Subject: Operational Statement: (Rezoning of 39.30 acres)

A. OVERVIEW OF APPLICATION:

This Rezoning application is being submitted for 39.30 acres located on the north and south sides of W. Clinton Ave. The request is for "RS-5" Zoning. The land covered by the application is all within the adopted Sphere of Influence for the City of Fresno but none of the 5 parcels of land have been annexed to the City Limits. The property included in the application is under three different ownerships. The majority owner, Assemi and Sons, owns 3 of the 5 parcels totaling approximately 29.76 acres or 76% of the total area. The Iida family owns 4.66 acres or approximately 12% of the total area. The Mariscal family owns 4.88 acres or approximately 12% of the total area. All of the land is designated for Medium Density residential uses by the adopted 2035 Fresno General Plan. The requested "RS-5" zoning is consistent with the adopted land use designation and will become "effective" upon recordation of the annexation of the properties into the City of Fresno.

B. PREVIOUS APPLICATIONS:

A previous owner processed and had approved two Tentative Tract Maps on the portion of the land owned by Assemi and Sons. Tentative Tract Map No. 5660 covered 20 acres and had 88 single family lots. Tentative Tract No. 5881 covered 9.76 acres and had 50 single family lots. These two properties were both "Prezoned" to the "R-1" Zone District at the same time the maps were approved. The land owned by both the Mariscal and Iida families are developed with single family homes and related outbuildings. These two parcels retain their County zoning.

C. FUTURE APPLICATIONS:

If the proposed Rezoning Application is approved by the Fresno City Council, it is the intent of the applicant to apply to the Local Agency Formation Commission (LAFCO) to annex the land into the Fresno City limits. A "Pre-Application meeting" was held at LAFCO on October 5th, 2017 with LAFCO and City of Fresno staff members. In addition, if the Annexation of the land is approved by the LAFCO commission, the applicant will prepare and process "Final Maps" for the approved tracts.

D. PROPOSED USE OF THE LAND:

The development of the land consistent with the General Plan will result in the development of lots/homes within the 5 – 12 units/acre range. At this time, the property owned by Assemi and Sons is approved for development. The Mariscal and Iida families are not proposing development at this point in time.
