**BACKGROUND OF PROJECT** (To be completed by Evaluating Department/Division.  
Explain need for project/equipment):

The proposed Traffic Signal and Sidewalk Improvements at Gettysburg and Polk will enhance safety for the motorists, cyclists, and pedestrians who travel through this intersection by installing a complete traffic signal system with protected left-turn phasing. Other safety enhancements include a new sidewalk along the north side of Gettysburg, west of the intersection, upgraded ramps and improved street lighting. This traffic signal serves both the adjacent residents as well as Teague Elementary School and Inspiration Park, both located immediately west of the intersection. Public Works staff also obtained additional right-of-way needed for construction of the sidewalk within the project limits.

**DEPARTMENT CONCLUSIONS AND RECOMMENDATION:**

Award a contract in the amount of \$1,269,194.00 to Emmett's Excavation, Inc. of Clovis, California, as the lowest responsive and responsible bidder.
