WHEREAS, GRANTEE represents it desires to and is professionally and legally capable of immediately providing these improvements in order to benefit City of Fresno residents; and

WHEREAS, GRANTEE acknowledges that grant funds being provided under this Agreement will be derived from the City's allocation under the American Rescue Plan Act (Pub.L. 117-2) (hereinafter "ARPA"), and is subject to any constraints set forth therein including but not limited to, the Coronavirus State and Local Fiscal Recovery Funds (CSLFRF) Final Rule (31 CFR Part 35); and

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and of the covenants, conditions, and premises hereinafter contained to be kept and performed by the respective parties, it is mutually agreed as follows:

1. Scope of Services. GRANTEE shall perform to the satisfaction of the CITY the services described in **Exhibit A**, including all work incidental to, or necessary to perform, such services even though not specifically described in **Exhibit A**.

2. Grant Amount. City shall provide GRANTEE the amount of \$413,175.00 for the services described in **Exhibit A**. One-half of the grant amount shall be distributed once the contract is fully executed, with the other half being distributed after successful completion of a performance review.

3. Term of Agreement and Time for Performance. This Agreement shall be effective from the Effective Date through one calendar year, subject to earlier termination in accordance with this Agreement. The services as described in **Exhibit A** are to commence upon the Effective Date and shall be completed prior to expiration of this Agreement and in accordance with any performance schedule set forth in **Exhibit A**.

4. Amendment to Increase or Decrease Scope of Services: The parties may modify this Agreement to increase or decrease the scope of services or provide for the rendition of services not required by this Agreement, which modification may include an adjustment to GRANTEE's compensation. Any change in the scope of services must be made by written amendment to the Agreement signed by an authorized representative for each party. GRANTEE shall not be entitled to any additional compensation if services are performed prior to a signed written amendment.

5. Termination, Remedies and Force Majeure.

(a) This Agreement shall terminate without any liability of the City or to GRANTEE upon the earlier of: (i) GRANTEE filing for protection under the federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against GRANTEE; (ii) seven calendar days prior written notice with or without cause by the City to GRANTEE; (iii) the City's non-appropriation of funds sufficient to meet its obligations hereunder during any City fiscal year of this Agreement, or insufficient funding for the Project; or (iv) expiration of this Agreement.

(b) Immediately upon any termination or expiration of this Agreement, GRANTEE shall (i) immediately stop all work hereunder; (ii) immediately cause any and all of its subcontractors to cease work; and (iii) return to the City any and all unearned payments and all properties and materials in the possession of GRANTEE that are owned by the City. Subject to the terms of this Agreement, GRANTEE shall be paid compensation for services satisfactorily performed prior to the effective date of termination. GRANTEE shall not be paid for any work or services performed or costs incurred which reasonably could have been avoided.

(c) In the event of termination due to failure of GRANTEE to satisfactorily perform in accordance with the terms of this Agreement, the City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, the City's damages caused by such failure. In no event shall any payment by the City pursuant to this Agreement constitute a waiver by the City of any breach of this Agreement which may then exist on the part of the GRANTEE, nor shall such payment impair or prejudice any remedy available to the City with respect to the breach.

(d) Upon any breach of this Agreement by the GRANTEE, the City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic, and incidental damages for the breach of the Agreement. If it is determined that the City improperly terminated this Agreement for default, such termination shall be deemed a termination for convenience.

(e) GRANTEE shall provide the City with adequate written assurances of future performance, upon the Administrator's request, in the event GRANTEE fails to comply with any terms or conditions of this Agreement.

(f) GRANTEE shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of GRANTEE and without its fault or negligence such as, acts of God or the public enemy, acts of the City in its

contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. GRANTEE shall notify the City in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Administrator of the cessation of such occurrence.

6. Confidential Information and Ownership of Documents.

(a) Any reports, information, or other data prepared or assembled by GRANTEE pursuant to this Agreement shall not be made available to any individual or organization by GRANTEE without the prior written approval of the City. During the term of this Agreement, and thereafter, GRANTEE shall not, without the prior written consent of the City, disclose to anyone any Confidential Information. The term "Confidential Information" for the purposes of this Agreement shall include all proprietary and confidential information of the City, including but not limited to business plans, marketing plans, financial information, materials, compilations, documents, instruments, models, source or object codes, and other information disclosed or submitted, orally, in writing, or by any other medium or media. All Confidential Information shall be and remain confidential and proprietary in the City.

(b) Any and all writings and documents prepared or provided by GRANTEE pursuant to this Agreement, including without limitation grant applications and supporting documents, are the property of the City at the time of preparation and shall be turned over to the City upon expiration or termination of the Agreement. Copies of grant applications and supporting documents shall be promptly provided to City during the term of this Agreement. GRANTEE shall not permit the reproduction or use thereof by any other person except as otherwise expressly provided herein.

(c) If GRANTEE should subcontract all or any portion of the services to be performed under this Agreement, GRANTEE shall cause each subcontractor to also comply with the requirements of this Section 6.

(d) This Section 6 shall survive expiration or termination of this Agreement.

7. Professional Skill. It is further mutually understood and agreed by and between the parties hereto that inasmuch as GRANTEE represents to the City that GRANTEE and its subcontractors, if any, are skilled in the profession and shall perform in accordance with the standards of said profession necessary to perform the services agreed to be done by it under this Agreement, the City relies upon the skill of the GRANTEE and any subcontractors to do and perform such services in a skillful manner and the GRANTEE agrees to thus perform the services and require the same of any subcontractors. Therefore, any acceptance of such services by the City shall not operate as a release of GRANTEE or any subcontractors from said professional standards.

8. Indemnification.

To the furthest extent allowed by law, GRANTEE shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in

contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage), and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees and litigation expenses) that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of GRANTEE, its principals, officers, employees, agents or volunteers in the performance of this Agreement.

If GRANTEE should subcontract all or any portion of the services to be performed under this Agreement, GRANTEE shall require each subcontractor to indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

Notwithstanding the aforementioned, GRANTEE recognizes that the source of funds for the grant to be provided hereunder is the City's allocation from the ARPA. To this end GRANTEE shall, without limitation, indemnify the City, and each of its officers, officials, employees, agents, and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages incurred by the City from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly from the negligent or intentional acts or omissions, or willful misconduct of GRANTEE or any of its officers, officials, employees, agents, or volunteers in the performance of this Agreement and compliance with ARPA.

This section shall survive termination or expiration of this Agreement.

9. Insurance. GRANTEE shall comply with all of the insurance requirements in **Exhibit B** to this Agreement.

10. Conflict of Interest and Non-Solicitation.

(a) Prior to the City's execution of this Agreement, GRANTEE shall complete a City of Fresno conflict of interest disclosure statement in the form as set forth in **Exhibit C**. During the term of this Agreement, GRANTEE shall have the obligation and duty to immediately notify the City in writing of any change to the information provided by GRANTEE in such statement.

(b) GRANTEE shall comply, and require its subcontractors to comply, with all applicable (i) professional canons and requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code Section 1090 et. seq., the California Political Reform Act (California Government Code Section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations Section 18700 et. seq.). At any time, upon written request of the City, GRANTEE shall provide a written opinion of its legal counsel and that of any subcontractor that, after a due diligent inquiry, GRANTEE and the respective subcontractor(s) are in full compliance with all laws and regulations. GRANTEE shall take, and require its subcontractors to take, reasonable steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, GRANTEE shall immediately notify the City of these facts in writing.

(c) In performing the work or services to be provided hereunder, GRANTEE shall not employ or retain the services of any person while such person either

is employed by the City or is a member of any City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.

(d) GRANTEE represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit or procure this Agreement or any rights/benefits hereunder.

(e) Neither GRANTEE, nor any of GRANTEE subcontractors performing any services on this Project, shall bid for, assist anyone in the preparation of a bid for, or perform any services pursuant to, any other contract in connection with this Project unless fully disclosed to and approved by the City Manager, in advance and in writing. GRANTEE and any of its subcontractors shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless such interest is in accordance with all applicable law and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, GRANTEE shall remain responsible for complying with Section 10(b), above.

(f) If GRANTEE should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, GRANTEE shall include the provisions of this Section 10 in each subcontract and require its subcontractors to comply therewith.

(g) This Section 10 shall survive expiration or termination of this Agreement.

11. ARPA Compliance and Certification. GRANTEE shall submit only those expenditures which are eligible for payment and in compliance with the allowable expenditures, including the following eligibility requirements:

GRANTEE shall provide the City with quarterly expenditure and performance reports, as defined in the Final Rule and Treasury Department's SLFRF Compliance and Reporting Guidance (CRG). GRANTEE shall also provide an annual report as required under the CRG. These reports shall be in a form specified under the CRG and shall be accompanied by invoices and receipts that substantiate the figures on the expenditure report. Additionally, a certification signed by the Chief Executive or designee of GRANTEE certifying that the uses of the grant funds are consistent with those allowed under ARPA, shall be included with the expenditure report and substantiating documentation. As required by the 2 CFR Part 170, Appendix A award term regarding reporting subaward and executive compensation, recipients must also report the names and total compensation of their five most highly compensated executives and their subrecipients' executives for the preceding completed fiscal year if (1) the recipient received 80 percent or more of its annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act, as defined at 2 CFR 170.320 (and subawards), and received \$25,000,000 or more in annual gross revenues from Federal procurement contracts (and subcontracts) and Federal financial assistance subject to the Transparency Act (and subawards), and (2) if the information is not otherwise public. If the GRANTEE is already disclosing this information as part of another agreement involving Federal monies,

GRANTEE shall provide documentation to the City that it is fulfilling this requirement. GRANTEE's failure to provide a Certification, or provide either the quarterly or annual expenditure/performance reports may be considered a default of this Agreement under Section 5 of this agreement. If GRANTEE is found to have provided services to ineligible individual, households, or entities or made an ineligible expenditure, CITY shall have the right to reclaim a dollar amount from the GRANTEE that is equal to the amount determined to be ineligible.

12. General Terms.

(a) Except as otherwise provided by law, all notices expressly required of the City within the body of this Agreement, and not otherwise specifically provided for, shall be effective only if signed by the City Manager or designee.

(b) The City is required under 2 CFR 200.332 to manage and monitor subrecipient compliance with ARPA guidance. Accordingly, GRANTEE agrees to permit City staff to conduct one performance review during the term of this agreement. City has the right to conduct additional performance reviews both during the term of this agreement and after the agreement's term should the City believe these reviews are necessary. Records of GRANTEE expenses pertaining to the Project shall be kept on a generally recognized accounting basis and shall be available to the City or its authorized representatives upon request during regular business hours throughout the life of this Agreement and for a period of three years after final payment or, if longer, for any period required by law. Records related to GRANTEE's performance metrics shall be made available and retained for the same time periods as the Project's expense data. GRANTEE shall furthermore comply with all funding requirements as set forth in ARPA. If GRANTEE fails to provide City staff access or documentation necessary to conduct a City-requested performance review, City may terminate this Agreement in accordance with Section 5.

In addition, all books, documents, papers, and records of GRANTEE pertaining to the Project shall be available for the purpose of making audits, examinations, excerpts, and transcriptions for the same period of time. If any litigation, claim, negotiations, audit, or other action is commenced before the expiration of said time period, all records shall be retained and made available to the City until such action is resolved, or until the end of said time period whichever shall later occur. If GRANTEE should subcontract all or any portion of the services to be performed under this Agreement, GRANTEE shall cause each subcontractor to also comply with the requirements of this paragraph. This Section 12(b) shall survive expiration or termination of this Agreement.

(c) Prior to execution of this Agreement by the City, GRANTEE shall have provided evidence to the City that GRANTEE is licensed to perform the services called for by this Agreement (or that no license is required). If GRANTEE should subcontract all or any portion of the work or services to be performed under this Agreement, GRANTEE shall require each subcontractor to provide evidence to the City that subcontractor is licensed to perform the services called for by this Agreement (or that no license is required) before beginning work.

(d) Prior to execution of this Agreement by the City, GRANTEE will permit City staff to conduct a subrecipient risk assessment, as required under the Uniform Guidance (2 CFR 200.332(b)). Failure to allow City staff to conduct this subrecipient risk assessment may result in the City terminating this Agreement in accordance with Section 5. Additionally, the GRANTEE's failure to be certified by City staff at the end of the risk assessment as having adequate internal controls to manage the funding provided in this agreement may result in the City terminating this Agreement in accordance with Section 5.

13. Nondiscrimination. To the extent required by controlling federal, state, and local law, GRANTEE shall not employ discriminatory practices in the provision of services, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran, or veteran of the Vietnam era. Subject to the foregoing and during the performance of this Agreement, GRANTEE agrees as follows:

(a) GRANTEE will comply with all applicable laws and regulations providing that no person shall, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran, or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

(b) GRANTEE will not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran, or veteran of the Vietnam era. GRANTEE shall ensure that applicants are employed, and the employees are treated during employment, without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran, or veteran of the Vietnam era. Such requirement shall apply to GRANTEE's employment practices including, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. GRANTEE agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this nondiscrimination clause.

(c) GRANTEE will, in all solicitations or advertisements for employees placed by or on behalf of GRANTEE in pursuit hereof, state that all qualified applicants will receive consideration for employment without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran, or veteran of the Vietnam era.

(d) GRANTEE will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a

notice advising such labor union or workers' representatives of the GRANTEE's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(e) If GRANTEE should subcontract all or any portion of the services to be performed under this Agreement, GRANTEE shall cause each subcontractor to also comply with the requirements of this Section 13.

14. Independent Contractor.

(a) In the furnishing of the services provided for herein, GRANTEE is acting solely as an independent contractor. Neither GRANTEE, nor any of its officers, agents, or employees shall be deemed an officer, agent, employee, joint venturer, partner, or associate of the City for any purpose. The City shall have no right to control or supervise or direct the manner or method by which GRANTEE shall perform its work and functions. However, the City shall retain the right to administer this Agreement so as to verify that GRANTEE is performing its obligations in accordance with the terms and conditions thereof.

(b) This Agreement does not evidence a partnership or joint venture between GRANTEE and the City. GRANTEE shall have no authority to bind the City absent the City's express written consent. Except to the extent otherwise provided in this Agreement, GRANTEE shall bear its own costs and expenses in pursuit thereof.

(c) Because of its status as an independent contractor, GRANTEE and its officers, agents, and employees shall have absolutely no right to employment rights and benefits available to City employees. GRANTEE shall be solely liable and responsible for all payroll and tax withholding and for providing to, or on behalf of, its employees all employee benefits including, without limitation, health, welfare, and retirement benefits. In addition, together with its other obligations under this Agreement, GRANTEE shall be solely responsible, indemnify, defend and save the City harmless from all matters relating to employment and tax withholding for and payment of GRANTEE's employees, including, without limitation, (i) compliance with Social Security and unemployment insurance withholding, payment of workers' compensation benefits, and all other laws and regulations governing matters of employee withholding, taxes and payment; and (ii) any claim of right or interest in the City's employment benefits, entitlements, programs and/or funds offered employees of the City whether arising by reason of any common law, de facto, leased, or co-employee rights or other theory. It is acknowledged that during the term of this Agreement, GRANTEE may be providing services to others unrelated to the City or to this Agreement.

15. Notices. Any notice required or intended to be given to either party under the terms of this Agreement shall be in writing and shall be deemed to be duly given if delivered personally, transmitted by facsimile followed by telephone confirmation of receipt, or sent by United States registered or certified mail, with postage prepaid, return receipt requested, addressed to the party to which notice is to be given at the party's address set forth on the signature page of this Agreement or at such other address as the parties may from time to time designate by written notice. Notices served by United States mail in the manner above described shall be deemed sufficiently served or given at the time of the mailing thereof.

16. Binding. Once this Agreement is signed by all parties, it shall be binding upon, and shall inure to the benefit of, all parties, and each parties' respective heirs, successors, assigns, transferees, agents, servants, employees, and representatives.

17. Assignment.

(a) This Agreement is personal to GRANTEE and there shall be no assignment by GRANTEE of its rights or obligations under this Agreement without the prior written approval of the City Manager or designee. Any attempted assignment by GRANTEE, its successors or assigns, shall be null and void unless approved in writing by the City Manager or designee.

(b) GRANTEE hereby agrees not to assign the payment of any monies due GRANTEE from the City under the terms of this Agreement to any other individual(s), corporation(s), or entity(ies). The City retains the right to pay any and all monies due the GRANTEE directly to the GRANTEE.

18. Compliance With Law. In providing the services required under this Agreement, GRANTEE shall at all times comply with all applicable laws of the United States, including but not limited to, the Americans with Disabilities Act (42 U.S.C. § 12101 et seq.), the State of California and the City, and all other applicable regulations promulgated by federal, state, regional, or local administrative and regulatory agencies, now in force and as they may be enacted, issued, or amended during the term of this Agreement. In addition, GRANTOR elects to receive funds from the Secretary under ARPA and will use the funds in a manner consistent with such section.

19. Waiver. The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

20. Governing Law and Venue. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, excluding, however, any conflict of laws rule which would apply the law of another jurisdiction. Venue for purposes of the filing of any action regarding the enforcement or interpretation of this Agreement and any rights and duties hereunder shall be Fresno County, California.

21. Headings. The section headings in this Agreement are for convenience and reference only and shall not be construed or held in any way to explain, modify or add to the interpretation or meaning of the provisions of this Agreement.

22. Severability. The provisions of this Agreement are severable. The invalidity, or unenforceability of any one provision in this Agreement shall not affect the other provisions.

23. Interpretation. The parties acknowledge that this Agreement in its final form is the result of the combined efforts of the parties and that, should any provision of this Agreement be found to be ambiguous in any way, such ambiguity shall not be resolved by construing this Agreement in favor of or against either party, but rather by construing the terms in accordance with their generally accepted meaning.

24. Attorney's Fees. If either party is required to commence any proceeding or legal action to enforce or interpret any term, covenant or condition of this Agreement, the prevailing party in such proceeding or action shall be entitled to recover from the other party its reasonable attorney's fees and legal expenses.

25. Exhibits. Each exhibit and attachment referenced in this Agreement is, by the reference, incorporated into and made a part of this Agreement.

26. Precedence of Documents. In the event of any conflict between the body of this Agreement and any exhibit or attachment hereto, the terms and conditions of the body of this Agreement shall control and take precedence over the terms and conditions expressed within the exhibit or attachment. Furthermore, any terms or conditions contained within any exhibit or attachment hereto which purport to modify the allocation of risk between the parties, provided for within the body of this Agreement, shall be null and void.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. No Third Party Beneficiaries. The rights, interests, duties, and obligations defined within this Agreement are intended for the specific parties hereto as identified in the preamble of this Agreement. Notwithstanding anything stated to the contrary in this Agreement, it is not intended that any rights or interests in this Agreement benefit or flow to the interest of any third parties.

29. Extent of Agreement. Each party acknowledges that they have read and fully understand the contents of this Agreement. This Agreement represents the entire and integrated agreement between the parties with respect to the subject matter hereof and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be modified only by written instrument duly authorized and executed by both the City and GRANTEE.

EXHIBIT A

Scope of Work, Budget and Metrics

Executive Summary

The purpose of this grant will be to complete necessary and needed capital improvements and to assist the city with its goal in reviving downtown neighborhoods and building a greater sense of community pride.

Our facility is 112 years old and in much need of structural evaluation and attention. The ARPA capital will enable us to begin projects, maintenance, and construction that will result in a greater capacity to serve the community and create a more efficient and structurally sound building for decades to come.

A series of building improvements, listed in the attached budget and within the goals and timelines listed below, are a sample and description of the services that will enable Arte Americas to provide a better and safer space to convene more groups, organizations, and projects while increasing the arts, exhibitions, and educational programming, in service and benefit, to more youth, seniors, families, and the surrounding community.

Services Description

Our services and organization are important to the community at large:

- We are the largest Latino cultural arts center in the Central Valley, and we have been an important cultural asset in downtown Fresno and the Central San Joaquin Valley for the last 35 years.
- While we serve people of all backgrounds, over 70% of our program participants are Latinos, a community that was disproportionately impacted by COVID-19.
- In the previous two years, partnerships with the Fresno Unified School District and the Mendota School District allowed and encouraged involvement by Arte Americas in establishing cultural arts and educational programs addressing learning loss attributed to the pandemic in grades K-12.
- Since the opening of a major exhibit in March of 2022 called Boom Oaxaca, more than 5000 visitors have passed through our doors to see the exhibition and learn about the indigenous Oaxacan people who comprise a population of more than 56,000 in our Central Valley.
- Prior to COVID, our cultural arts and educational programs served over 25,000 people annually. We want to restore and exceed our previous number of guests.

- Improvements to our building can only lead to an expansion of programming and educational activities for the community, a better future, and more economic activity in downtown Fresno.

Goals and Objectives

- Create a plan to mitigate the negative economic impacts of COVID 19 on the programs and services of Arte Américas.
- Complete a series of needed capital improvements to the building and grounds for the purpose of expanding cultural arts programming to community residents.
- Create a safer and better environment for visitors and staff and a more useable space for programs and collaborations with neighboring CBOs.
- Enhance accessibility to the building for attendance at visual and performing arts activities events, exhibitions, workshops, trainings, and community meetings.
- Perform needed repairs, resume regular building maintenance, and revitalize areas of the building that were neglected due to closure, decreased income, monthly operating expenses, extreme vandalism, and unanticipated expenses.

For the purpose of completing these goals and objectives we will need a Program Manager (Personnel), Equipment, Capital improvements to the building and property, and resources to cover administrative overhead (indirect costs).

Project Milestones and Metrics

We would like to begin these projects as soon as possible. We plan to initiate a job search for a Program Manager who will support the Executive Director in managing the daily work of all the contractors on our property. This will enable the Executive Director to balance time between overseeing the building improvements and the community programs we already have in progress: exhibitions, monthly art and cultural workshops, school district sponsored seasonal art classes for grades 4 to 12, summer concerts, space rentals, etc.

- We will begin the construction of a fence and trash enclosure as soon as possible because the vandalism and the human waste left by individuals experiencing homelessness and those battling addiction is dangerous and financially draining.
- We will begin a building safety and accessibility review to identify and address urgent plumbing and electrical issues. These are priorities and will be completed in the initial months of the project, pending bids and the availability of contractors.
- The second phase of the HVAC system replacement (library, staff offices and a classroom) will be addressed after an architectural review. We replaced part of the HVAC system in 2021 in the first phase of the replacement project. Upon completion

of phase 2, we expect to increase space usage and significantly increase our capacity to offer more community programs and events.

- Our electrical use and monthly power bills have decreased since separate zones now control individual room temperatures. The second phase of the HVAC project will be completed as soon as possible, enabling the use of additional spaces for future workshop and programs.
- The electrical system needs an inspection to check the condition and safety of circuit breakers, electrical lines and boxes, and light fixtures for the long-term safety of the 112 year-old building and to decrease monthly electrical bills.
- The outdoor plaza stage deck needs re-enforcing, replacement of damaged wood, and application of a sealant for weatherization.
- Painting the wood trim around the building is important before it becomes exposed, damaged, and requires more costly replacement.

TIMELINE:

Status reports will be provided to the Executive Board's Financial Committee that meets monthly. The Finance Committee consists of a certified public accountant, a bookkeeper, the president of the board, the treasurer of the board, one board member at large and the Executive Director. The Executive Director and Program Manager will provide regular updates on the progress of each construction project.

- The committee will review and monitor the timelines and expenses incurred to insure progress is timely and on target for completion.
- The Finance Committee will also review expenditures to insure they are kept within the budgeted limits and allowances.
- Bids will be put out to at least three contractors before a decision is made to select the best, reliable, licensed and insured contractor.
- Arte Américas will be able to provide the City of Fresno with status reports on a quarterly basis and welcomes site visits by city representatives.

Anticipated End Date: December 31, 2024 or until renovations, maintenance, and construction are completed.

Program/Project Metrics

The metrics of effectiveness will be measured by the following:

- A verifiable increase in the number of people visiting and using the facility. There will be a verifiable 10% increase in the number of guests and visitors to the facility in 2023 as measured against the numbers provided in 2022. Yearly records will be provided thereafter for the duration of the work and its completion.
- An increase in community meetings with neighbors in collaboration with other

CBO's.

A record will be kept of rental agreements and programs with CBO's and neighbors. We expect to see a 5% increase for the year 2023. Yearly records will be provided thereafter and for duration of the work and its completion.

- A measured increase in response to marketing outreach efforts: social media, surveys, and questionnaires.

A 10% annual incremental increase in the number of visitors to the gallery supports that we are reaching our audience. Increased revenues are another measure of marketing effectiveness. Social media effectiveness can be measured in real-time data by tracking traffic on websites, Facebook, and Instagram. Records and numbers can be provided upon request.

- Collection and distribution of impact testimonials from visitors to share with the public.

A Visitors Log is kept at the entrance of the building. The number of visitors to the gallery is counted daily. Surveys are also prepared for exhibitions or special events. Results and highlights of surveys and logs, can be provided upon request. This information will also be shared in the annual report.

*Please note: increases in numbers of visitors and satisfaction ratings are dependent on the schedule and completion of renovations, maintenance, and construction. Some sections of the building could be temporarily closed due to work in progress.

Finally, Arte Americas will perform to the satisfaction of the City the services mentioned in this document, including all work incidental to, or necessary to perform, even though not specifically described in this scope of services (Exhibit A).

Type/Title	Description	Time Period	Cost Breakdown	Cost
Program Manager	Will oversee all aspects of the program on behalf of the organization. This position will provide all reports, submit metrics, communicate directly with City Staff, ensure the program is running efficiently and responsible for all program inquiries. Cost Category: Operations				
Outreach Type	Description	Time Period	Cost Breakdown	Cost
Storage Container	Purchase an outdoor storage container to keep tables, chairs and other equipment safe and accessible for community events and art workshops. The storage container will decrease the burden of having to store items in crowded or inappropriate locations within the building and makes it easier for staff to close down an event in the evening.	One Time Purchase	1 Unit @ \$7000	\$ 6,615.00
Secure Trash Enclosure	We need to acquire a commercial grade garbage bin enclosure to keep unauthorized people out of the trash bin area. This has been a hot spot for illegal activity on the property from homeless encampments, vandalism, and drug use. The proposed budget would install a caged bin to prevent unauthorized access to the trash containment areas.	One Time Purchase	1 Unit @ 15000	\$ 14,175.00

Cost Category: Capital Improvements				
Service Type	Description	Time Period	Cost Breakdown	Cost
Safety Accessibility Survey & Drawings	To make the building safer and accessible to the public by coordinating an accessibility review to evaluate paths of travel throughout the exterior and interior portions of the property. Redesign and retrofitting is needed for: parking spaces, ramps, stairs, signage, appropriate lighting, public spaces and restrooms. The assessment will help delineate any deficiencies or immediate needs. Updated digital, architectural drawings will assist with managing future improvements as needed.	6 months	Architect Fee @ \$18,900	\$ 18,900.00
Security Wrought Iron Fence	A wrought iron fence currently encloses the plaza, but the breezeway between the building's plaza and parking lot area is not enclosed. This area attracts vandals, criminals and the homeless. Safety is a key issue. We wish to extend a wrought-iron fence around the perimeter of the property with automatic gates. The project will require electrical work and some tree and shrub removal.	4 months	Fence Contractor @ \$117,180	\$ 117,180.00
Video Surveillance	We intend to install video surveillance so that we can deter criminal activity and proactively call the authorities when criminal activity is in progress. The project consists of running Cat6 communication cabling to multiple areas of the facility for each camera. Cameras will be strategically placed both indoors and outdoors for optimal coverage. The recording device will be able to be viewed onsite and remotely and maintain up to 30 days retention time for recorded video.	1 month	Low Voltage Contractor @ \$17,010	\$ 17,010.00
HVAC Repair	Complete phase 2 of HVAC system replacement in two areas of the building used for art classes and meetings. The current system for those locations is not working and is inadequate for safety purposes. The goal is to segregate and compartmentalize the system into zones to reduce spreading airflow into multiple areas while in use.	4 months	HVAC Contractor @ \$98,280.00	\$ 98,280.00

The duty to indemnify CITY and STATE by GRANTEE shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by GRANTEE. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of GRANTEE, vendors, suppliers, invitees, consultants, medical professionals, subcontractors, consultants, or anyone employed directly or indirectly by any of them.
