inspection and project verification, including review of invoices, receipts and other documents as required by PG&E to verify the correctness of any amounts claimed by Customer; and (b) will adjust, if necessary, the total cost, incentive, Loan Balance, monthly payment, and loan term as stated above. Customer shall give PG&E reasonable access to its premises and the Work. If the Work conforms to all requirements of the Agreement and all amounts claimed by Customer as Work costs are substantiated to PG&E's reasonable satisfaction, PG&E will issue a check ("Check") to Customer or Contractor (as designated by Customer in Section 15) for all amounts PG&E approves for payment in accordance with the Agreement. The date of such issuance is the "Issuance Date". If the Check is issued to Customer, Customer shall be responsible for paying any outstanding fees due to Contractor for the Work. If the Check is less than the amount due from Customer to Contractor, Customer shall be responsible for the excess due to the Contractor.
7. Customer shall repay the Loan Balance to PG&E as provided in this Loan Agreement irrespective of whether or when the Work is completed, or whether the Work is in any way defective or deficient, and whether or not the Work delivers energy efficiency savings to Customer.
8. The monthly payments will be included by PG&E on the Account's regular energy service bills, or by separate bill, in PG&E's discretion. Regardless whether the monthly payments are included in the regular utility bill or a separate loan installment bill, the following repayment terms will apply:
 - a. The Customer agrees to repay to PG&E the Loan Balance in the number of payments listed below and in equal installments (with the final installment adjusted to account for rounding), by the due date set forth in each PG&E utility bill or loan installment bill rendered in connection with Customer's account (identified by the number set forth below) ("Account"), commencing with the bill which has a due date falling at least 30 days after the Issuance Date.
 - b. If separate energy service bills and loan installment bills are provided, amounts due under this Loan Agreement as shown in the loan installment bill shall be deemed to be amounts due under each energy services bill to the Account, and a default under this Loan Agreement shall be treated as a default under the Account.
 - c. If the Customer is unable to make a full utility bill payment in a given month, payment arrangements may be made at PG&E's discretion.
 - d. Any partial bill payments received for a month will be applied in equal proportion to the energy charges and the loan obligation for that month, and the Customer may be considered in default of both the energy bill and the loan installment bill.
 - e. Further payment details are set forth below.
9. Any notice from PG&E to Customer regarding the Program or the transactions contemplated under the Loan Agreement may be provided within a PG&E utility bill or loan installment bill, and any such notices may also be provided to Customer at the address below or to the Customer's billing address of record in PG&E's customer billing system from time to time, and in each case shall be effective five (5) days after they have been mailed.
10. The Loan Balance shall not bear interest.
11. Customer may, without prepayment penalty, pay the entire outstanding loan balance in one lump sum payment provided the customer first notifies PG&E by telephoning the toll free phone number (1-800-468-4743), and by sending written notice to PG&E On-Bill Financing Program Administrator at the address listed below, in advance of making the lump sum payment. Accelerated payments that are received from Customer without PG&E's prior approval may, at PG&E's sole discretion, be applied proportionally to subsequent energy charges and Loan repayments and PG&E shall have no obligation to apply accelerated payments exclusively to reduction of the outstanding Loan.
12. The entire outstanding Loan Balance will become immediately due and payable, and shall be paid by Customer within 30 days if: (i) the Account is closed or terminated for any reason; (ii) Customer defaults under the Agreement; (iii) Customer sells the equipment forming part of the Work to any third party; or (iv) Customer becomes Insolvent. Customer becomes "Insolvent" if: (i) Customer is unable to pay its debts as they become due or otherwise becomes insolvent, makes a general assignment for the benefit of its creditors, or suffers or permits the appointment of a receiver for its business or assets or otherwise ceases to conduct business in the normal course; or (ii) any proceeding is commenced by or against Customer under any bankruptcy or insolvency law that is not dismissed or stayed within 45 days.
13. Customer understands that without limiting any other remedy available to PG&E against Contractor or Customer, **failure to repay the Loan Balance in accordance with the terms of the Agreement could result in shut-off of utility energy service, adverse credit reporting, and collection procedures, including, without limitation, legal action.**
14. If there is any conflict among the documents comprising the Agreement, the following order of priority shall apply: 1. this Loan Agreement; 2. the Application; 3. any documents attached to the Application.

15. LOCAL AGENCY OR DISTRICT REQUIREMENT

a. All Payment Obligations Subject to Appropriation

The Customer acknowledges that the cost incurred pursuant to this Loan Agreement will be part of the monthly bill for electric use. All payment obligations and the Work replacement obligations of the Customer under this Loan Agreement or any related agreement or application is subject to appropriation by the Legislative body belonging to Local Agency or District cited in this loan agreement.

b. No Lien or Encumbrance; Subordination:

(1) Notwithstanding any other provision in this Loan Agreement – , PG&E acknowledges that nothing in this Loan Agreement shall constitute a mortgage, charge, assignment, transfer, pledge, lien or encumbrance upon either the Work or any part of the buildings, structures or related facilities in which the Work is constructed, installed or situated (collectively, the "Related Facilities"). Accordingly, PG&E agrees it will not record or file any instrument that would indicate or imply it has a security interest in the Related Facilities, including but not limited to a UCC-1.

(2) In addition to the preceding paragraph (a), if this Loan Agreement were ever construed or deemed to create any such encumbrance, then: (i) this Loan Agreement shall be junior and subordinate and subject in all respects to the terms and conditions of any and all leases, and indentures related to lease revenue bonds issued by the Local Agency or District cited here or any other issuer of bonds on behalf of the Local Agency or District concerning the Related Facilities entered into in the past, the present or the future (the "Senior Security Documents"); and (ii) any term or condition of this Loan Agreement relating to any right, title or interest in the Related Facilities or other benefits derived there from shall be in all respects junior and subordinate to, and subject to the terms of, the Senior Security Documents.

The maximum loan term shall be sixty (60) months excepting: 1) loans to Government agency Customers or Multi-Family Customers will have a maximum loan term of one hundred and twenty (120) months or the expected useful life (EUL) of the installed energy efficiency measures, which ever is less; and 2) loans to customers where, in PG&E's sole opinion, credit and risk factors support a loan term longer than sixty (60) months.

Financing Supplement to the On-Bill Financing Program Application

The On-Bill Financing Program (the "Program") is funded by California utility customers and administered by Pacific Gas and Electric Company (PG&E) under the auspices of the California Public Utilities Commission (CPUC). The Program provides qualified PG&E customers with a means to finance energy-efficient (EE) retrofit projects implemented under select PG&E EE Programs (the "Qualified Program"). The loans issued under the Program are interest-free, unsecured loans to fully or partially reimburse qualified PG&E customers for the costs they incur in connection with a qualified retrofit project (the "Retrofit Project"), which term shall mean the energy efficiency retrofit project described in Customer's relevant Energy Efficiency Program Application.

- 1 **Conditions for Eligibility:** Participation in the Program is limited to PG&E customers that meet the following conditions and satisfy these conditions throughout the duration of the Retrofit Project up to and including the date of Final Verification (defined below in Section 8): (a) the PG&E customer must be a business ("Commercial Customer") or a federal, state, county or local government agency ("Government Customer"). Commercial Customers and Government Customers are collectively referred to as "Customer;" (b) Customer currently receives service from PG&E at the location of the Retrofit Project (the "Location"); (c) Customer has continually maintained an active PG&E account for the previous 24 months and has a minimum of 12 months of historical metered energy usage at Customer's current Location; (d) at the time the Customer's Program Application is Approved and Customer's Loan Agreement is executed, and at the time the loan is to be funded following completion of the Retrofit Project and satisfaction of all other requirements of the Loan Agreement, Customer must be in good credit standing, as determined by PG&E through credit review which may include a commercial credit check and will include a bill payment history review, which may be based upon the following and other criteria:
 - a. No 24-hour disconnection notices in the last 12 months;
 - b. No returned payments within the last 12 months;
 - c. No more than 1 payment arrangement in the last 12 months;
 - d. No payment arrangements not satisfied by customer within the last 12 months;
 - e. No security deposit assessed within the last 12 months; and
 - f. The Retrofit Project qualifies and Customer is eligible for an incentive under the Qualified Program.

- 2 **Loan Features:** The loans offered under the Program are interest-free (0%) and free of any fees, late payment penalties or other charges. The loan terms and conditions are calculated by dividing the loan amount (eligible project cost less Qualified Program Incentives) by the estimated monthly energy savings resulting from the Retrofit Project. The ensuing number of monthly payments must not exceed the Maximum Loan Term set forth in chart below ("Loan Amount and Term Limitations").
- 3 **Eligibility:** Prior to purchasing and installing any energy-efficient measures or equipment under the Qualified Program, Customer must satisfy the eligibility requirements of both the Program and Qualified Program. Because energy efficiency projects in progress are ineligible under the Program, Customer must receive the signed loan agreement from PG&E before commencing any work or purchasing any equipment for the Retrofit Project.
- 4 **Inspection:** PG&E may assist Customers in understanding the energy efficiency measures available under the Qualified Program and will answer their questions concerning this Program. After Customer has decided upon the measures that comprise the Retrofit Project, PG&E may request an engineering review, perform an inspection of the Location, calculate the projected energy savings, calculate the Loan Terms and prepare the Loan Documents. Thereafter, PG&E will provide Customer with a copy of the: Loan Agreement, the Application, the applicable On-Bill Financing (OBF) Gas and/or Electric Rate Schedule and Loan Calculation Summary Sheet (collectively, the "Loan Documents").
- 5 **Loan Documents:** If the terms of the loan are acceptable, Customer shall execute the Loan Documents and return them to PG&E prior to the commencement of the Retrofit Project. Incomplete or incorrect applications cannot be processed and may result in the delay of PG&E's approval and possible disqualification from the Program. Customer may withdraw its Application for any reason without penalty by sending written notice to PG&E.
- 6 **Customer's Responsibilities for Contractor and Vendor:** Upon PG&E's notification to Customer that the Retrofit Project is eligible for the Program, Customer may begin the Retrofit Project. PG&E does not endorse or recommend any particular contractor or vendor nor does PG&E review any contractor or vendor proposals. Rather, Customer shall be solely responsible for reviewing the feasibility of the contractor's and vendor's proposal(s) and verifying their respective qualifications, pricing, energy savings, warranties and the terms and conditions of the contractor's and/or vendor's contract with Customer.

PG&E Disclaimers: CUSTOMER'S DESIGN OF THE RETROFIT PROJECT AND SELECTION AND USE OF ENERGY EFFICIENCY EQUIPMENT, MEASURES AND SELECTION OF CONTRACTORS AND VENDORS IS AT CUSTOMER'S SOLE DISCRETION AND AT CUSTOMER'S SOLE RISK. TO THE EXTENT PERMITTED BY APPLICABLE LAW, PG&E EXPRESSLY AND SPECIFICALLY DISCLAIMS ANY LIABILITY IN RESPECT OF ANY ADVICE, INFORMATION OR OTHER INSTRUCTION PROVIDED BY OR ON BEHALF OF PG&E TO CUSTOMER IN CONNECTION WITH THE QUALIFIED PROGRAM, PROGRAM OR RETROFIT PROJECT. PG&E DOES NOT WARRANT OR BEAR ANY RESPONSIBILITY FOR ANY OF THE FOLLOWING:

- a. THE WORK PERFORMED BY CUSTOMER'S CONTRACTOR(S) OR VENDOR(S), THAT THE RETROFIT PROJECT IS APPROPRIATE FOR THE LOCATION;
 - b. THE RETROFIT WILL RESULT IN OR YIELD ANY ENERGY EFFICIENCY SAVINGS OR A SPECIFIC AMOUNT OF ENERGY EFFICIENCY SAVINGS OR OTHER REDUCTION IN CUSTOMER'S PG&E UTILITY BILL AFTER COMPLETION OF THE RETROFIT PROJECT;
 - c. THE CUSTOMER IS RESPONSIBLE FOR REPAYING THE OBF LOAN IN ITS ENTIRETY, REGARDLESS OF THE PROJECT PERFORMANCE OF THE ENERGY EFFICIENCY RETROFIT;
 - d. THE CONTRACTOR'S OR VENDOR'S SERVICES WILL BE TIMELY, COMPLETE OR ERROR-FREE, OR THAT DEFECTS IN THE RETROFIT PROJECT WILL BE CORRECTED BY SUCH INDIVIDUALS;
 - e. ANY ERRORS, OMISSIONS, DEFECTS OR DELAYS IN THE DESIGN OR CONSTRUCTION OF THE RETROFIT PROJECT OR THE OPERATION OF ANY ENERGY EFFICIENCY MEASURES INSTALLED AT THE LOCATION.
- Verification:** Upon completion of the Retrofit Project, Customer shall request PG&E's post-completion inspection and final verification that the Retrofit Project has been completed in conformity with the requirements of the Qualified Program and that customer remains eligible (the "Final Verification").
- a. If there has been any change to the Retrofit Project's scope, cost and/or incentives available under the Qualified Program or energy savings, Customer will be required to enter into a Loan Modification

Agreement with PG&E, which may include new contract terms reflecting the changes in the Retrofit Project. (If a Loan Modification Agreement is required, it shall be deemed part of the "Loan Documents.")

- b. If the changes to the Retrofit Project are such that it no longer meets the Program's payback criteria or other conditions, the Retrofit Project will be considered ineligible, the Loan Agreement will be terminated and no loan proceeds will be disbursed.
 - c. IF PG&E DETERMINES, IN ITS ABSOLUTE DISCRETION, THAT CUSTOMER'S CREDIT HAS DETERIORATED OR HAS OTHERWISE PLACED CUSTOMER'S REPAYMENT OF THE LOAN AT RISK, THE LOAN PROCEEDS SHALL NOT BE ISSUED, EVEN THOUGH THE RETROFIT PROJECT MAY HAVE BEEN SATISFACTORILY COMPLETED AT CUSTOMER'S EXPENSE.
- Disbursements:** Subject to and following PG&E's satisfactory Final Verification, an incentive check and the loan proceeds will be issued to Customer or, at Customer's written direction, to Customer's contractor or vendor.
- General Provisions:**
- a. Applications for loans under the Program will be accepted from qualified Customers on a first-come, first-served basis until the funds allocated by PG&E for the Program are no longer available. The Program may be modified or terminated by the CPUC or PG&E at any time and without prior notice. However, termination of the Program following execution of a Loan Agreement by Customer will not affect that Loan Agreement, or, if Customer thereafter satisfies all Program conditions, the disbursement.
 - b. The loan proceeds may only be used to pay or reimburse Customer for implementing or installing energy-efficient measures or equipment through the Qualified Program.
 - c. If there is any conflict between the terms of any document relating to the Program, the Loan Documents shall control.
 - d. For all retrofit projects, including but not limited to streetlight, HVAC and lighting retrofits, Customer acknowledges and understands that Customer is able to use the installation vendor or contractor of their choice.

I have read, understand and agree to all of the On-Bill Financing Program requirements and terms and conditions set forth in this Program description. I understand that loan calculations will be based on pre-inspection results and on the applicable program documentation, and that my agency/company must meet all eligibility criteria and requirements in order to participate in the Program. Any unapproved changes to project scope, costs or run hours, or to my agency's/company's creditworthiness, between the time the Loan Documents are accepted and signed and the Retrofit Project is completed and the project's and my agency's/company's continued eligibility are verified, could result in loan ineligibility.
